Lost Art Of Compassion:

The Lost Art of Compassion Lorne Ladner, 2023-12-15 A practical guide to cultivating compassion in those difficult moments of daily life Inspiring for all of us therapists and patients alike Mark Epstein MD author of *Thoughts Without a Thinker* Compassion is often seen as a distant altruistic ideal cultivated by saints or as an unrealistic response of the naively kind hearted Seeing compassion in this way we lose out on experiencing the transformative potential of one of our most neglected inner resources Dr Lorne Ladner rescues compassion from this marginalized idealized place showing how its practical application in our life can be a powerful force in achieving happiness Combining the wisdom of Tibetan Buddhism and Western psychology Ladner presents clear effective practices for cultivating compassion in daily living A realistic manageable approach to dispelling bitterness and anger and replacing it with empathy and patience Publishers Weekly You ve probably noticed you can t make yourself happy Exercising compassion will not only get you through many a traffic jam it will begin building an unshakeable happiness a wonderful book Annie Dillard author of *Pilgrim at Tinker Creek* Includes a foreword by Robert Thurman **The Power of Compassion** Marion Kostanski, 2009-03-26 We entered the 21st Century full of anxiety with the promised threat of a millennium bug that could potentially cripple our lives Since then we have witnessed an increasing level of angst and despair across the world as warnings of climate change and economic hardships have been forecast Wars have raged a new evil has entered our consciousness and the word terrorism has come to the forefront of our lexicon Millions of innocent people have lost their lives Today we are witnessing the ever increasing state of displaced persons being shuffled from makeshift home to makeshift home being locked up in camps and cut off from the rest of society Everywhere around us we hear about increases in depression and mental health disorders among the general population Young people are checking out of the mainstream there are phenomenal increases in the rate of suicide and older people are living out wretched lives isolated and alone Multinational corporations have been accused of extorting vulnerable peoples for economic gain and consumption seems to be our new idol What is becoming of our society How do we make sense of our world The essays in this book provide a compelling insight and reflection into the work of health professionals as they struggle to make sense of their work and the world around them in this new century From exploring the concept of Living Compassion working with the good bad and ugly aspects of our lives and reflecting on practice the authors discuss their ideas on compassion They offer you the reader an opportunity to reflect on your own daily practice and to go forward with a sense of shared humanity *Compassion's COMPASS* Wilson C. Hurley, 2021-09-27 *Compassion's COMPASS* Strategies for Developing Kindness and Insight offers a systematic approach to developing compassionate insight that has been adapted from Tibetan mind training strategies secularized for modern audiences and supplemented with relevant research anecdotes and exercises in accessible language This book contains easy exercises for regaining composure boosting compassionate insight preventing compassion fatigue and maintaining compassion resilience COMPASS is an acronym for Compassion and

Analytical Selective Focus Skills Selective focus skills suggest contemplations that can help to generate and enhance compassionate insight These exercises follow an emotional logic in which one step produces a basis for cultivating the next These skill steps are broken down in detail within each section of the book containing a discussion of the purpose of the skill being presented supporting research for it examples of its use and short exercises for the reader to try in order to cultivate and enhance it These techniques have been piloted with social workers and therapists in training Details of these pilot studies are included along with a handbook for helping professionals in the prevention and healing of compassion fatigue The exercises that are presented in each chapter are also compiled in order for easy use in the handbook in back of the book
