Lorine Niedecker Woman And Poet:

Lorine Niedecker Jenny Lynn Penberthy, 1996 **Collected Works** Lorine Niedecker, 2002 This volume presents all of Lorine Niedecker's surviving poetry plays and creative prose in the sequence of their composition It includes many poems previously unpublished in book form and all of Niedecker's surviving 1930s surrealist work **The Granite Pail** Lorine Niedecker, 2025-08-01 This edition was published in 1996 by Gnomon Press The Granite Pail is a masterful collection that showcases the poetic brilliance of one of America's most underappreciated modernist poets Known for its minimalist style and deep connection to the natural world Niedecker's work combines precision with emotional depth in poems that resonate long after they are read This volume brings together some of Niedecker's finest poetry illustrating her gift for capturing profound truths in the simplest of forms With themes ranging from the intimate and domestic to the universal and ecological her poems reflect a life deeply rooted in the landscapes of rural Wisconsin From meditations on the passage of time to lyrical explorations of nature The Granite Pail reveals the interplay between solitude creativity and the human condition Edited and introduced by Cid Corman a champion of Niedecker's work the collection highlights her unique voice within the Objectivist tradition and her ability to create moments of beauty and insight with remarkable economy This edition also provides context for her life and influences shedding light on her artistic evolution and the lasting significance of her poetry For both longtime admirers and those new to Niedecker's work The Granite Pail offers an essential glimpse into the mind of a poet whose quiet brilliance continues to inspire readers and writers alike Lorine Niedecker Margot Peters, 2011-10-06 Lorine Niedecker 1903-70 was a poet of extraordinary talent whose life and work were long enveloped in obscurity After her death in 1970 poet Basil Bunting wrote that she was the most interesting woman poet America has yet produced only beginning to be appreciated when she died Her poverty and arduous family life the isolated home in Wisconsin that provided rich imagery for her work and her unusual acquaintances have all contributed to Niedecker's enigmatic reputation Margot Peters brings Lorine Niedecker's life out of the shadows in this first full biography of the poet She depicts Niedecker's watery world on Blackhawk Island near Fort Atkinson Wisconsin where she was born and spent most of her life A brief college career cut short by family obligations and an equally brief marriage were followed in 1931 by the start of a life-changing correspondence and complicated thirty-five year friendship with modernist poet Louis Zukofsky who connected Niedecker to a literary lifeline of distant poets and magazines Supporting herself by turns as a hospital scrubwoman and proofreader for a dairy journal Niedecker made a late marriage to an industrial painter which gave her time to write and publish her work in the final decades of her life During her lifetime Niedecker's poetry was praised by a relatively small literary circle including Zukofsky William Carlos Williams Robert Creeley Denise Levetov and Allen Ginsberg Since her death much more of her surviving writings have been published including a comprehensive edition of collected works and two volumes of correspondence Through Margot Peters's compelling biography readers will discover Lorine Niedecker as a poet of spare

