*Maharishi Mahesh Yogi - A Living Saint for the New Millennium* Theresa Olson, 2004

Forty years ago in May of 1959 His Holiness Maharishi Ma hesh Yogi first visited the United States of America It seems only fitting to bring out a commemorative edition of the book written by my mother in 1967 wherein she described the adventures of Maharishi s first summer in this country It is a book so like Maharishi a tender story told simply about a great man with a superhuman goal During these forty years I have had the opportunity to quietly witness this great man going about the manifestation of a phenomenal vision a vision based on the principle that everyone should naturally and innocently live 200 percent of life one hundred percent inner spiritual joy along with one hundred percent outer material satisfaction Maharishi wanted to bring humankind out of suffering and restore to us our rightful human dignity He envisioned a world in which its citizens could enjoy a life free from problems an ideal life based in good useful and virtuous thoughts words and actions where we could enjoy the blessings of spontaneous good health excellent and effective systems of education for our children increased economic prosperity and improved social well being on all levels of society where the spiritual ideals of all religions could be realized and lived in daily life and most importantly where we could live in lasting world peace and real friend ship with one

another And Maharishi offered a simple powerful solution for realizing that goal an easy natural mental technique that he called Transcendental Meditation which allows anyone to develop his or her full potential while simultaneously nourishing the surrounding environment      **A Wave on the Ocean** Jon Michael Miller,2006-11-22 Jon Michael Miller was a superstar in the TM Movement at the height of its popularity in the seventies It attracted celebrities such as the Beatles Clint Eastwood Jim Hensen and the Beach Boys Miller s memoir traces his spiritual development as it evolved in a complicated love affair with a beautiful enigmatic woman It explores his childhood his youth and his intellectual progress He was a devotee of Maharishi Mahesh Yogi and of his teachings as he searched for answers to the difficult questions of love and betrayal in his life The answers he found have sustained him This is his story      *The Expansion of Happiness* Mack Travis,2015-04-30
