Lost Mines And Hidden Treasure

Leland Lovelace

Lost Mines And Hidden Treasure:

Dig Here! Thomas Penfield, 2004 The most amazing treasure book ever written giving the locations of well over 100 fabulous fortunes waiting to be found in the ore rich Southwest Thomas Penfield has done years of exhaustive research for Dig Here and has accomplished the Herculean task of separating fact from fiction For the first time lost treasure stories of the Southwest are stripped bare of their legends and lies Each treasure account is preceded by the approximate location estimated total value and authentication Reading sources for each account are also included so you can do additional research on the intriguing stories of these treasures Dig Here is overflowing with lore spellbinding backgrounds driving Western drama and exciting reliable facts **Lost Mines and Hidden Treasure** Leland LOVELACE (pseud.), 1956 *Lost Mines and Hidden Treasure* Leland Lovelace, 1956 Stories of the historic lost mines and hidden treasures of the Southwest with clues for finding them once again *Nevada* Douglas McDonald, 1981 Recounts authenticated stories of some previously unsupported legends with abundant illustrations **Lost Mines and Hidden Treasure** Lois Lowry, 1956

Southwest Traveler - Lost Mines and Buried Treasure Edward Rochette, 1992-10-01 Throughout the Southwest stories of hidden lost stolen and unreachable gold and other treasures fill curious minds But where are they And what exactly did happen This book not only tells the tales it includes a map to show the way *Camp Fire Tales of Lost Mines and Hidden Treasure (Classic Reprint)* Robert G. Ferguson, 2017-11-21 Excerpt from Camp Fire Tales of Lost Mines and Hidden Treasure In this engrossing collection of tales of lost mines and hidden treasure by Mr Ferguson himself a discoverer of a rich gold placer he was unable to relocate the reader may ask himself how many of these legendary stories are based on fact and not imagination About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Camp Fire Tales of Lost Mines and Hidden Treasure** Robert G Ferguson, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and

relevant *Lost Mines and Buried Treasures of Old Wyoming* W. C. Jameson, 2010 W C Jameson an expert on treasure hunting now turns his attention to Wyoming's lost fortunes With his gift for storytelling he relates intriguing legends and historical accounts of lost gold buried payrolls and hidden strongboxes Jameson takes us on an adventure to the four corners of Wyoming to investigate the Snake River Pothold Gold the Hallelujah Gulch Robbery Loot the Lost Treasure of Big Nose George the Lost Cabin Gold Mine and twelve other action packed tales Jameson has written more than 60 books on treasure hunting and served as an advisor to Walt Disney Productions on the National Treasure movies starring Nicholas Cage An amateur treasure hunter in Texas testified in court that he had found a multi million dollar lost treasure by using only a copy of one of Jameson's books and Google Earth for directions *Camp Fire Tales of Lost Mines and Hidden Treasure* Robert G. Ferguson, 1937 **Lost Mines and Buried Treasures of Arizona** W. C. Jameson, 2010-01-19 Arizona's history is liberally seasoned with legends of lost mines buried treasures and significant deposits of gold and silver The famous Lost Dutchman Mine has lured treasure hunters for over a century into the remote treacherous and reportedly cursed Superstition Mountains east of Phoenix Gold and silver bars discovered in Huachuca Canyon by a soldier stationed at nearby Fort Huachuca just before World War II remain inaccessible despite years of laborious attempts at recovery Outside the town of Yucca bandits eager to make a fast getaway buried a strongbox filled with gold unaware they wouldn't survive the pursuit of a law enforcing posse to recover their plunder And somewhere in the Little Horn Mountains northeast of Yuma lies an elusive wash containing hundreds of odd gold filled rocks Selected from hundreds of tales passed down from generation to generation since the days of the gold seeking Spanish explorers the tales included here are among the most compelling that Arizona has to offer *Texas Tales of Lost Mines and Buried Treasures* Carlos Savoy, 2001 Amazing stories of lost and hidden outlaw loot Spanish gold and silver mines buried Indian treasure lost pirate booty and legendary treasures have lured searchers for generations And most serious treasure hunters agree that Texas is the richest source of some of the world's most fascinating and compelling history regarding such stories This book represents the largest collection of in depth research on the legends and folktales concerning lost mines and buried treasure in the state of Texas *Out of the Dust* Stephen B. Shaffer, 2005 **Western Treasures Notebook of Lost Mines and Buried Treasure** Jack Black, 1966 *Lost Mines and Treasure Tales of New England* Ivan Herring, 2018-05-04 This book contains 127 stories of Lost Mines and Treasures in New England covering the States of Connecticut Maine Massachusetts New Hampshire New York Rhode Island and Vermont Many of the stories concern treasure hunters buried by the French British Indians and Colonial settlers during the many wars that rocked the area in the 18th and 19th centuries I have also included a few stories from early newspapers on the Treasure of Oak Island which discuss the early history of the site It seems that interest has been revived in the area by a Television Show which has run for five seasons seeking the treasure believed to be there At the end of 2017 they actually found a piece of 16th century jewelry containing a faceted Rhodonite Garnet and a lead cross and a few pieces of hardware I

