John Stewart Service

Lost Chance In China The World War II Despatches Of John S Service:

Lost Chance in China John Stewart Service, 1974 Note on sources p xxv xxvi

The China Mission: George

Marshall's Unfinished War, 1945-1947 Daniel Kurtz-Phelan, 2018-04-10 An Economist Best Book of 2018 New York Times Book Review Editor's Pick Gripping and splendid An enormous contribution to our understanding of Marshall Washington Post At the end of World War II General George Marshall took on what he thought was a final mission this time not to win a war but to stop one In China conflict between Communists and Nationalists threatened to suck in the United States and escalate into revolution Marshall's charge was to cross the Pacific broker a peace and prevent a Communist takeover all while staving off World War III At first the results seemed miraculous But as they started to come apart Marshall was faced with a wrenching choice one that would alter the course of the Cold War define the US China relationship and spark one of the darkest ever turns in American political life The China Mission offers a gripping close up view of the central figures of the time from Marshall Mao and Chiang Kai shek to Eisenhower Truman and MacArthur as they stood face to face and struggled to make history with consequences and lessons that echo today *America's Cultural Experiment in China, 1942-1949*

Wilma Fairbank, 1976

Women and China's Revolutions Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries how does this change our understanding of what happened This deeply

knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatter uses two key themes to frame her analysis The first is the importance of women's visible and invisible labor The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful

Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China's modern history Special Bibliography Series, 1957

The China Order Fei-Ling Wang, 2017-08-07 Examines the rising power of China and Chinese foreign policy through a revisionist analysis of Chinese civilization What does the rise of China represent and how should the international community respond With a holistic rereading of Chinese longue durée history Fei Ling Wang provides a simple but powerful framework for understanding the nature of persistent and rising Chinese power and its implications for the current global order He argues that the Chinese ideation and tradition of political governance and world order the China Order is based on an imperial state

of Confucian Legalism as historically exemplified by the Qin Han polity Claiming a Mandate of Heaven to unify and govern the whole known world or tianxia all under heaven the China Order dominated Eastern Eurasia as a world empire for more than two millennia until the late nineteenth century Since 1949 the People's Republic of China has been a reincarnated Qin Han polity without the traditional China Order finding itself stuck in the endless struggle against the current world order and the ever changing Chinese society for its regime survival and security Wang also offers new discoveries and assessments about the true golden eras of Chinese civilization explains the great East West divergence between China and Europe and analyzes the China Dream that drives much of current Chinese foreign policy An original important well researched and powerfully argued exploration of the virtues and vices of the Chinese state from its ancient past to its likely future Edward Friedman University of Wisconsin Madison A masterpiece Wang provides a grand sweeping even epic review of two thousand years of Chinese history His argument is compelling and well documented the richness and variety of sources Chinese and English he cites is breathtaking The book is likely to end up on the reading list of every serious student of China's position in the world for many years to come Daniel C Lynch author of China's Futures PRC Elites Debate Economics Politics and Foreign Policy This imaginative and provocative grand tour of Chinese cosmological order and geopolitical strategy past and present is destined to become a classic Ming Xia author of The People's Congresses and Governance in China Toward a Network Mode of Governance

Gold and Iron Fritz Stern, 1979-09-12 Winner of the Lionel Trilling Award Nominated for the National Book Award A major contribution to our understanding of some of the great themes of modern European history the relations between Jews and Germans between economics and politics between banking and diplomacy James Joll The New York Times Book Review I cannot praise this book too highly It is a work of original scholarship both exact and profound It restores a buried chapter of history and penetrates with insight and understanding one of the most disturbing historical problems of modern times Hugh J Trevor Roper London Sunday Times An extraordinary book an invaluable contribution to our understanding of Germany in the second half of the nineteenth century Stanley Hoffman Washington Post Book World One of the most important historical works of the past few decades Golo Mann In many ways this book resembles the great nineteenth century novels The Economist International Information and Cultural Series United States. Dept. of State, 1948

