Losing And Living Thoughts On Every Kind Of Grieving:

Losing and Living David Maldwyn Owen,1991 *Losing My Husbands* Nancy N. Needy,2024-04-16 After the death of two husbands forty years apart the author details the personal grief she experienced following these life altering events Even though they occurred at different stages of her life the overwhelming and devastating losses were the same The book defines the struggles that she faced as she grieved her attempts to overcome or at least manage the grief how humor can be useful to help move past the pain of such a horrific loss and her struggles to make a life for herself without her spouse Even though the primary focus of this book is to offer support understanding and hope to those who have lost their spouse this book can also be helpful to those who are grieving any type of loss In addition this book can be a valuable resource for all married couples in preparation for surviving this unavoidable journey And finally it provides valuable insights to those having to watch another who is grieving *Understanding Loss and Grief for Women* Robert W. Buckingham,Peggy A. Howard Ph.D.,2017-05-18 This book can enhance everyone s understanding of how women experience loss and grief and how they transition to resolution It is an invaluable resource to women and everyone who supports them spouses partners and family members as well as community and government Women s grief is often a complex phenomenon a natural normal experience but one that can seriously impact everyone female or male at every stage of life *Understanding Loss and Grief for Women A New Perspective on Their Pain and Healing* provides a way to look at how women experience loss through the lens of their socially constructed roles and in light of the theories and practice of grief therapy and support The book begins by explaining the social construction of women s traditional transitional and modern postmodern roles and then addresses the social construction of grief theory and practice in past eras and modern society Several case studies enable readers to see how social constructs shape women s responses to various causes of grief such as the death of a spouse or partner child marriage divorce and career retirement The final section of the book examines the health impacts of grief offers suggestions to ameliorate negative health impacts and emphasizes how loss and grief for women can be used as opportunities for self growth This book serves all members of the general population as well as educators academics scientists and students of disciplines such as psychology psychotherapy medicine sociology and women s studies It will enable all women to better understand deal with and heal from their loss and grief experience Male readers will empathize with what their spouses partners mothers grandmothers siblings and friends are experiencing in loss and grief and understand how to support healthy transition through grief to resolution The community at large and care providers will learn how to create a more nurturing and supportive environment for women s grief response *Understanding the Grief and Loss Experiences of Carers* Kerry Jones,Joanna Horne,2024-11-01 This book draws on recent research and cutting edge ideas about bereavement and carers experiences across the life course to explore carers experience of loss and discuss their specific needs prior and or following the death of those they care for Whether care provided is related to a long term or life limiting condition many

carers experience a multitude of losses including indefinite loss characterised by the loss of a taken for granted future and an inability to plan for the future Carers may also experience anticipatory grief as multiple losses such as companionship personal freedom and control manifest While many carers are dedicated and committed to their role they are subject to burnout and disenfranchised grief When the role of caregiver ends as a result of the death of those cared for this can represent a major change and a period of significant adjustment for carers leading to a range of emotions experienced This book presents and discusses research findings practitioner perspectives and a wealth of personal accounts to illuminate this vital but neglected area and extend our understanding of loss for carers across the life course This interdisciplinary and interprofessional volume brings together authors from a wide range of backgrounds including carers themselves It is an important contribution to the burgeoning literature around the role and experiences of carers and will interest academics students and practitioners in health and social care counselling and psychology with an interest in loss and bereavement

Grief Worlds Matthew Ratcliffe, 2023-01-24 A wide ranging philosophical exploration of what it is to experience grief and what this tells us about human emotional life Experiences of grief can be bewildering disorienting and isolating everything seems somehow different in ways that are difficult to comprehend and describe Why does the world as a whole look distant strange and unfamiliar How can we know that someone is dead while at the same time find this utterly unfathomable impossible *Grief Worlds* explores a host of philosophical questions raised by grief showing how philosophical inquiry can enhance our understanding of grief and vice versa Throughout the book Matthew Ratcliffe focuses on the phenomenology of grief what do experiences of grief consist of how are they structured and what can they tell us about the nature of human experience more generally While acknowledging the diversity of grief Ratcliffe sets out to identify its common features Drawing extensively on first person accounts he proposes that grief is a process that involves experiencing comprehending and navigating a pervasive disturbance of one s experiential world Its course over time depends on ways of experiencing and relating to other people both the living and the dead Along with its insights into the workings of grief the book provides us with a broader philosophical perspective for thinking about human emotional experience

