Love Poems for Anxious People John Kenney, 2020-04-21 In the spirit of his New York Times bestseller *Love Poems for Married People* and *Love Poems for People with Children* as well as his wildly popular New Yorker pieces Thurber Prize winner John Kenney presents a hilarious new collection of poetry for anxious people With the same brilliant wit and hilarious realism that made *Love Poems for Married People* and *Love Poems for People with Children* such hits John Kenney is back with a brand new collection of poems this time taking on one of the most common feelings in our day and age anxiety Kenney covers it all from awkward social interactions and insomnia to nervous ticks and writing and rewriting that email [Love Poems for Married People](#) John Kenney, 2018-12-31 NEW YORK TIMES BESTSELLER Based on his wildly popular New Yorker piece Thurber Prize winner John Kenney presents a hilarious collection of love poems for well married people Full of brilliant wit dynamic energy and a heavy dose of reality *Love Poems for Married People* takes the poetic form turns it upside down and leaves it in the dishwasher to dry Inspired by one of the most shared New Yorker pieces of all time this collection captures the reality of life once the spark of a relationship has settled and hilariously so With brand new pieces that cover all areas of married life from parental gripes to dwindling sex lives Kenney's wry observations and sharp humor remind us exactly what it's like to spend the rest of your life with the person you love I was almost feeling fondness for you As you gave me a shoulder massage at the sink What a small lovely surprise And then you grabbed my boobs and made a wha wha noise In an instant I felt disgust and sadness and regret *On the Way to Here* Phil Small, 2017-10-23 This book covers a great deal of ground spiritually philosophically and emotionally The subject matter is often weighty yet it doesn't feel like that at all no small feat when discussing the origins and cycles of life birth and death and everything in between Moving from the particular to the universal to that place where we are all one the author uses moments from his life experience to help us better understand and appreciate our own journey Often in an understated manner he points out that just below the surface of the ordinary lies this other world where the truly meaningful and abiding realities of our lives frequently go unnoticed He gently turns over the stones on our paths looking for the meaning hidden underneath often finding real gems You will meet yourself more than once in these pages [Love Poems](#) Lois Wyse, 1996 A compilation of two of Wyse's well known volumes of poetry **Arabic and Hebrew Love Poems in Al-Andalus** Shari Lowin, 2013-11-20 *Arabic and Hebrew Love Poems in al Andalus* investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that

the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain
