The Salisbury Magna Carta, 1989* *Ladies of Magna Carta* Sharon Bennett Connolly, 2020-05-30 An innovative take on Magna Carta history that examines the impact and influence of women 39 No man shall be taken imprisoned outlawed banished or in any way destroyed nor will we proceed against or prosecute him except by the lawful judgment of his peers or by the law of the land This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose the wife of one of King John's barons Matilda was not the only woman who influenced or was influenced by the 1215 Charter of Liberties now known as Magna Carta Women from many of the great families of England were affected by the far reaching legacy of Magna Carta from their experiences in the civil war and as hostages to calling on its use to protect their property and rights as widows Ladies of Magna Carta looks into the relationships through marriage and blood of the various noble families and how they were affected by the Barons Wars Magna Carta and its aftermath the bonds that were formed and those that were broken Including the royal families of England and Scotland the Marshals the Warennes the Braoses and more Ladies of Magna Carta focuses on the roles played by the women of the great families whose influences and experiences have reached far beyond the thirteenth century *Gothic Romanticism* Tom Duggett, 2022-06-03 Gothic Romanticism Wordsworth Architecture Politics Form offers a revisionist account of both Wordsworth and the politics of antiquarianism in the late eighteenth and early nineteenth centuries As a historically driven study that develops a significant critique and revision of genre and theory based approaches to the Gothic it covers many key works by Wordsworth and his fellow Lake Poets Samuel Taylor Coleridge and Robert Southey The second edition incorporates new materials that develop the argument in new directions opened up by changes in the field over the last decade The book also provides a sustained reflection upon Romantic conservatism including the political thought and lasting influence of Edmund Burke New material places the book in wider and longer context of the political and historical forms seen developing in Wordsworth and proposes Gothic Romanticism as the alternative line of cultural development to Victorian Medievalism **Gothic Romanticism** T. Duggett, 2010-05-24 Gothic Romanticism winner of the 2010 MLA Prize for Independent Scholars is a study of the relationship between British Romanticism and the Gothic Revival Reading a wide range of canonical and rare texts and spanning the Romantic discourses of architecture politics and literary form the book recovers the collaborative project of Wordsworth Coleridge and Southey for a purified Gothic poetry and a second Gothic culture **Magna Carta, Religion and**

the Rule of Law Robin Griffith-Jones, Mark Hill, QC, 2015-04-23 Archbishop Stephen Langton hoped with Magna Carta to realise an Old Testament covenantal kingship in England At the Charter's 800th anniversary distinguished jurists theologians and historians from five faith traditions and three continents ask how Magna Carta's biblical foundations have mattered and still matter now A Lord Chief Justice a Chief Rabbi a Grand Mufti of Egypt specialists in eight centuries of law scholars and advocates committed to the rule of law and to the place of religion in public life all come together in this testimony to Magna Carta's iconic power We follow the Charter's story in the religious life of the UK America and now Continental Europe and reflections on religious legal traditions far from the Common Law enrich the story Magna Carta Religion and the Rule of Law invites all religions to ask what contribution they themselves should make to the rule of law in today's secular democratic polities

Affect and Belonging in Political Uses of the Past David Farrell-Banks, 2022-09-29 Affect and Belonging in Political Uses of the Past examines key political events of the past decade to analyse the relationship between the representation of certain pasts in official heritage settings and the use of the same pasts in political discourse Drawing on data gathered from museums heritage sites news articles political speeches manifestos and through digital media such as Twitter Farrell Banks demonstrates how a connection with a shared past can move people emotionally and give them the confidence to engage in political action The book considers how heritage and the past moves in time and space examining how it shapes political beliefs and action in the present The work is a timely intervention calling attention to the political responsibilities that come with heritage work when these same languages of heritage are adopted to promote a politics of division Introducing the concept of the moving moment a framework by which to research and understand uses of the past the book demonstrates how the past becomes a potent political tool Combining critical heritage studies critical discourse memory studies and political theory the book demonstrates new approaches to interdisciplinary studies within heritage Affect and Belonging in Political Uses of the Past will thus be essential reading for academics and students engaged in the study of heritage memory politics history and media

nation s crown is its Anglican cathedrals Many constructed after the invasion of 1066 stand as monuments to the determination and commitment of their Norman builders Others have been built in later centuries while some started life as parish churches and were subsequently raised to cathedral status Places of wonder and beauty they symbolize the Christian life of the nation and are more visited today than ever as places which represent England s religious creed heritage and the skills of their builders Eight hundred years later came the Victorians who pioneered the Industrial Revolution and created railways Like their Norman predecessors they built to last and the railway system bequeathed to later generations has endured in much the same form as when originally constructed There is little sign that railways will be displaced by other modes of transport anyway in the foreseeable future Combining a study of thirty three English cathedrals and the railway systems which allow them to be reached the author seeks to celebrate these two magnificent institutions In the process he hopes to encourage others to travel the same journeys as he himself has undertaken As seen in The Church Times and

Worcester News *Reification and Representation* Graham Cairns, 2018-08-15 The relationship between politics and the public relations industry is controversial and at times polemic However one component of this relationship that has yet to be investigated is the role of architecture Arguing for a fundamental reconfiguration of our understanding of political architecture this book suggests it is not only a question of constructed buildings but equally a case of mediated imagery Considered through examples of architecture as a backdrop for photo shoots by politicians in the democracies of the United States and the United Kingdom this book suggests these images give us both a better understanding of recent developments in the Western political economy and the architectural and urban developments of the late 20th and early 21st Centuries Using case studies of Margaret Thatcher Tony Blair David Cameron Barack Obama George W Bush and Donald Trump this book represents a ground breaking triangular analysis that will be essential reading for scholars in architecture politics media and communication studies **The Wiltshire Archaeological and Natural History Magazine** Edward Hungerford Goddard, 1939 Includes proceedings of the annual general meetings of the Wiltshire Archaeological and Natural History Society **John Locke's Political Philosophy and the Hebrew Bible** Yechiel M.
