Landrum, 2007-11-01 A self help work on the inhibiting inner fears that either motivate or debilitate As a pundit once said Hesitate and you are lost Why do most people hesitate Fear The fear of not being good enough or the fear that comes from thinking too much We are afraid of those things we don't understand but the true visionaries jump right into those fears and they magically disappear Fear was the fuel of the passions of Elvis In the case of director Steven Spielberg he had a deep seated fear of the dark The only time he wasn't afraid when in a theater where he escaped into the fantasy of make believe What did that have to do with his accumulating two billion dollars Plenty As he told the media when he was in his twenties he would get sort of nauseous stage fright and his insecurities were the fuel for his stories With examples ranging from Judy

Garland to Bob Dylan Madonna to Jack Nicholson this book shows how fear can be the catalyst for ending up in the penthouse or the poorhouse depending on how we deal with it
