Lost And Won:

The Boston Glee Book, 1839 **Player Won-Lost Records in Baseball** Tom Thress, 2017-09-25 Baseball analysts often criticize pitcher win loss records as a poor measure of pitcher performance as wins are the product of team performance Fans criticize WAR Wins Above Replacement because it takes in theoretical rather than actual wins Player won lost records bridge the gap between these two schools of thought giving credit to all players for what they do without credit or blame for teammates performance and measuring contributions to actual team wins and losses The result is a statistic of player value that quantifies all aspects of individual performance allowing for robust comparisons between players across different positions and different seasons Using play by play data this book examines players won lost records in Major League Baseball from 1930 through 2015 **Longman's Magazine** Charles James Longman, 1888 **All-Time Nines** Don Cox, 2016-01-25 Who was the best baseball team of all time This timeless question can most effectively be answered through comprehensive analysis of baseball statistics Over the course of a season winning teams tend to score more runs while allowing fewer than their opponents The greater the difference in runs per game the more a team can be expected to win Comparing this data for the top five percent of Major League nines from 1901 through 2014 this book argues that runs above league average is the best statistic for ranking teams The author sorts 220 teams by era franchise and skills hitting fielding baserunning pitching evaluates their strengths and weaknesses and assigns numerical values to each player's skills to demonstrate how they contributed to team performance *Routledge's sporting annual*, 1883 *The American Hoyle, Or Gentleman's Hand-book of Games* William Brisbane Dick, 1917 **The Americana**, 1911 **An Endangered Species** David Gower, 2014-05-22 As a cricketer David Gower was famed for the elegance of his strokeplay as one of England's greatest batsmen and for his superb fielding As a captain he led his country to Ashes success yet some queried his application because it all seemed to come to him so easily and effortlessly But that was never the whole story Gower was always committed and a great competitor as this fascinating and frank book looking back on his life and career shows Once he retired from the game Gower built a new career for himself first as team captain in the long running TV comedy series *They Think It's All Over* and then as an astute and charming presenter and commentator with Sky Sports After more than 30 years as one of the most popular figures in the game Gower now reveals there is so much more to his story than the cliched image of Lord Gower flying in his Tiger Moth He is a man of great insight determination and drive but who also knows there is always more to be had from life **The Great Story of Notre Dame Football** Brian W. Kelly, 2022-12-22 The About the Book Information is not available as of this time **The Outing Magazine**, 1911 **Computers and Games** H. Jaap van den Herik, Yngvi Björnsson, Nathan S.