Yoga for Grief and Loss Karla Helbert, 2015-10-21 This book explains how the six branches of yoga offer guidance and coping methods to those who have suffered bereavement or loss Looking at the emotional spiritual philosophical elements as well as the physical postures of yoga the book shows how to begin and sustain a personal practice that helps us move through grief on multiple levels

Grief: The Great Yearning Pat Bertram, 2012-02-29 *Grief The Great Yearning* is not a how to but a how done a compilation of letters blog posts and journal entries Pat Bertram wrote while struggling to survive her first year of grief This is an exquisite book wrenching to read and at the same time full of profound truths *Grief The Great Yearning* by Pat Bertram is a book of empathic understanding How many recently bereft have looked to society s guidelines for grieving and found these norms did not correspond to what they were feeling How many were left confused and even more depressed

because they were not progressing like the experts said they should Bertram's book is a comfort to those of us tossed into the grief whirlwind of disbelief and agony The entire book is raw and real Grief The Great Yearning is a companion guide from someone who has already been there It is a forever love letter J J Dare author of False Positive and False World Grief The Great Yearning by Pat Bertram is a wonderful tribute to Jeff Bertram's deceased life mate soul mate and to Bertram's own stamina Malcolm R Campbell author of The Sun Singer and Sarabande Everyone needs to read Grief A Great Yearning by Pat Bertram It's the best grief book I've ever read and I have read the Kubler Ross books and The Year of Magical Thinking Pat Bertram's book feels like what most of us would experience makes me feel what she is feeling and it's written from the inside out Brenda Buckner Wallace author of Brilliant Prey If people were to ask me for an example of how grief can be faced in order for the healthiest outcome I would refer them to Grief The Great Yearning which should be the grief process bible Pat Bertram's willingness to confront grief head on combined with her openness to change is the epitome of good mental health

Leesa Healy Consultant in Emotional Mental Health **Counselling for Grief and Bereavement** Geraldine M Humphrey, David G Zimpfer, 2007-12-18 The authors have done their homework in reading and consulting with the prominent literature especially regarding children All this effort gives the book a solid background foundation and makes it readable and well usable for both lay counsellors and professional providers and for all of us who are engaged in the delicate and rewarding endeavor of Grief Therapy Naji Abi Hashem Clinical Cultural Psychologist Berkeley California Praise for the First Edition The book provides an absorbing and challenging journey through the possible process involved in bereavement work and encourages one to think broadly about how one can approach a bereaved person this was a book I enjoyed reading very much and which I found both theoretically sound and practically helpful Bereavement Care Cruse Counselling for Grief and Bereavement Second Edition is a bestselling introductory guide for professionals who work with people experiencing bereavement through death and other forms of loss Focusing on practical assessment and intervention strategies Geraldine Humphrey and David Zimpfer guide readers through the essential theory and skills needed to work with clients in a way which sensitively facilitates the process of grief initiates healing and promotes a sense of growth Setting out the broad principles for practice the authors go on to show how these can be applied in working with individuals families and groups and in relation to specific issues including chronic and life threatening illnesses palliative care and complicated grief Carefully chosen case examples illustrate the counselling process while specific attention is paid throughout to ethical considerations and the possible need for referral This fully revised and updated Second Edition features a new chapter on working with children and adolescents both from the perspective of young people who are grieving losses and those who are receiving palliative care as patients While focusing on the practical the book provides a firm theoretical base by explaining key concepts such as attachment grief and resilience Geraldine M Humphrey is Counsellor in the Department of Psychology at the North Canton Medical Foundation specializing in death illnesses and non death and grief David G Zimpfer is former
