The Lost Pyramids of Rock Lake Frank Joseph, 2002 [The Lost Civilization Enigma](#) Philip Coppens, 2012-10-22 An examination of archaeological controversies with arguments showing evidence of prehistoric civilizations not recorded as part of human history Are history books giving us the whole story Or is civilization far more complex and older than we have been taught Our school textbooks barely mention the 6 000 year old Sumerian civilization yet the latest archaeological findings at sites such as Jericho and most recently Gobekli Tepe in Turkey have been dated to 10 000 BC Civilization goes back at least another 10 000 years if we are willing to believe what our ancestors themselves claimed The Lost Civilization Enigma reveals the truth about Lost magnitudes to known cultures such as the Bosnian Pyramids and the civilization of Old Europe The fabled lost golden cities of South America and the Amazon which are slowly being rediscovered Fascinating examples of lost technology such as the Antikythera Device Atlantis and the fact that it was a real civilization Analyzing the historical and archaeological record best selling author Philip Coppens demonstrates that there is substantial evidence that civilization is far older far more advanced and far more special than is currently accepted Clearly our history books have left out a great deal [Lost City, Found Pyramid](#) Jeb J. North America's first civilization the Adena was sparked by ancient Kelts from Western Europe and explores links between Hopewell Mound Builders and prehistoric Japanese seafarers Before Rome ruled the Classical World gleaming stone pyramids stood amid smoking iron foundries from North America's Atlantic seaboard to the Mississippi River On its east bank across from today's St Louis Missouri flourished a walled city more populous than London was one thousand years ago with a pyramid larger at its base than Egypt's Great Pyramid During the 12th century hydraulic engineers laid out a massive irrigation network spanning the American Southwest that if laid end to end would stretch from Phoenix Arizona to the Canadian border On a scale to match they built a five mile wide dam from ten million cubic yards of rock While Europe stumbled through the Dark Ages a metropolis of weirdly shaped multistory superstructures precisely aligned to the sun and moon sprawled across the New Mexico Desert Who was responsible for such colossal achievements Where did their mysterious builders come from and what became of them These are some of the questions investigated by Frank Joseph in his examination of ancient influences at work on our continent He reveals that modern civilization is not the first to arise in North America but was preceded instead by four high cultures that rose and fell over the past three thousand years the Adena Hopewell Mississippian and Anasazi Hohokam How they achieved greatness and why they vanished so completely are the intriguing enigmas explored by this unconventional prehistory of our country

Advanced Civilizations of Prehistoric America The Ancient American, 1993 *The Lost Continent of Pan* Susan B. Martinez, 2016-12-15 Reveals the Pacific Ur culture that seeded the ancient civilizations of China Egypt India Mexico and Peru Shows how the Pan diaspora explains the similarities between Gobekli Tepe and Toltec carvings and stone towers in Japan and on Easter Island Reveals the mother tongue of Pan hidden in shared word roots in vastly different languages including Quechua Sanskrit Japanese Greek and Sumerian Explains the red haired Caucasian mummies of China the Ainu of Japan the presence of white humans in early Native American legend and other light skinned peoples found in Southeast Asia and the Middle East The destruction of the vast continent of Pan also known as Lemuria or Mu in the Pacific Ocean 24 000 years ago was the greatest catastrophe that ever befell humanity Yet it resulted in a prehistoric Golden Age of arts and technology thanks to the Sons of Noah who forewarned and prepared for the disaster escaped in 5 organized fleets Theirs was the masterful Ur culture that seeded China Egypt India Mexico and Peru explaining the sudden injection of the same advanced knowledge and sophisticated arts into those widely separated lands Examining the diaspora from the sunken continent of Pan Susan B Martinez finds traces of the oceanic Pan civilization in arts and technologies from canal works masonry and agriculture to writing weaving and pottery but most importantly in the art of navigation the hallmark of the survivors of the catastrophe Using archaeo linguistic analysis she reveals the mother tongue of Pan hidden in strikingly similar words for royalty deities and important places in vastly different languages including Quechua Maori Sanskrit Japanese Chinese Greek and Sumerian as well as English through the prefix pan which denotes all encompassing The author reveals how the Pan diaspora explains the mound builders

on each continent the presence of white humans in Native American legend the red haired mummies found in China and the Ainu of Japan She shares recent genetic studies that reveal Polynesian DNA in central Europeans Mesopotamians South Americans and the 9000 year old Kennewick man and shows how Pan provides the missing link She reveals why carvings at Gobekli Tepe are similar to Toltec artistry why stone towers in Japan and Easter Island are identical and how the Pacific Ring of Fire was activated Moving the Garden of Eden from the Fertile Crescent to the South Seas Martinez strikes down the pervasive view of Atlantis as the source of ancient knowledge and exposes the original unity of mankind on the ancient Pacific continent of Pan

Escape from the Nineteenth Century Peter Lamborn Wilson,1998 Literary Nonfiction **ESCAPE FROM THE NINETEENTH CENTURY** is a group of essays by cultural critic Peter Lamborn Wilson and tackles the notion of modern progress Did the Nineteenth Century ever come to an end Was the Twentieth Century just a rerun And what about the Twenty First Century the New Millennium Another lackluster confirmation of the Eternal Return Another garden of secondhand time If to know History as tragedy is to escape its repetition as farce then perhaps we need to look more deeply at this Past that won t stop haunting us Two illuminated madmen Charles Fourier and Friedrich Nietzsche and two too sane geniuses J P Proudhon and Karl Marx are enlisted in the breakout plan

Maps of the Ancient Sea Kings Charles H. Hapgood,1966 Hapgood utilizes ancient maps as concrete evidence of an advanced worldwide civilization existing many thousands of years before ancient Egypt Hapgood concluded that these ancient mapmakers were in some ways much more advanced in mapmaking than any people prior to the 18th century Hapgood believes that they mapped all the continents This would mean that the Americas were mapped thousands of years before Columbus Antarctica would have been mapped when its coasts were free of ice Hapgood supposes that there is evidence that these people must have lived when the Ice Age had not yet ended in the Northern Hemisphere and when Alaska was still connected with Siberia by the Pleistocene Ice Age land bridge
