The Nixon Administration and Cuba Håkan Karlsson,Tomás Diez

Acosta,2021-05-07 This book presents a detailed analysis of the U S policy that was adopted toward Cuba by the Richard M Nixon administration between January 20 1969 and August 8 1974 Based on governmental as well as other sources from both the U S and Cuba this book examines the rupture where the policy of passive containment was complemented with a policy of dirty war President Nixon attempted to reestablish a confrontational and violent path of action and once again Cuba was exposed to a dirty war consisting of different forms of aggressive terrorist activities Since the conditions for this violent route had changed dramatically both in the U S and in Cuba a policy characterized by a continuity of the economic and psychological warfare came to be the central one for the Nixon administration This book is unique since it is written from a Cuban perspective and it therefore complements and enriches the knowledge of the U S Cuban relationship during the end of the 1960s and the beginning of the 1970s and the policy adopted by the Nixon administration It is of relevance to everyone interested in the issue and especially for students and researchers within the disciplines of history and political science

that have been occurring in the Cuban American community BOOK JACKET **Bacardi** Hernando Calvo Ospina,2002-07-20
The Bacardi rum company is one of the most successful and recognisable brands in the world It spends millions on marketing itself as the spirit of youth and vitality But behind its image as a party drink lies a very different story In this book investigative journalist Hernando Calvo Ospina brings to light the commercial and political activities of the Bacardi empire to reveal its role in fostering the 40 year long confrontation between the United States and the revolutionary government of Cuba Through meticulous research Ospina reveals how directors and shareholders of the family owned firm have aggressively worked to undermine the Castro government He explores how they have been implicated in supporting paramilitary organisations that have carried out terrorist attacks and reveals their links to the extreme right wing Cuban American Foundation that supported Ronald Reagan s Contra war in Nicaragua Bacardi The Hidden War explains the company s hand in promoting special interest legislation against its competitor Havana Club Rum which is manufactured in Cuba and promoted by the European company Pernod Ricard Ospina reveals the implications of Bacardi s involvement in this growing dispute that threatens to create a trade war between America and Europe Exploring the Bacardi empire s links to the CIA as well as its inside links with the Bush administration this fascinating account shows how multinational companies act for political as well as economic interests

Communist Armies In Politics Jonathan R. Adelman,2019-03-13 This book analyzes the historical and contemporary political roles of armies in the majority of the world s Communist countries stressing the problems faced and overcome by Communist parties in the creation and development of legitimate and effective armies The authors all area specialists explore the sources of the dramatic differences between the highly visible and powerful political roles of the Chinese Vietnamese and Cuban armies the small but increasing political role of the Soviet army and the minimal political roles of most Eastern European armies Emphasized are such variables as the nature of revolution the role of civil war and the extent of external interference particularly from the Soviet Union The authors show how these variables are key factors in determining the path of army political development
