Bittersweet Legacy Cynthia Moskowitz Brody,2001 Bittersweet Legacy is a collection of poetry short stories and art inspired by the Holocaust It is a book born of paradox evoking remembrances of the darkest moments known to humankind by utilizing the power and beauty of the creative force The writers and artists represented in this book are individuals who were driven to respond to the extremities that define the Holocaust Some are accomplished in their fields others have created in an attempt to understand and give form to their sorrow and quest for meaning Each voice expresses a singular reprise Together they forge a resounding voice in response to the six million voices that were silenced **The Lost Faces** Roderick Jellema,1979 **John Fante** Stephen Cooper,David M. Fine,1999 Over the span of a half century from the early 1930s to the early 1980s the Italian American Fante 1909 1983 wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down and out days in Los Angeles to his adventures as a screenwriter in Hollywood He writes about all these things with gusto humor directness and an honesty tinged with the irony of a true modernist BOOK JACKET *The Girl from* Vanessa Voth,2018-02-15 In the late 1920s Stalin was determined to turn Russia into a Soviet Paradise For thousands of Russian Mennonites that meant exorbitant taxes arrest forced labour losing their farms and businesses and even losing their lives With their faith in God and little else Nikolai and Kaethe Penner fled for their lives with their toddler Maria praying to find a way to leave Russia alive Later joined by Kaethe s parents and her brother the two families set off on a journey that ultimately took them half way around the world Their faith in God and their love for each other sustained them through the difficult years as they built a community and a life from nothing Years later young Maria falls in love with Jacob a persistent young Mennonite boy despite his lack of faith in God Together they raise their four children before deciding to immigrate to Canada where a whole new life awaits them Based on true events as told by the author s grandmother The Girl from No 6 shows us the resilience of families that have lost everything and must start over It also speaks to the support of an unwavering faith that everything happens for a reason even when it seems the world is crumbling away around you **Iceman** Chris Lynch,2013-03-05 Is Eric as cold as the ice he skates on A fiery tour de force from the author of Inexcusable a National Book Award finalist The other guys on Eric s hockey team call him the Iceman because he s a heartless player cold as ice Only Eric knows the truth he s not cold he s on fire burning with a need he just can t explain Least of all to his family not to his dad whose only joy in life is watching Eric smash other hockey players to a pulp Or his mom who starts every conversation with Your problem is Or even his brother Duane once a star athlete now a

Contemporary American Poetry Lloyd M. Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 Lady Jane Grey Eric Ives, 2011-09-19 Lady Jane Grey is one of the most elusive and tragic characters in English history In July 1553 the death of the childless Edward VI threw the Tudor dynasty into crisis On Edward's instructions his cousin Jane Grey was proclaimed queen only to be ousted 13 days later by his illegitimate half sister Mary and later beheaded In this radical reassessment Eric Ives rejects traditional portraits of Jane both as hapless victim of political intrigue or Protestant martyr Instead he presents her as an accomplished young woman with a fierce personal integrity The result is a compelling dissection by a master historian and storyteller of one of history's most shocking injustices **Here After** Sean Costello, 2014-11-28 Following the death of his ten year old son physician Peter Croft embarks on a desperate seemingly random search for a missing child risking his sanity even his life in a grief induced quest His journey propels him into the darkest reaches of human suffering and pits him squarely against an adversary whose own obsession defies all reason Here After is a story of love loss obsession and redemption with gripping action sequences and a subtle paranormal underpinning A compelling read from a seasoned storyteller Costello's sixth novel will keep you reading deep into the night Here After has been optioned to film by David Hackl director of Saw V *Feasting the Heart* Reynolds Price, 2001-11-07 Ranging from his experiences as a writer to topics of faith and racial intolerance Reynolds Price's stories from National Public Radio's All Things Considered showcase the author's consistent talent for lyrical prose and insightful observations and all those stories are now compiled here in The Feasting Heart In the fall of 1993 Alice Winkler of National Public Radio's Morning Edition asked Reynolds Price to write a short story for a Christmas morning broadcast This assignment would result in NPR's inviting Price to join its varied group of commentators on All Things Considered The laws of radio require a concision that became a welcome new discipline for Price these are all the personal essays which he has broadcast since July 25 1995 Whether recounting events from his past examining the details of his current experience as a writer teacher traveler and general witness of the world Price demonstrates in his direct prose that a writer can instantly connect with his audience He discusses a few predictable topics family the poisonous mysteries of racial intolerance and faith but he also deals with new matters capital punishment Gone With the Wind his adventures while navigating an immensely inaccessible America in a wheelchair and he provides a memorable piece on childlessness Throughout Price never loses sight of the origin of either the word or the spirit of the essay the French word connotes a try an attempt and each piece here is a well formed revealing often amusing and refreshing foray into a moment unlike any we've encountered in other forms from him We're unlikely to read more thought provoking work from a commentator for a great time to come **The Cassandra Complex** Lawrence Murray, 2003 **Immersed in Verse** Allan Wolf, 2009 Contains advice ideas writing activities and encouragement from a working poet for aspiring poets Includes poems by a variety of poets from the unknown to the famous

