*James Fletcher-Watson's Watercolour Secrets* James Fletcher-Watson,2002-10-15 All the essential skills for successful painting are beautifully illustrated and described by one of the inspirational watercolour painters working today James Fletcher Watson inspires all enthusiasts with his translucent washes dramatic skies atmospheric mountain scenes and skill in capturing the true spirit of a place While focusing on individual elements including skies trees country cottages town houses mountains water people and animals each chapter offers advice on putting them all together in stunning landscapes and townscapes Along with information on choosing brushes paper and colours there is a helpful section on composition Paintings are used to demonstrate how to build up texture and detail the subtle mixing of colours to produce shadows and reflections and how to introduce distance and perspective into a scene Moving from brooding hills and lakeland scenes to the charm of country lanes and the grandeur of Venice and Florence the book illustrates exactly what you need to know to make a successful painting This revision and reworking of *Secrets of Watercolour* takes the best of James Fletcher Watson s earlier work and combines it with his masterly work of recent years **The Magic of Fashion** Brian Moeran,2016-06-16 Drawing

on 20 years of ethnographic fieldwork and anthropological theory anthropologist Brian Moeran argues that fashion magazines are able to cast a spell over their readers by using practices and rituals found in age old magical and religious rites *Picturing Russia's Men* Allison Leigh,2020-09-17 Winner of the Heldt Prize for Best Book in Slavic East European and Eurasian Women s and Gender Studies 2021 There was a discontent among Russian men in the nineteenth century that

sometimes did not stem from poverty loss or the threat of war but instead arose from trying to negotiate the paradoxical prescriptions for masculinity which characterized the era *Picturing Russia's Men* takes a vital new approach to this topic within masculinity and art historical studies by investigating the dissatisfaction that developed from the breakdown in prevailing conceptions of manhood outside of the usual Western European and American contexts By exploring how Russian painters depicted gender norms as they were evolving over the course of the century each chapter shows how artworks provide unique insight into not only those qualities that were supposed to predominate but actually did in lived practice Drawing on a wide variety of source material including previously untranslated letters journals and contemporary criticism the book explores the deep structures of masculinity to reveal the conflicting desires and aspirations of men in the period In so doing readers are introduced to Russian artists such as Karl Briullov Pavel Fedotov Alexander Ivanov Ivan Kramskoi and Ilya Repin all of whom produced masterpieces of realist art in dialogue with paintings made in Western European artistic centers The result is a more culturally discursive account of art making in the nineteenth century one that challenges some of the enduring myths of masculinity and provides a fresh interpretive history of what constitutes modernism in the history of art
