Lore And Legends Of Flowers:

The Lore & Legends of Flowers Robert L. Crowell, 1982 Presents lore and legends behind several common flowers including narcissus crocus dandelion carnation and marigold *Plant Lore and Legend* Ruth Binney, 2019-02-13 From time immemorial people have sought to understand the mysteries of the natural world giving rise to a wealth of myths and legends connected to plant life In addition to their imaginative appeal these oral traditions offered practical advice about which flowers trees and plants could provide foods remedies and construction materials This richly illustrated volume provides a treasury of ancient wisdom exploring the sound principles behind traditional advice along with a wealth of fanciful beliefs Naturalist Ruth Binney recounts charming examples of floral symbolism linking roses with romance lilies with purity and poppies with sleep She examines tree lore and the association of trees with wisdom and knowledge from the coveted crown of laurel awarded to ancient Greek poets and Roman generals to the palm branches presented to pilgrims returning from the Holy Land A survey of the power of plants ranges from the rituals that ensure a good harvest and a newly married couple's fertility to the healing qualities of oil of cloves for toothache cherries for gout and aloe vera for burns Abounding in fascinating facts and fancies this absorbing compilation will captivate lovers of plants and gardens **Flower Lore and Legend** Katharine McMillan Beals, 1917 **Flower Lore, Lore and Legends of Garden Flowers** Charles Edward Brown, 1938 *Flower Lore and Legend* Katharine M Beals, 2019-01-12 This fine work is a compilation of flower related lore that spans from antiquity to then modern times and dozens of cultures and species The symbolism of some flowers in spiritual and religious paths is well noted but here it is illustrated further by both poetry and prose Fairly deep in its content Flower Lore and Legend is helpful in that it additionally provides a fairly detailed series of references to each species especially the rose lily sunflower and clover in their use in legend and recorded accepted history alike Highly useful to the occultist the botany buff and the historian alike **Flower Lore and Legend** Katharine McMillan Beals, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt to his sister that he turned his burning gaze full upon the intruder Rodanthe endeavored to leave the pedestal to escape his scorching rays but her feet were held fast and her body and limbs turned into branches covered with leaves In place of the Queen of Corinth there stood a rose tree full of beautiful yellow flowers Tho changed into a flower her pomp remains And lovely still and still a queen she reigns The throng who were about the temple were turned into thorns to guard her beauty and the too ardent lovers were transformed into a worm a drone and a butterfly There is a Roumanian tradition of a fair princess who went to the sea to bathe The sun was so dazzled by her beauty that he stood still for three days Of course that interrupted the progress of night and so upset things generally that Jupiter changed the princess into a rose tree Whether this was before after or in the time of Joshua does not appear In the garden was a lily and each aspired to be queen there The rose supported her title by the poets The height and

dignity of the lily gave her an imperial appearance Their respective rights were so warmly debated that Flora the goddess finally interfered as arbitrator Cowper gives her decision in these words Yours she said the noblest hue And yours the statelier mien And till a third surpasses you Let each be deem d a queen Sir John Maundeville in his wonderful travels tells of a maiden of Bethlehem who was accused of a crime and condemned to be burned As the flames were kindled she prayed to the Lord that as she was not guilty He would cause her innocence to be known to all men When the fires reached her they were immediately quenched and the fagots that were burning became red