including Langston Hughes e e cummings Eve Merriam and more The Restoration of the Nativity Church in Bethlehem Claudio Alessandri,2020-01-17 This book is a summary of the main restoration works carried out at the Church of the Nativity in Bethlehem that commenced in September 2013 Work on roof wooden structures wall and floor mosaics internal plasters wooden architraves and painted columns of the naves external wall surfaces and Narthex is all presented in a sequence of reports that accompany the reader up to the final interventions through accurate descriptions of historical and archaeological features initial state of conservation and appropriate techniques of conservation and restoration Topics are treated with the methodological and linguistic rigor specific to each disciplinary sector involved even if in the interest of making reading and comprehension easier it was sometimes preferred to present only significant case studies which are nevertheless representative of groups of wider and more complex problems Through the reading of this work the reader can simply fulfil his desire for knowledge and obtain answers to certain curiosities about the past history of the Church At the same time useful guidelines in dealing with conservation and restoration interventions at historic architectural sites of similar complexity can be found The book is therefore addressed to a generic reader interested in the history and conservation of one of the most representative examples of our heritage but also in light of its technical and scientific value to university students technicians restorers architects structural engineers archaeologists and historians **One Bible, Many Versions** Dave Brunn,2013-03-04 Dave Brunn has been an international Bible translator for many years Here he divulges the inner workings of translation practice to help us sort out the many competing claims for superiority among English Bible translations His professional assessments and conclusions will be a great help to all seeking truth in translation *Emerging Iconographies of Medieval Rome* Annie Montgomery Labatt,2019-10-23 *Emerging Iconographies of Medieval Rome* examines the development of Christian iconographies that had not yet established themselves as canonical images but which were being tried out in various ways in early Christian Rome This book focuses on four different iconographical forms that appeared in Rome during the eighth and ninth centuries the Anastasis the Transfiguration the Maria Regina and the Sickness of Hezekiah all of which were labeled Byzantine by major mid twentieth century scholars The trend has been to readily accede to the pronouncements of those prominent authors subjugating these rich images to a grand narrative that privileges the East and turns Rome into an artistic backwater In this study Annie Montgomery Labatt reacts against traditional scholarship which presents Rome as merely an adjunct of the East It studies medieval images with formal and stylistic analyses in combination with use of the writings of the patristics and early medieval thinkers The experimentation and innovation in the Christian iconographies of Rome in the eighth and ninth centuries provides an affirmation of the artistic vibrancy of Rome in the period before a divided East and West Labatt revisits and revives a lost and forgotten Rome not as a peripheral adjunct of the East but as a center of creativity and artistic innovation **Monumental Names** Galina Oustinova-Stjepanovic,2022-12-30 What stands behind the propensity to remember victims of mass atrocities by their

personal names Grounded in ethnographic and archival research with Last Address and Memorial one of the oldest independent archives of Soviet political repressions in Moscow and a winner of the Nobel Peace Prize the book examines a version of archival activism that is centred on various practices of documentation and commemoration of many dead victims of historical violence in Russia to understand what kind of historicity is produced when a single name is added to an endless list What do acts of accumulation of names of the dead affirm when they are concretised in monuments and performance events The key premise is that multimodal inscriptions of names of the dead entail a political aesthetic and conceptual movement between singularity and multitude that honours each dead name yet conveys the scale of a mass atrocity without reducing it to a number Drawing on anthropology history philosophy and aesthetic theory the book yields a new perspective on the politics of archival and historical justice while it critically engages with the debates on relations and distinctions between names and numbers of the dead monumental art and its political effects law and history image and text the specific one and the infinite many Lippincott's Magazine of Popular Literature and Science ,1878