found the data for this book while doing research on old mines for my series of books Mines of the American West The Lost Mines and Treasures were identified from articles in early American newspapers and other sources considered reliable Where possible for those lost treasures still to be found I have tried to tie them to modern mines or areas and include some background data on such areas In doing this some of them seemed to fall short in the area of fact and logic The reader should understand that this is a collection of data from old and new publications and not a focused specifically on the effort to find the specific properties although some research especially from a logic standpoint has been done If the reader can glean critical information from these original articles and the limited research that allows or helps him or her to locate a lost mine or lost treasure I wish him or her well and leave it to them to reap the rewards The print version of this book has been produced in the 8 1/2 X 11 format to keep the price low If done in 6 X 9 or smaller the book would be 2 or 3 times as many pages in length and would cost substantially more to increased on demand print costs These seem to be heavily influenced by the total number of pages While this may be one of the seeming drawbacks to on demand printing the benefit of on demand printing is that specialty books such as this are now practical to publish where the target market may be relatively small and minimal returns to the author are acceptable

Following the Legends Dale R. Bascom,2007 Utah s history is overflowing with legends for the past 25 years Dale Bascom has been collecting stories maps and documentation about Utah s legends In Following the Legends he attempts to draw the line between fact and fiction in the quest for treasure and adventure with the assistance of modern technology GPS equipment and mapping software the search for treasure takes on a whole new meaning Following the Legends combines old rumors with new tools to shed light on Utah s rich history This compilation of legends true stories expert advice and practical wisdom is ideal for both the curious and the adventurous alike Oklahoma Treasures and Treasure Tales Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure

Lost Mines and Buried Treasures of the Civil War W. C. Jameson,2013-03-01 To a professional treasure hunter the era of the Civil War is attractive in a number of ways For one thing many of the lost or cached military payrolls are documented so the fortune at the end of the search remains a real one as opposed to a folklorical or mythical one The truth is there are millions of dollars worth of such payrolls waiting to be discovered Further recovered artifacts associated with both the Union and Confederate armies can sometimes yield impressively high values among collectors Recovered weapons caches find a viable market Most tales of lost mines and buried treasures are steeped in history and or lore The added element of the fascinating era of the Civil War adds a particular level of interest and excitement to the quest For the first time an exhaustively researched collection of some of the most notable lost treasures of the Civil War is presented in this book Lost Mines of the Old West Howard D. Clark,2018-04-03 AUTHENTIC STORY OF THE PEGLEG AND 21 OTHER STORIES OF FABULOUS LOST MINES Author Howard D Clark a Kansas native had an extensive career in journalism with appointments including managing editor for the Farm Press Publications of Chicago Illinois staff writer for a number of

business papers and statistical and analytical specialist for other periodicals and concerns This background plus extensive travel on the Pacific Coast fitted him particularly well to undertake the writing of this book Lost mine legends make up a large section of Western folklore In this collection he has made a sincere effort to present only the most important and best authenticated of them all He has also had the invaluable assistance of Ray Hetherington an unquestioned authority in the field of Western Americana Much of the source material used herein was collected by Mr Hetherington through thirty years of extensive research First published in 1946 this collection of lost mine legends is considered among the most complete and factual of any ever assembled *Lost Mines and Buried Treasures of the West* Thomas Probert, 1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket
