The author saw it reasonable to put together a collection of poems to change the world and for us to breathe and have fun. We owe ourselves to be the best no matter how many times we fall. These poems are related to nature, love, bitterness, and religion. Some are also humorous. We need to know that it doesn't matter what our downfalls are. Our smile plays an integral part in our success, both mentally and physically. With this in mind, this special book was designed to warm the hearts of many people. The author hopes that as each reader reads it, it may bring comfort to their hearts. *I am Your Minister* Nancy, 18/34/2020/2024

Good to Eat David Atherton, 2021-05-27 One of the Food Programme's Cookbooks of the Year 2021. The recipes are nourishing, so full of goodness, so tasty, and a joy to cook and eat, and I have cooked a lot from it. Leyla Kazim: Good to eat recipes indeed, as well as lots of things which are good to know. David wears his knowledge lightly about the science and nutrition of food so that the focus can remain on making the food delicious. It's all there though for those who want the why's as well as the yums. Yotam Ottolenghi: Revitalise your diet and feel well-fed at the same time. Dan Lepard: Good to Eat is full of tasty morsels of both knowledge and recipes that you and all your gut microbes will love. A fantastic book. Tim Spector: A great number of books have been written by Bake Off winners, and David Atherton's is one of the best. Delicious Magazine: 100 fresh, healthy, pescatarian recipes. People often think that healthy eating means restricting foods or counting calories. But for me, this form of healthy eating was not sustainable. Plus, it was dull. I hated cutting out the food I loved best: bread, cake, pizza, Yorkshire puddings. That realisation changed how I approached food. Food should be healthy, but so should our relationship with food. So instead of depriving myself of my favourite dishes, I found new, easy ways to make them better for me. David Atherton: *GOOD TO EAT* is a book that indulges our craving for baked goods, filling foods, and sustaining meals but leaves us feeling good. With a few simple tweaks like using root veg to minimise the use of sugar or trying a plant-based alternative, you can enjoy what you love to eat while nourishing your body. Food is one of the longest relationships of our lives.