The Nationalist Era in China, 1927-1949 Lloyd E. Eastman, 1991-08-30 In recent years historians of China have focused increased attention on the critical decades of National rule on the mainland This recent scholarship has substantially modified our understanding of the political events of this momentous period shedding light on the character of Nationalist rule and on the sources of the Communist victory in 1949 Yet no existing textbook on modern China presents the events of the period according to these new findings The five essays in this volume were written by leading authorities on the period and they synthesize the new research Drawn from Volume 13 of The Cambridge History of China they represent the most complete and stimulating political history of the period available in the literature The essays selected deal with

Nationalist rule during the Nanking decade the Communist movement from 1927 to 1937 Nationalist rule during the Sino Japanese War the Communist movement during the Sino Japanese war and the Kuomintang Communist struggle from 1945 to 1949 The American Military and the Far East Mary Ann Robinson,1980 **Special Bibliography Series** United States Air Force Academy. Library,1980 *America Views China* Jonathan Goldstein,Jerry Israel,Hilary Conroy,1991 U S historians present 16 essays on the American view of the Chinese from the 18th century to the present Among the perspectives are art commerce missionary activity diplomacy popular culture and a comparison with images of Japan Includes a general bibliography Annotation copyrighted by Book News Inc Portland OR **China, Democracy, and Law**,2021-12-06 This landmark volume deals with such essential questions as What points of departure or resources can be identified in Chinese history and culture for what we call democracy What are and have been their potential for development in a modern China confronted with powerful Western influences Are there any connections between imperial China s strong legal tradition and the PRC s current endeavour to restore the rule of law in a context of legal globalization in which China itself is an important participant How serious or superficial should the political opening which started in the 1980s be regarded and the discourse on human rights currently heard in official circles And finally how relevant is Taiwan s experiment with democratic institutions In this rich and inspiring volume foremost French scholars carefully clarify the process of political and legal change convincingly showing that these questions cannot be answered without a proper understanding of centuries of Chinese juridical philosophical religious and political thought Ouvrage publi avec le soutien du Centre national du livre Published with financial support by the Centre national du livre Madame Chiang Kai-shek Laura Tyson Li,2018-11-20 The first biography of one of the most controversial and fascinating women of the twentieth century Beautiful brilliant and captivating Madame Chiang Kai shek seized unprecedented power during China s long and violent civil war She passionately argued against Chinese Communism in the international arena and influenced decades of Sino American relations and modern Chinese history Raised in one of China s most powerful families and educated at Wellesley College Soong Mayling went on to become wife chief adviser interpreter and propagandist to Nationalist leader Generalissimo Chiang Kai shek She sparred with international leaders like Churchill and Roosevelt and impressed Westerners and Chinese alike with her acumen charm and glamour But she was also decried as a manipulative Dragon Lady and despised for living in American style splendor while Chinese citizens suffered under her husband s brutal oppression The result of years of extensive research in the United States and abroad and written with access to previously classified CIA and diplomatic files Madame Chiang Kai shek objectively evaluates one of the most powerful and fascinating women of the twentieth century Li brilliantly analyzes a fearless and profoundly conflicted woman of extraordinary force Booklist *The Awakening Giant* Harish Kapur,2024-10-28 **The World That Wasn't** Benn Steil,2025-01-21 From the acclaimed economist historian and author of *The Marshall Plan* a timely riveting *The Washington Post* new perspective on the political

