Here are just a few:

- On the value of respect: "Liking a person we are required to have dealings with is not of paramount importance. But respect is crucial on both sides, as is tolerance and a depth of understanding of those influences that sculpt a character."
- On grieving: "Grief is a pilgrimage along a path that allows us to reflect upon the past from points of remembrance held in the soul. At times the way is filled with stones underfoot, and we feel pained by our memories; yet on other days the shadows reflect our longing, and those happinesses shared."
- On the importance of departure: "Leaving that which you love breaks your heart open. But you will find a jewel inside, and this precious jewel is the opening of your heart to all that is new and all that is different, and it will be the making of you if you allow it to be."

The perfect supplement to the Maisie Dobbs series, *What Would Maisie Do?* also features the iconic jacket art that has graced the series, as well as period photographs and prompts for readers' own observations and inspiration, making this a unique journal that fans will turn to and treasure for years to come.
