*The Weapon* Michael Z. Williamson,2005-08-01 Mission Sabotage a Planet Survival Not Guaranteed Kenneth Chinran was  
a disaffected youth who joined the military and was recruited for an elite deep cover unit surviving training and exercises so  
tough that several of the recruits did not survive At the peak of his career he was sent by his star nation to infiltrate a  
fascistic militaristic planet Earth He lived in deep cover for years marrying and having a daughter Then the Earth forces  
attacked his home system and he and his team came out of hiding attacking and destroying the infrastructure of the crowded  
planet disabling transportation and communications and creating terror in city after city As a result of his attacks billions  
died for lack of the food water and power which the ravaged system could no longer supply His sabotage was successful but  
the deaths of so many weighed heavily on his mind making him wonder if he was still sane Then the secret police discovered  
his identity With his daughter the only thing in his life that had so far kept him human he was on the run while the resources  
of a planetwide police state were tracking him down He could see no way to escape from the planet no way to keep hiding  
and if he and his daughter were caught death was the very least that they could expect But Chinran is a warrior in his soul  
and even if he loses this last battle he won't go down without a fight that his pursuers the ones who survive will never forget
