Mainly About Lindsay Anderson:

Mainly about Lindsay Anderson Gavin Lambert, 2000 Lindsay Anderson was the most original British filmmaker and theatrical director of his generation His films If O Lucky Man and Britannia Hospital created a Human Comedy of life in Britain during the second half of the twentieth century and were witty daring and often prophetic This Sporting Life and O Lucky Man made Richard Harris and Malcolm McDowell international stars The Whales of August provided Lillian Gish Bette Davis and Ann Sothern the opportunity to give extraordinary farewell performances He also directed notable documentaries in several countries in Britain the Academy Award winning Thursday's Children about a school for deaf mute children in Poland The Singing Lesson a personal impression of a group of students at a drama school In China he recorded the 1985 concert tour by George Michael and Andrew Ridgeley of WHAM As a theatre director he collaborated with playwright David Storey on a series of successes The Contractor The Changing Room In Celebration Home and he worked with such actors as John Gielgud Ralph Richardson Alan Bates Albert Finney Helen Mirren Peter O Toole Joan Plowright and Rachel Roberts Anderson was as well an outspoken and sometimes ferocious critic of British films and of Britain itself He was the author of the most important and acclaimed book on John Ford And he was one of Gavin Lambert's closest friends for more than fifty years Lambert's book begins with his and Anderson's days as movie struck schoolboys becoming fast friends growing up in the shadow of World War II He shows us their postwar creation of and collaboration on the influential magazine Sequence a magazine thatwas produced on love and a shoestring and which shook up the British film world with its admiration for both Hollywood noir and MGM musicals at the time unfashionable genres and its celebration of such directors as Ford Bunuel Cocteau Vigo and Sturges He describes how both men rebelled in opposite directions Anderson remaining in England Lambert leaving in 1958 for Los Angeles and traces their unorthodox paths through the film industry An illuminating multifaceted portrait of a friendship of postwar moviemaking on both sides of the Atlantic and mainly of the remarkable Lindsay Anderson Revisited Erik Hedling, Christophe Dupin, 2016-06-14 This book is about the British Lindsay Anderson film maker Lindsay Anderson Anderson was a highly influential personality within British cinema mostly famous for landmark films like This Sporting Life 1963 and If 1968 Lindsay Anderson Revisited deals primarily with hitherto unexplored aspects of his career his biographical background in the British upper class his devoted film criticism and his angry relationship to contemporary society in general Thus the book contains chapters about his childhood in India his writings about John Ford his relationship to French star Serge Reggiani his work on TV in the 1950s his troubles with the British film establishment and his gradually emerging preoccupation with being Scottish not English Also featured are chapters written by close friends of Anderson who died in 1994 dwelling on his penchant for controversy and quarrel but also on his remarkable artistic talent and commitment Lindsay Anderson John Izod, Karl Magee, Kathryn Hannan, Isabelle Gourdin-Sangouard, 2019-01-04 In a long and varied career Lindsay Anderson made training films documentaries searing family dramas and blistering satires

including This Sporting Life O Lucky Man and Britannia Hospital Students of British cinema and television from the 1950s to 1990s will find this book a valuable source of information about a director whose work came to public attention with Free Cinema but who unlike many of his peers in that movement did not take the Hollywood route to success What emerges is a strong feeling for the character of the man as well as for a remarkable career in British cinema The book will appeal to admirers researchers and students alike Making use of hitherto unseen original materials from Anderson's extensive personal and professional records it is most valuable as a study of how the films came about the production problems involved the collaborative input of others as well as the completed films promotion and reception It also offers a finely argued take on the whole issue of film authorship and achieves the rare feat of being academically authoritative whilst also being completely accessible It prompts renewed respect for the man and the artist and a desire to watch the films all over again

