The Purity of Generosity James A. Rousseau Jr.,2020-10-09 If we are looking for a reason to prove why we exist if we are looking for a real purpose in our lives maybe we should ask God to Please use us in some way to be of a help to those in need Could it be that as people lift their discouraged voices to God to send someone to help them that God is hearing their prayers answering them and sending you to be used by God to meet their financial needs We each have a purpose in life This could be yours Many Christians really do want their lives to bring glory to God before they depart this world and go to heaven They are very grateful for all that God has given to them They want their very short journey in this world to count for God to glorify God and be of benefit to others The words of missionary Jim Elliott rings loud and true in their hearts when he said He is no fool to give what he cannot keep in order to gain what he cannot lose Their daily prayer to God is that He would use their lives in some way to bring glory to Himself and benefit to those in great need Maybe their banner verse comes from Matthew 5 16 which says Let your light so shine before men that they may see your good works and glorify your father in heaven If this is the sort of person you would like to be then this story is about you It s about everyone who really truly deep in their hearts want to be used by God to help others in their time of need
