Love Is No Mystery:

Love's Sacrifice George William Lovell, 1847 **How to Be Love(d)** Humble the Poet, 2022-12-27 The last book on love you'll ever need Explore simple truths for going easier on yourself embracing imperfections and loving your way to a better life through insightful stories and down to earth advice from artist and international best selling author of Unlearn Humble The Poet We all want love everything we do is in pursuit of that love but that journey has gotten difficult and complicated We're programmed to seek love outside of ourselves and we're trained to love as something to earn or a destination to reach that programming blinds us to the simple truth that we are beautiful eternal sources of love and to BE LOVED is to BE LOVE This book is a guide to self love that helps to clear the blockages on your path inward towards love and throw away old ideas that prevent us from realizing the love we've always had Clear away the misguided notion that you must be ENOUGH before you are worthy of love you are worthy Clear away the expectations for love you have learned from the media love is messy and real not happily ever after Clear away your lack of self awareness see yourself for who you truly are Instead of earning more achieving more and gaining more attention what we really need to do is clear pathways and make room for love to enter be realized and flourish Whether we're talking about love for ourselves or love for everyone and everything **God as**
