righteousness a pluralistic democracy led by dharma and drawing sustenance from the wellspring of an eternal Hindu universalism But this shift towards India's Hindu ethos has prompted the Opposition and many allied commentators to fear the rise of a second republic a Hindu Rashtra moored to an implacable ultra nationalist and majoritarian dogma The INDIA bloc has declared the 2024 election as the last opportunity to stop the rise of Modi and his idea of India Evocative anecdotal argumentative and deeply researched Modi and India 2024 and the Battle for Bharat chronicles the emergence of and the battle for a new republic in the making The Challenge of Facework Stella Ting-Toomey,1994-05-24 This book addresses the cross cultural variations in the conceptions of face and facework from a multidisciplinary communication perspective Facework represents one of the most important theoretical concepts available to us in contemporary communication literature as it encompasses a dynamic network of cross cultural social cognitive affective interpersonal interactional and identity issues The book serves a dual purpose to raise issues and to extend some of the current ideas in face and facework research in the cross cultural and interpersonal communication settings and to illuminate some specific directions for future research into the face and facework management process Face and facework are presented in conjunction with phenomena such as politeness request interaction embarrassment conflict business negotiation and international diplomacy Face/On Sharrona Pearl,2017-04-12 Are our identities attached to our faces If so what happens when the face connected to the self is gone forever or replaced In Face On Sharrona Pearl investigates the stakes for changing the face and the changing stakes for the face in both contemporary society and the sciences The first comprehensive cultural study of face transplant surgery Face On reveals our true relationships to faces and facelessness explains the significance we place on facial manipulation and decodes how we understand loss reconstruction and transplantation of the face To achieve this Pearl draws on a vast array of sources bioethical and medical reports newspaper and television coverage performances by pop culture icons hospital records personal interviews films and military files She argues that we are on the cusp of a new ethics in an opportune moment for reframing essentialist ideas about appearance in favor of a more expansive form of interpersonal interaction Accessibly written and respectfully illustrated Face On offers a new perspective on face transplant surgery as a way to consider the self and its representation as constantly present and evolving Highly interdisciplinary this study will appeal to anyone wishing to know more about critical interventions into recent medicine makeover culture and the beauty industry Life Is a Verb , **The Origins of Contemporary Sino-Japanese Relations** Mayumi Itoh,2016-05-19 In this book Mayumi Itoh presents a comprehensive and in depth examination of China's first Premier Zhou Enlai's youth in Japan where he received his enlightenment in Marxism from the Japanese scholar Kawakami Hajime Itoh analyzes primary sources including diaries and letters to reveal the innermost thoughts of young Zhou about how to save China from total destruction by imperial powers and demonstrate how Zhou's time in Japan gave him a profound understanding of the Japanese people and society These formative experiences would become the foundation for post World War II Chinese foreign policy toward

Japan and the origins of contemporary Sino Japanese relations *Flying* Eric Kraft,2009-03-03 Critics have compared him to Proust Pynchon and Fred Astaire an artful slyly intelligent wildly inventive observer of Americana Now Eric Kraft has landed an ambitious comedy set both in our present and in an alternative 1950s universe *Flying* It is the tail end of the 1950s and in the town of Babbington New York a young dreamer named Peter Leroy has set out to build a flying motorcycle using a design ripped from the pages of *Impractical Craftsman* magazine This two wheeled wonder will carry him not only to such faraway places as New Mexico and the Summer Institute in Mathematics Physics and Weaponry but deep into the heart of commercialized American culture and return him to Babbington a hero More than forty years later as Babbington is about to rebuild itself as a theme park commemorating his historic flight Peter must return home to set the record straight and confess that his flight did not match the legend that it inspired Drawing together Eric Kraft's previously published *Taking Off* and *On the Wing* with the brand new final part of the story *Flying Home* *Flying* is a buoyant comedy of remarkable wingspan a hilarious story of hoaxes digressions do it yourself engineering and the wilds of memory and a great satire of magical thinking in America **Hockey Plays and Strategies, 2E** Johnston, Mike,Walter, Ryan,2018 *Hockey Plays and Strategies* features a variety of plays systems and strategies for game play in the offensive neutral and defensive zones Special situations such as the power play penalty kill and face offs are also featured Redemption Song Yema Lucilda Hunter,2012-10-25 War comes to a tiny West African country with tragic consequences for two teenage boys Samu and Emmanuel However in the case of Emmanuel all is certainly not doom and gloom The story of the war and Samu's part in it is interwoven with excerpts from a journal in which Emmanuel recounts his experiences of growing up as well as of the war and its effects on his life **The Mosaics of the Baptistery of Florence** Miklós Boskovits,2007 **Parenting in Stepfamilies** Gladys Lan Tak Lam-Chan,2018-08-13 First published in 1999 this book contains the findings of an exploratory study using in depth interviews on parenting and the dynamics of Hong Kong Chinese stepfamilies The stepfamily is a topic which is in lack of local research in Hong Kong but is an emerging family structure which has increasing need for professional intervention This study began as a result of the researcher's concern about the soaring number of divorces and broken families in Hong Kong and her curiosity to uncover the untold stories of stepfamilies The literature review presentation and thematic analysis of the findings of this study will increase the reader's knowledge and understanding of stepfamilies in contexts which are different from Western societies This book unveils the perceptions and life experiences of the stepmothers social workers and teachers attitudes towards stepfamilies and the parenting behaviours of stepfamilies in Hong Kong The author has reflectively analyzed the complex interplay between the social attitudes cultural stereotyping of stepfamilies influenced by Chinese traditional values aspirations towards marriage and marital relationships parental expectations and parent child relationships ideology and policy issues affecting professional intervention **Ministering Cross-Culturally** Sherwood G. Lingenfelter,Marvin K. Mayers,2003-10 *Ministering Cross Culturally* examines the

significance of the incarnation for effective cross cultural ministry The authors demonstrate that Jesus needed to learn and understand the culture in which he lived before he could undertake his public ministry The ideas in this book have proven to be successful for thousands of ministers and the book is destined to be a resource of choice for years to come Book jacket

Muir, 1986-01-15 Although Calderon's comedy has received rather less attention than the other genres in which he excelled it is widely acknowledged that his comic plays are unrivalled among his contemporaries in terms of plot structure and technical expertise they also explore contemporary issues to an extent which has not been appreciated Love is no Laughing Matter is one of the best in which the dramatist casts a sardonic eye on male chauvinism women's education and social snobbery This is the first complete text of the play to be published since 1650 Spanish text with facing page translation