career of Henry Wallace one that will forever change how we view the making of US and Soviet foreign policy at the dawn of the Cold War Henry Wallace is the most important and certainly the most fascinating almost president in American history As FDR's third term vice president and a hero to many progressives he lost his place on the 1944 Democratic ticket in a wild open convention resulting in Harry Truman becoming president upon FDR's death Books films and even plays have since portrayed the circumstances surrounding Wallace's defeat as corrupt and the results catastrophic Filmmaker Oliver Stone among others has claimed that Wallace's loss ushered in four decades of devastating and unnecessary Cold War Now based on striking new finds from Russian FBI and other archives Benn Steil's *The World That Wasn't* paints a decidedly less heroic portrait of the man of the events surrounding his fall and of the world that might have been under his presidency Though a brilliant geneticist Henry Wallace was a self-obsessed political figure blind to the manipulations of aides many of whom were Soviet agents and assets From 1933 to 1949 Wallace undertook a series of remarkable interventions abroad each aimed at remaking the world order according to his evolving spiritual blueprint As agriculture secretary he fell under the spell of Russian mystics and used the cover of a plant gathering mission to aid their doomed effort to forge a new theocratic state in Central Asia As vice president he toured a Potemkin Siberian continent guided by undercover Soviet security and intelligence officials who hid labor camps and concealed prisoners He then wrote a book together with an American NKGB journalist source hailing the region's renaissance under Bolshevik leadership In China the Soviets uncovered his private efforts to coax concessions to Moscow from Chiang Kai-shek fueling their ambitions to dominate Manchuria Running for president in 1948 he colluded with Stalin to undermine his government's foreign policy allowing the dictator to edit his most important election speech It was not until 1950 that he began to acknowledge his misapprehensions regarding the Kremlin's aims and conduct Meticulously researched and deftly written *The World That Wasn't* is a spellbinding work that shows how American history and world history could have turned out very differently if just a few things had gone the other way *The Wall Street Journal*

Perceptions of China and White House Decision-Making, 1941-1963 Adam S.R. Bartley, 2019-11-26 This book assesses and evaluates the decision making behavior of United States presidents and their chief advisers from Roosevelt to Kennedy pertaining to China Seeking to dispel with the notion that each administration sought policy outcomes on the basis of a rational decision making model Bartley highlights the contradictions of adopted presidential decision making processes and the nature of domestic politics as playing prejudicial and debilitating roles The book demonstrates that elite decision making processes interacted with assumptions made about Chinese behavior interests and attitudes only superficially and in some cases not at all Misinformation and misperception were the natural outcomes Reinforced by the politics of McCarthyism at home intellectual debate on China policy was squashed parochialism and nuance were shunned and information was closed off Ultimately a divorce between the norm of behavior and the search for rational policy was registered in each administration The net result was a lasting and destructive cognitive dissonance to fit expectations of a China reality

constructed information was ignored overlooked and distorted Offering new insights into the China policies of consecutive administrations from 1941 to 1963 this volume will be of great interest to scholars and students of American foreign policy security studies and international relations **China in Revolution** Mark Selden, 2016-09-16 Originally published in the early 1970s *The Yanan Way in Revolutionary China* has proved to be one of the most significant and enduring books published in the field In this new critical edition of that seminal work Mark Selden revisits the central themes therein and reconsiders them in light of major new theoretical and documentary understandings of the Chinese communist revolution

U.S.- China Educational Exchange Hongshan Li, 2007-12-01 U S China relations became increasingly important and complex in the twentieth century While economic political and military interactions all grew over time the most dramatic expansion took place in educational exchange turning it into the strongest tie between the two nations By the end of the 1940s tens of thousands of Chinese and American students and scholars had crisscrossed the Pacific leaving indelible marks on both societies Although all exchange programs were terminated during the cold war the two nations reemerged as top partners within a decade after the reestablishment of diplomatic relations Approaching U S China relations from a unique and usually overlooked perspective Hongshan Li reveals that both the drastic expansion and complete termination of educational ties between the two nations in the first half of the twentieth century were largely the results of direct and deep intervention from the American and Chinese governments Benefiting from government support and collaboration educational exchange succeeded in diffusing knowledge and improving mutual understanding between the two peoples across the divide of civilizations However the visible hand of government also proved to be most destructive to the development of healthy intercultural relations when educational interactions were treated merely as an instrument for crisis management *Special Bibliography* ,1977

Reviewing **Lost Chance In China The World War Ii Despatches Of John S Service**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
