Home, History and Possession in Israel-Palestine Tovi Fenster, 2024-09-05 Taking a micro geographical approach to Israeli Palestinian relations this book analyses the history of space and place in West Jerusalem and Jaffa in the context of specific addresses Based on the unique and innovative archaeology of addresses methodology the book provides an in depth analysis of 11 specific sites This micro perspective paying particular attention to the history and past ownership of an individual property allows the author to draw new insights into the process of population exchange that took place in 1948 when Jewish people began to populate Palestinian deserted homes after the Nakba By looking at archival planning documents the histories of addresses as contact zones between previous and current owners are revealed Moreover the research on each address highlights new theoretical understandings encompassing the micro politics of the contact zone mediated agonism ruins and beginnings creative destruction in urban planning the right to the city and the right to return the violence of property and fragmented settler colonialism The book concludes by proposing practical applications of the research in teaching and planning practice The book will prove important reading for students and researchers interested in urban planning Middle Eastern geography and the history of the Israeli Palestinian conflict [The Complete Story of Civilization](#) Will Durant, 2014-01-21 The Complete Story of Civilization by Will Durant represents the most comprehensive attempt in our times to embrace the vast panorama of man's history and culture This eleven volume set includes Volume One Our Oriental Heritage Volume Two The Life of Greece Volume Three Caesar and Christ Volume Four The Age of Faith Volume Five The Renaissance Volume Six The Reformation Volume Seven The Age of Reason Begins Volume Eight The Age of Louis XIV Volume Nine The Age of Voltaire Volume Ten Rousseau and Revolution Volume Eleven The Age of Napoleon **The Endurance of Palestinian Political Factions** Perla Issa, 2021-08-17 A free open access ebook is available upon publication Learn more at www.luminosoa.org The Endurance of Palestinian Political Factions is an ethnographic study of Palestinian political factions in Lebanon through an immersion in daily home life Perla Issa asks how political factions remain the center of political life in the Palestinian camps in the face of mounting criticism Through an examination of the daily mundane practices of refugees in Nahr el Bared camp in particular this book shows how intimate interpersonal and kin based relations are transformed into political networks and offers a fresh analysis of how those networks are in turn metamorphosed into political structures By providing a detailed and intimate account of this process this book reveals how factions are produced and reproduced in everyday life despite widespread condemnation **Medieval Frontiers: Concepts and Practices** David Abulafia, Nora Berend, 2017-03-02 In recent years the medieval frontier has been the subject of extensive research But the term has been understood in many different ways political boundaries fuzzy lines across which trade religions and ideas cross attitudes to other peoples and their customs This book draws attention to the differences between the medieval and modern understanding of frontiers questioning the traditional use of the concepts of

frontier and frontier society It contributes to the understanding of physical boundaries as well as metaphorical and ideological frontiers thus providing a background to present day issues of political and cultural delimitation In a major introduction David Abulafia analyses these various ambiguous meanings of the term frontier in political cultural and religious settings The articles that follow span Europe from the Baltic to Iberia from the Canary Islands to central Europe Byzantium and the Crusader states The authors ask what was perceived as a frontier during the Middle Ages What was not seen as a frontier despite the usage in modern scholarship The articles focus on a number of themes to elucidate these two main questions One is medieval ideology This includes the analysis of medieval formulations of what frontiers should be and how rulers had a duty to defend and or extend the frontiers how frontiers were defined often in a different way in rhetorical ideological formulations than in practice and how in certain areas frontier ideologies were created The other main topic is the emergence of frontiers how medieval people created frontiers to delimit areas how they understood and described frontiers The third theme is that of encounters and a questioning of medieval attitudes to such encounters To what extent did medieval observers see a frontier between themselves and other groups and how does real interaction compare with ideological or narrative formulations of such interaction

Migration Italy Graziella Parati,2013-12-31 In terms of migration Italy is often thought of as a source country a place from which people came rather than one to which people go However in the past few decades Italy has indeed become a destination for many people from poor or war torn countries seeking a better life in a stable environment Graziella Parati s *Migration Italy* examines immigration to Italy in the past twenty years and explores the processes of cultural hybridization that have occurred Working from a cultural studies viewpoint Parati constructs a theoretical framework for discussing Italy as a country of immigration She gives special attention to immigrant literature positing that it functions as an act of resistance a means to talk back to the laws that regulate the lives of migrants Parati also examines Italian cinema demonstrating how native and non native filmmakers alike create parallels between old and new migrations complicating the definitions of sameness and difference These definitions and the complexities inherent in the different cultural legal and political positions of Italy s people are at the heart of *Migration Italy* a unique work of immense importance for understanding society in both modern day Italy and indeed the entire European continent
