interests overlap In this book Benita Heiskanen makes a broader connection between boxing and the spatial organization of racialized class based and gendered bodies within particular urban geographies Journeying actual sites where the sport is organized such as the barrio boxing gym and competition venues she maps the ways in which boxing insiders negotiate a variety of conflicting agendas at local regional and national scales Beyond the United States the worker athletes conduct their labor within global socioeconomic conditions business networks and legal principles Through this sporting context Heiskanen s discussion discloses some complex socio historical cultural and political power relations between urban margins and centers with ramifications far beyond boxing This book will be of interest to readers in Sport Studies Cultural Studies Cultural Geography Gender Studies Critical Race Theory Labor Studies and American Studies *It's Not Over 'Til It's Over* Al Silverman,2004-01-27 Find inspiration in these enjoyable accounts of historic last minute victories both legendary and little known in the world of sports Booklist From a former editor of Sport magazine this book is a journey through a century of athletic endeavor from baseball to boxing and beyond filled with true stories that remind us of some of the qualities that can help to create a champion perseverance determination and hope Re creations of 13 dramatic sports events from the 20th century While Silverman has chosen to profile a handful of well documented events such as New York Giant Bobby Thompson s 1951 home run at the Polo Grounds the first Ali Frazier prizefight in 1971 and the 1980 US hockey team s Olympic victory over the Russians the real value of the book lies in his depiction of such obscure or neglected events as the 1923 boxing match between Argentine Luis Firpo and American Jack Dempsey and the 1968 Harvard Yale football game The best piece follows an unknown Native American Marine from Kansas who shocked himself and the world by winning the 10 000 meter road race at the 1964 Tokyo Olympics He often tracks down and interviews event participants to provide perspective from both the victor and the vanquished Publishers Weekly **What's My Name?** Grant Farred,1997 **Floyd Patterson** Alan H.