If.... Mark Sinker, 2019-07-25 Lindsay Anderson's film if 1968 starring Malcolm McDowell as a schoolboy who leads a querilla insurgence imagines how repression conformity and fusty ritual at an English public school could lead to anarchy and bloody revolt Its title is a sardonic nod to Rudyard Kipling's most famous poem and its story a radical updating of Kipling s 1899 story Stalky and Co in which prankish rebels are groomed to police the empire Released at a time of unprecedented student uprisings in Europe and America if provided a peculiarly English perspective on the battle between generations the perennial war of the romantically passionate against the corrupt the ugly the old and the foolish Though its emotional surface is authentically anti authoritarian its intellectual substance as Mark Sinker argues is rooted in a deep familiarity with the symbols of English ruling class values No longer a vehicle for shock or dissent if is today enjoyed comfortably even nostalgically but for Sinker this renders its many knots and paradoxes the moments of poetry that Anderson argued were cinema s raison d etre all the more fascinating Shadows of Progress Patrick Russell, James Piers Taylor, 2019-07-25 Britain emerged from war a changed country facing new social industrial and cultural challenges Its documentary film tradition established in the 1930s and 1940s around legendary figures such as Grierson Rotha and Jennings continued evolving utilising technical advances displaying robust aesthetic concerns and benefiting from the entry into the industry of wealthy commercial sponsors Thousands of films were seen by millions worldwide Received wisdom has been that British documentary went into swift decline after the war resurrected only by Free Cinema and the arrival of television documentary Shadows of Progress demolishes these simplistic assumptions presenting instead a complex and nuanced picture of the sponsored documentary in flux Patrick Russell and James Piers Taylor explore the reasons for the period s critical neglect and address the sponsorship production distribution and key themes of British documentary They paint a vivid picture of institutions from public bodies to multinational industries constantly redefining their relationships with film as a form of enlightened public relations Many of the issues that these films addressed could not be more topical today the rise of environmentalism the balance of state and industry individual and community a nation and a world travelling from bust to

boom and back again In the second part of the book contributors from the curatorial and academic world provide career biographies of key film makers of the period From Lindsay Anderson's lesser known early career to neglected film makers like John Krish Sarah Erulkar Eric Marquis and Derrick Knight a kaleidoscopic picture is built up of the myriad relationships A Philosophical History of Documentary, 1895-1959 Dan Geva, 2021-09-15 This book presents a of artist and sponsor chronology of thirty definitions attributed to the word term phrase and concept of documentary between the years 1895 and 1959 The book dedicates one chapter to each of the thirty definitions scrutinizing their idiosyncratic language games from close range while focusing on their historical roots and concealed philosophical sources of inspiration Dan Geva s principal argument is twofold first that each definition is an original ethical premise of documentary and second that only the structured assemblage of the entire set of definitions successfully depicts the true ethical nature of documentary insofar as we agree to consider its philosophical history as a reflective object of thought in a perpetual state of being self defined an ethics sui generis Behaving Badly: Richard Harris Cliff Goodwin, 2011-05-31 Richard Harris was never an easy person to get along with He was a difficult schoolboy and was later disowned by his Limerick teachers then he went to work in the family flour and milling business where he organised a strike against his father It was as a gifted and compelling actor that Richard Harris dominated stage and screen for more than four decades He was nominated for an Oscar twice for his earthy portrayal of a rugby player in This Sporting Life and as a dominant and bullish Irish farmer in The Field More recently he delivered gripping screen performances in Gladiator and two Harry Potter films But it was his violent drunken womanising private life that fed the public myth and made Harris one of a new breed of roque male actors an international celebrity Married and divorced twice with three sons two actors one a film director he claimed the only time he had been miscast was as a husband His lovers included legends such as Merle Oberon Sophia Loren Ava Gardner and Vanessa Redgrave

content some content may not be available due to rights restrictions Call your Sales Rep for details *The life of mise-en-scène* John Gibbs,2015-11-01 The life of mise en sc ne offers a critical history of key debates about visual style in British film journals in the post war period It reclaims an often ignored or misrepresented history including the concept of film poetry in the journal Sequence changing attitudes in Sight and Sound during the 1950s and the battle over the significance of film style which raged between a number of small journals and the national press in the early 1960s It examines the British school first associated with Movie in the 1960s which in Adrian Martin s words is enjoying a widespread international revival but also other critical movements more hazily remembered It explores the role of mise en sc ne in melodrama criticism and considers what happened to detailed criticism as major theoretical movements emerged in the 1970s In doing so it provides a vital context for the contemporary practice of style based criticism and challenges received notions of critical history developing our understanding of a range of other key debates and concerns in the study of film