and brilliant verse and a woman whose talent and grit carried her through periods of desperation and despair Best Special Interest Books selected by the American Association of School Librarians Radical Vernacular Elizabeth Willis, 2008-10 When Lorine Niedecker died in 1970 the British poet and critic Basil Bunting eulogized her warmly In England he wrote she was in the estimation of many the most interesting woman poet America has yet produced Aesthetically linked with the New York Objectivist poets Niedecker remained committed to her community in rural Wisconsin despite the grinding poverty that dogged her throughout her life Largely self taught Niedecker formed attachments through her voracious reading and correspondence but she also delighted in the disruptive richness of vernacular usage and in the homegrown improvisational aesthetics that thrived within her immediate world Niedecker wrote from a highly attenuated concern with biological cultural and political sustainability and in her stridently modernist poems anticipated many of the most urgent concerns in twenty first century poetics In Radical Vernacular Elizabeth Willis collects essays by leading poets and scholars that make a major contribution to the study of an important but long overlooked American poet This pathbreaking volume contains essays by seventeen leading scholars Rae Armantrout Glenna Breslin Michael Davidson Rachel Blau DuPlessis Ruth Jennison Peter Middleton Jenny Penberthy Mary Pinard Patrick Pritchett Peter Quartermain Lisa Robertson Elizabeth Robinson Eleni Sikelianos Jonathan Skinner Anne Waldman Eliot Weinberger and Elizabeth Willis America's Greatest Unknown Poet John Lehman, 2003 The relationship between writing and living is explored in this collection of letters poems photographs and reminiscences from people who knew Lorine Niedecker personally Niedecker's acclaimed poems are distinguished by a fierce style that earned her work comparison to that of Emily Dickinson and William Carlos Williams Revelations about her roles as the daughter of a Wisconsin carp fisherman and as a hospital cleaning woman offer insight into how Niedecker became a quintessential poet of place Critical questions are discussed about the creative process reflected in Niedecker's writings including What can we achieve through writing How are we affected by where we live and Who inspires us

Humor in Modern American Poetry Rachel Trousdale, 2017-11-16 Modern poetry at least according to the current consensus is difficult and often depressing But as Humor in Modern American Poetry shows modern poetry is full of humorous moments from comic verse published in popular magazines to the absurd juxtapositions of *The Cantos* The essays in this collection show that humor is as essential to the serious work of William Carlos Williams as it is to the light verse of Phyllis McGinley For the writers in this volume the point of humor is not to provide comic relief a brief counterpoint to the poem's more serious themes humor is central to the poem's projects These poets use humor to claim their own poetic authority to re define literary tradition to show what audience they are writing for to make political attacks and perhaps most surprisingly to promote sympathy among their readers The essays in this book include single author studies discussions of literary circles and theories of form Taken together they help to begin a new conversation about modernist poetry one that treats its lighthearted moments not as decorative but as substantive Humor defines groups and marks social boundaries but

it also leads us to transgress those boundaries it forges ties between the writer and the reader blurs the line between public and private and becomes a spur to self awareness

Modernism, the Market and the Institution of the New Rod Rosenquist, 2009-01-08 This book examines the problems faced by innovative writers working in a late modernist era dominated by Joyce Eliot and Pound

Defensive Measures Lee Upton, 2005 Much of our strongest poetry that learned its lessons from early modernism lives by its defensive measures that is by means of reversing inverting and challenging in covert ways a dominant perceptual mode Defensive Measures explores strategies by which poets claim their distinctiveness and argues that poetry is the one literary form that most insistently demands a defense It demands a defense it would seem because it is perpetually in crisis not only in regard to its utility and its aesthetic appeal or the vigor of its renunciation of such an appeal but in regard to its generic existence Upton defines a generative conception of defense and examines in a new light the poetry of Lorine Niedecker Elizabeth Bishop Louise Gluck and Anne Carson In writing about Bishop Upton puts this well regarded poet in a new framework aligning her work with that of three poets whose aesthetics might be viewed as antithetical to her own

Poetry and the Limits of Modernity in Depression America Justin Parks, 2023-10-05 Furnishing a novel take on the poetry of the 1930s within the context of the cultural history of the Depression this book argues that the period's economic and cultural crisis was accompanied by an epistemological crisis in which cultural producers increasingly cast doubt on language in its ability to represent society Poetry and the Limits of Modernity in Depression America pursues this guiding premise through six chapters each framing the problem of the ongoing vitality of language as a social medium with respect to a particular poet Louis Zukofsky and the commodification of language Muriel Rukeyser and documentary photography Charles Reznikoff and Depression era historiography Sterling A Brown and the blues as both an ethnographic phenomenon and a marketable cultural product Norman Macleod and Southwest regionalism and Lorine Niedecker and ethnographic surrealism The book closes by examining the shifting status of the poet as society transitioned from a focus on production to an emphasis on consumption in the Post war period
