

THE MOST DARING PRISON
CAMP RAID OF WORLD WAR II

RESCUE AT LOS BAÑOS

Los Banos Raid

Donald P. Smith

Los Banos Raid:

The Los Baños Raid E. M. Flanagan, 1986 **The Los Banos Prison Camp Raid** Gordon L. Rottman, 2011-10-20 On the southwest shore of Laguna de Bay in the Philippines stood the Los Banos Internment Camp. Held within were 2,147 starving POWs surrounded by thousands of Japanese troops. As the desperate battle for Manila raged, only 130 Paratroopers could be spared for the rescue operation. Supported by Alamo Scouts, local guerrillas, and amphibious tractors, they seized the element of surprise and rescued the POWs. It was a stunning triumph of courage and perfect timing in the face of overwhelming odds.

Rescue at Los Baños Bruce Henderson, 2024-03-19 From the New York Times bestselling author of *Sons and Soldiers* comes the incredible true story of one of the greatest military rescues of all time. In February 1945, as the US victory in the Pacific drew nearer, the Japanese army grew desperate, and its soldiers guarding U.S. and Allied POWs more sadistic. Starved, shot, and beaten, many of the 2,146 prisoners of the Los Baños prison camp in the Philippines—most of them American men, women, and children—would not survive much longer unless rescued soon. Deeply concerned about the half-starved and ill-treated prisoners, General Douglas MacArthur assigned to the 11th Airborne Division a dangerous rescue mission deep behind enemy lines that became a deadly race against the clock. The Los Baños raid would become one of the greatest triumphs of that war, or any war, hailed years later by Chairman of the Joint Chiefs of Staff General Colin Powell. I doubt that any airborne unit in the world will ever be able to rival the Los Baños prison raid. It is the textbook operation for all ages and all armies. Combining personal interviews, diaries, correspondence, memoirs, and archival research, *Rescue at Los Baños* tells the story of a remarkable group of prisoners whose courage and fortitude helped them overcome hardship, deprivation, and cruelty, and of the young American soldiers and Filipino guerrillas who risked their lives to save them. Riveting. Readers will be both shocked by the conditions that POWs had to endure and appreciative of the bravery and ingenuity of that generation we have come to call the greatest. *The Washington Post*

Flanagan, Jr., 2002-06-14 Originally published as *The Los Baños Raid*, *The 11th Airborne Jumps at Dawn* this book recounts the complete story of a raid conducted in the last days of World War II on the Los Baños Japanese internment camp which was located 25 miles behind enemy lines and held over 2,000 civilian POWs. Blossoming Silk Against the Rising Sun Gene Eric Salecker, 2010-08-17 Complete account of airborne operations in the Pacific theater. Firsthand descriptions from American and Japanese paratroopers. Detailed maps illustrate battles.

Angels Against the Sun James M. Fenelon, 2023-04-18 The Pacific theater of World War II pitted American fighting men against two merciless enemies: the relentless Japanese army and the combined forces of monsoons, swamps, mud, privation, and disease. General Joseph Swing's rowdy paratroopers of the 11th Airborne Division, nicknamed the Angels, fought in some of the war's most dramatic

campaigns from bloody skirmishes in Leyte's unforgiving rainforests to the ferocious battles on Luzon including the hellish urban combat of Manila. The Angels were trained as elite shock troops but high American casualties often forced them into action as ground pounding infantrymen. Surviving on airdropped supplies and reinforcements the Angels fought their way across nearly impassable terrain emerging as one of the most lethal units in the Pacific War. Their final task was the occupation of Japan where they were the first American boots on the ground. Angels Against the Sun is an unforgettable account of the liberation of the Philippines. In the tradition of Band of Brothers, historian and former paratrooper James M. Fenelon offers a grunt's eye view of the war. From book jacket We Survived War's Crucible Donald P. Smith, 2007-12-26

WE SURVIVED WAR'S CRUCIBLE: A true Story of Imprisonment and Rescue in World War II Philippines. A large pit is ready for the mass execution of 2,147 prisoners in the Los Baños concentration camp. At dawn paratroopers of the 11th Airborne drop from the sky. Filipino guerrillas overpower Japanese guards. During the night fifty-four amphibious tractors have crossed the large lake around Japanese lines. They arrive and take all the prisoners to safety. It is one of the most perfectly executed rescues of World War II. That is but the climax of the exciting story. Stephen Smith tells of his captivity in the Philippines with his wife Viola and teen-age son Paul. It begins as he enters Manila Bay on a Coast Guard cutter while bombs are dropping and sunken ships are still burning. The family lives under house arrest by the Japanese Army in Manila for two and one-half years. With no connections to banks in the U.S. Stephen must find enough money to buy food for 70 fellow missionary prisoners. Daring young Paul gets a big bang out of celebrating the fourth of July right in front of his armed Japanese captors. A hardened Japanese veteran of Manchuria, China, and Bataan reveals his hidden humanity. While others are being beheaded in Fort Santiago, a Japanese guard risks his own life to spare the life of a Filipino friend. At risk of his life, Stephen provides an American flag to a Filipino guerrilla for use in signaling American submarines. In all this struggle, how can the Smiths find the physical, emotional, and spiritual resources to survive the crucible of war? This book tells how. **Captured** Frances B. Cogan, 2012-03-15