Gilded Youth James Brooke-Smith, 2019-02-02 The British public school is an iconic institution a training ground for the ruling elite and a symbol of national identity and tradition But beyond the elegant architecture and evergreen playing fields is a turbulent history of teenage rebellion sexual dissidence and political radicalism James Brooke Smith wades into the wilder shores of public school life over the last three hundred years in Gilded Youth He uncovers armed mutinies in the late eighteenth century a Victorian craze for flagellation dandy aesthetes of the 1920s quasi scientific discourse on masturbation Communist scares in the 1930s and the salacious tabloid scandals of the present day Drawing on personal experience extensive research and public school representations in poetry school slang spy films popular novels and rock music Brooke Smith offers a fresh account of upper class adolescence in Britain and the role of elite private education in shaping youth culture He shows how this central British institution has inspired a counterculture of artists intellectuals and radicals from Percy Shelley and George Orwell to Peter Gabriel and Richard Branson who have rebelled against both the schools themselves and the wider society for which they stand Written with verve and humor in the tradition of Owen Jones s The Establishment And How They Get Away With It this highly original cultural history is an eye opening leap over the hallowed iron gates of privilege and perturbation **British Culture and Society in the 1970s** Laurel Forster, Sue Harper, 2009-12-14 This collection of essays highlights the variety of 1970s culture and shows how it responded to the transformations that were taking place in that most elusive of decades The 1970s was a period of extraordinary change on the social sexual and political fronts Moreover the culture of the period was revolutionary in a number of ways it was sometimes florid innovatory risk taking and occasionally awkward and inconsistent The essays collected here reflect this diversity and analyse many cultural forms of the 1970s The book includes articles on literature politics drama architecture film television youth cultures interior design journalism and contercultural happenings Its coverage ranges across phenomena as diverse as the Wombles and Woman's Own The volume offers an interdisciplinary account of a fascinating

period in British cultural history This book makes an important intervention in the field of 1970s history It is edited and introduced by Laurel Forster and Sue Harper both experienced writers and the book comprises work by both established and emerging scholars Overall it makes an exciting interpretation of a momentous and colourful period in recent culture Queer Encyclopedia of Film and Television Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of gueer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into The Queer Encyclopedia of Film Theater and Popular Culture Drawn from the fascinating online encyclopedia of queer arts and culture www glbtg com which the Advocate dubbed the Encyclopedia Brittaniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it s a queer queer world and The Queer Encyclopedia is the indispensable guide readable authoritative and concise And perfect to read by candelabra The answers to the two questions above from the dry cleaning fumes Lily Tomlin Sights Unseen Dan North, 2009-03-26 Many British films never make it to the screen Obstacles of finance censorship distribution or creative breakdown can appear in their way and they might even fail to get beyond the script stage This book collects new essays by leading scholars that use archival resources to reconstruct the stories behind a range of films by prominent film makers These thwarted productions are all too often excluded from histories of British cinema but the accounts of their unmaking contained in Sights Unseen provides an illuminating insight into the factors which have served to undermine the stability of the film industry in Britain Richard Harris Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of This Sporting Life The Field and Harry Potter and the Philosopher's Stone was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography Richard Harris Raising Hell and Reaching for Heaven is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author's journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland's greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed Untold Stories Alan Bennett. 2007-03-20 Presents a

collection of the author's previously unpublished works including the title piece a memoir of his family and growing up in Leeds diary entries for the years 1996 to 2004 and additional essays reviews and comic pieces The Concise Routledge **Encyclopedia of the Documentary Film** Ian Aitken, 2013-01-04 The Concise Routledge Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers Workers Leaving the Lumi re Factory 1885 to Michael Moore s Fahrenheit 911 2004 Previously published in three volumes entries have been edited and updated for the new concise edition and three new entries have been added on India China and Africa The Concise Routledge Encyclopedia of the Documentary Film Discusses individual films and filmmakers including little known filmmakers from countries such as India Bosnia China and others Examines the documentary filmmaking traditions within nations and regions or within historical periods in places such as Iran Brazil Portugal and Japan Explores themes issues and representations in documentary film including human rights modernism homosexuality and World War I as well as types of documentary film such as newsreels and educational films Elaborates on production companies organizations festivals and institutions such as the American Film Institute Ceylon Tea Propaganda Board Hot Docs Toronto and the World Union of Documentary Describes styles techniques and technical issues such as animation computer imaging editing techniques IMAX music and spoken commentary Bringing together all aspects of documentary film this accessible concise edition provides an invaluable resource for both scholars and students With film stills from key films this resource provides the decisive entry point into the history of an art form Becoming Helen Mirren Philip Ward, 2019-10-25 Becoming Helen Mirren is a freewheeling combination of theatre film and TV history literary criticism and personal memoir **British and Irish Cinema** Robert Murphy, 2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005 Each of its 980 entries on individuals directors gives a resume of the director's career evaluates their achievements and provides a complete filmography It is useful for those interested in film making in Britain and Ireland The New Biographical Dictionary of Film David Thomson, 2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell's various editions of Halliwell's Filmgoers Companion 12th ed 1997 and Halliwell's Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson's but whose entries are neutral and exceedingly brief Additionally Francophile Richard Roud's edited Cinema A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson s but narrower in scope with entries written by various experts rather than only by Roud Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed
