Lost Trails:

Lost Trails Bonnie R. Paulson, 2025-08-01 She refuses to believe in love He's never wanted anything so bad Hannah can't believe she's lost so much in her short life First losing her parents then her sister in law who she was close to and then finally her brother broke any dreams Hannah had of ever finding happiness Watching as each member of the Montana Trails found happy ever after at first made her want to find it too She looked She tried But no matter what she did man after man passed her by over the years Maybe they sensed she didn't really believe in love No matter Hannah is convinced there's no one out there for her So she decides to make plans for her future that don't involve a man or anyone else Until Zander enters the picture What Hannah doesn't know is that Zander knows Nate the oldest Montana Trail cousin A regular at the local watering hole on the east side of Montana multiple drunken nights and an affinity for listening earned Zander the rare opportunity to hear about the Trails and the intrepid Hannah The stories of her persistence with regards to searching for Nate impressed Zander Tales of the large Montana Trails family warmed something inside his heart He knows Hannah and the family are meant to be his He has to take a chance to meet Nate's littlest sister A woman like that She is worth more than any ranch any land any gold He puts everything on the line to claim her even her trust Will he be able to win her heart Or will they continue to live life without any chance of finding what they're searching for Are they destined to be lost forever