More than five thousand American civilian men, women, and children living in the Philippines during World War II were confined to internment camps following Japan's late December 1941 victories in Manila. *Captured* tells the story of daily life in five different camps: the crowded housing, mounting familial and international tensions, heavy labor, and increasingly severe malnourishment that made the internees' rescue a race with starvation. Frances B. Cogan explores the events behind this nearly four-year captivity, explaining how and why this little-known internment occurred. A thorough historical account, the book addresses several controversial issues about the internment, including Japanese intentions toward their prisoners and the U.S. State Department's role in allowing the presence of American civilians in the Philippines during wartime. Supported by diaries, memoirs, war crimes transcripts, Japanese soldiers' accounts, medical data, and many other sources, *Captured* presents a detailed and moving chronicle of the internees' efforts to survive. Cogan compares living conditions within the internment camps with life in POW camps and with the living conditions of Japanese soldiers late in the

war An afterword discusses the experiences of internment survivors after the war combining medical and legal statistics with personal anecdotes to create a testament to the thousands of Americans whose captivity haunted them long after the war ended

Knight's Move David Greentree, 2012-06-20 On 25 May 1944 800 men of the 500th SS Parachute Battalion descended on Drvar a town behind enemy lines in north western Bosnia Their aim was to kill or capture Tito the leader of the partisan movement in the region The plan was to land the battalion by glider and parachute in two waves which would be relieved the next day by a ground assault Tito knew an attack was imminent but dismissed the idea of an airborne assault The attempt to eliminate Tito was a colossal failure The elite battalion had been decimated with only 200 men fit for duty the next day Inter agency rivalry between the Abwehr and the SS had meant that intelligence was not shared a problem exacerbated by a failure to exploit HUMINT about Tito's precise location and the adoption of a plan that did not take into account these intelligence limitations

Certain Death in Sierra Leone Will Fowler, 2012-06-20 In September 2000 the notorious militia

gang West Side Boys kidnapped eleven British soldiers in Sierra Leone and Operation Barras was launched as the rescue operation. Fast roping in from helicopters the SAS soldiers engaged in a heavy firefight with the militia killing several and capturing their leader. Meanwhile the Paras advanced on foot fighting their way through a village to recover the Land Rovers abandoned by the kidnapped soldiers. The operation was a complete success with all the soldiers being rescued. This daring raid is brought to life with specially commissioned artwork, detailed maps and overhead shots to recreate one of the greatest hostage rescue success stories.

A Life for A Life: A Memoir: My Career in Espionage Working for the Central Intelligence Agency Howard Phillips Hart, 2015. This is the tale of one operations officer in America's espionage service. It begins with the story about his imprisonment in a Japanese internment camp with his parents in the Philippines during World War II and how that led him to serve his country at the height of the Cold War. Howard Phillips Hart served most of his 25 year career in South Asia and the Middle East. He was involved in the Iranian Revolution, planned, started and led the CIA's massive covert action programs against the Soviet invasion and occupation of Afghanistan and directed CIA support for the ill fated 1980 attempt to rescue the American Embassy hostages in Iran. Mr Hart was the Founding Director of the CIA's Crime and Counter narcotics Center.

To the End of the Earth John C. McManus, 2023-05-02. Winner of the Army Historical Foundation Award for Excellence in U S Army Writing. From the liberation of the Philippines to the Japanese surrender, the final volume of John C McManus's trilogy on the US Army in the Pacific War. Brilliant and riveting, a truly great book. Gen David Petraeus, Triumphant and compelling. Richard Frank McManus is one of the best if not the best World War II historians working today. World War II magazine. The dawn of 1945 finds a US Army at its peak in the Pacific. Allied victory over Japan is all but assured. The only question is how many more months or years of fight does the enemy have left. John C McManus, winner of the Gilder Lehrman Prize for Military History, concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson's Pulitzer Prize winning Liberation Trilogy with this brilliant final volume. On the island of Luzon, a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor. The Philippines are soon liberated and Allied strategists turn their eyes to China, Iwo Jima, Okinawa and the Japanese home islands themselves. Readers will walk in the boots of American soldiers and officers braving intense heat, rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom. At the same time, this outstanding narrative lays bare the titanic ego and ambition of the Pacific War's most prominent general, Douglas MacArthur, and the complex challenges he faced in Japan's unconditional surrender and America's lengthy occupation.
