and higher consciousness introduces themes he was to expand on in his later writings Poetic Values a series of lectures published in 1925 speaks of the common need for self enlightenment Drawing on sources ranging from the Upanishads to psychology textbooks Neihardt argues that poetry can provide a balanced philosophy to live by in bridging the gap between Western materialism and Eastern otherworldliness Poetry links the objective with the subjective the real with the imaginary and for the reader of Poetic Values as for the heroine of The Divine Enchantment the highest self enlightenment comes with self forgetfulness Blair Whitney writes that in comparing these two works one can see Neihardt s strong consistent development from a boy who loved words and had big dreams to a mature poet who found ways to realize his ideals and to communicate them to a large audience of readers
