The Antichrist and the Second Coming Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years

The Church of the Beyond, vol. 1: The Gospel of the

Kingdom Benjamin Hoogterp,2012-01-11 Then they will deliver you to tribulation and will kill you and you will be hated by all nations because of My name At that time many will fall away and will betray one another and hate one another Many false prophets will arise and will mislead many Because lawlessness is increased most people s love will grow cold But the one who endures to the end he will be saved This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations and then the end will come Matthew 24 9 14 There is coming a day burning hot like an oven that will not relent It will divide and separate the wheat from the chaff and provoke Israel to jealousy In that day one will say to the other let us return unto the Lord for perhaps He may still have pity upon us To all who would hear it is time that judgement begin at the House of the Lord and to declare the Kingdom of God is at hand **American Christians and Islam** Thomas S. Kidd,2018-06-05

In the wake of the September 11 terrorist attacks many of America s Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world s Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today s evangelicals have deep roots in American history Tracing Islam s role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation s founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America s immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals unwillingness to acknowledge Islam s theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world American Christians and Islam is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today

Rise of the Assyrian Russell Redden,2012-04-14 This book is a comprehensive analysis of Biblical prophecy in light of Scriptures ignored by many teachers of Eschatology today Isaiah Jeremiah Ezekiel and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon modern day Iraq This book presents Biblical evidence that the Antichrist will rise from this land and temporarily establish a new Islamic empire in the Middle East This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea the West Bank according to Bible prophecy Learn how the predicted outcome of the Israeli Palestinian dispute of the holy land perfectly reflects unique events of modern history including the rise of radical Islam

Third edition **Hope in the Last Days** Dave Williams,2017-05-02 Understand how ancient biblical prophecies are coming

to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ **The**

Revelation Commentary Dennis James Woods,2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn't need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It's the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that's wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come **Ezekiel and Eschatological Violence** Alicia R. Jackson,2025-01-07 This monograph explores the topic of

eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence **Narrative of the Last Days** Theodosius Katzir,2015-05-28 The chronology of

prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Paul's epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming

Gog's war against Israel and how GOD defends his chosen people You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation And finally you will feel the drama of the return of Jesus King of kings and Lord of lords The Antichrist and the Second Coming , **A Prophecy of Empire** Christopher J. Bonura, 2025 The Apocalypse of Pseudo Methodius was one of the medieval world's most popular and widely translated texts Composed in Syriac in Mesopotamia in the seventh century this supposed revelation presented a new salvific role for the Roman Empire whose last emperor it prophesied would help bring about the end of the ages In this first book length study of Pseudo Methodius Christopher J Bonura uncovers the under appreciated Syriac origins of this apocalyptic tract revealing it as a remarkable response to political realities faced by Christians living under a new Islamic regime Tracing the spread of Pseudo Methodius from the early medieval Mediterranean to its dissemination via the printing presses of early modern Europe Bonura then demonstrates how different cultures used this new vision of empire's role in the end times to reconfigure their own realities The book also features a new complete and annotated English translation of the Syriac text of Pseudo Methodius *Death Is at Your Door Are You Ready?* Randy Thomas, 2007-08-01 If only death were that simple wouldn't we all live differently if we knew exactly when death would come knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death's visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope *The End... Prophetic Insights into the Last Days* Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days **Hear Ye, Hear Ye** Conor Ward, 2021-10-28 This book is aimed primarily at Catholics but has much to offer any Christian who is prepared to approach it with an open mind For such a person it offers an interesting and unique insight into a Catholic perspective on the times we are living in It is a call for a radical reappraisal of what it means to be a mainstream Catholic It is the considered view of the author that the Catholic Church particularly in the Western world has grown lukewarm and is in need of radical reformation a true and genuine reformation from within The people of God have largely lost sight of what it really means to be a follower of Christ and many of the shepherds of the flock are themselves in need of radical renewal Jesus said I have come to cast fire upon the earth and how I wish it were already kindled Luke 12:49 Mostly one does not see that fire in Catholics when we gather together to worship and pray This book represents a sincere

attempt to help rekindle that fire Any criticism of the Church is to be taken in that context Among the most radical assertions in this book is the assertion that mainstream Catholicism urgently needs to reclaim the Christ given power to cast out demons and lay hands on the sick and heal them and the Holy Spirit gift of tongues according to the words of Jesus These are the signs that will accompany those who believe in Me In My name they will cast out demons they will have the gift of tongues they will lay hands on the sick and they will recover Mark 16 17 18 Readers are urged to pay particular attention to the chapters which deal specifically with these issues Equally radical within Catholic circles is the strong suggestion based on Scripture that the second coming of Jesus is imminent perhaps even in this generation and that we are already living through the beginning of the end times the beginning of birth pangs Matthew 24 8 It is a cause for deep concern that the institutional Catholic Church appears to be sleepwalking into what Jesus declared would be the greatest tribulation the world would ever see Matthew 24 21 The chapters on Daniel and the Last Days and The Book of Revelation are particularly relevant for those with a keen interest in the second coming It is absolutely vital that all Christians be properly informed and knowledgeable on end times matters lest they be led astray by false Christs and false prophets Matthew 24 24 Remember the warning from Scripture My people perish from lack of knowledge Hosea 4 6 In addition to the above themes this book seeks to set out in simple easy to follow chronological narrative the story of God s relationship with mankind from the fall of Lucifer right down to the last days It is hoped that this will help readers get a better perspective on where they fit into the story of God s unfolding divine providence and perhaps have a better understanding of the extraordinary times we live in

The Prophets Lonnie Martin, 2017-06-19 This is the Prophets part of The Word of Elohim It s the real name for the Old Testament The Bible is really 2 volumes The Word of Elohim God and the Testimony of Yeshua This would print out in typical book format into 4 good sized volumes The Word of Elohim is either the Old Testament text or spoken or the person of Yeshua Jesus period So to be precise this is the Prophets portion of the Gabriel Bible version of The Word of Elohim So every Bible contains The Word of Elohim the translators just don t seem to know it The Bible is the Word of Elohim AND the Testimony of Yeshua COMBINED See Revelation 1 2 9 Of the verses in this version you would be hard pressed to find any verse other than perhaps the most basic exactly like that of any other version My New Testament is also finished Yeshua and His followers never said anything about an Old Testament He always referred to it as either The Word of Elohim Aloha in His native Aramaic or the Scriptures
