concerned cat gives his consent to the procedure in this regard the device can detect consents which though explicitly given but the concerned cat did not mean it from its heart the CLD will abort the process This protects cats who have been intimidated to give their consent and this feature leads to numerous amusing incidents Initially all cats think that the CLD is a hoax a scam to make money but slowly he gets the confidence of people and there are humorous interchanges with a cat who is a gossip columnist and also with a cat who is a punk Then there is the question of legislating permission to carry on the CLD business and this process wends and weaves its way through the senate with numerous amusing incidents While waiting for the trading license there is an urgent need for a CLD intervention on a precariously ill young cat as it is illegal to use the device in Catland they decide to subvert the law by using it in Dogland where Catland laws do not apply and because of this numerous thrilling incidents happen While Jimbo is in Dogland he gets more clients for the CLD Finally the trade license comes through and Jimbo can commence his CLD banking business in Catland While commencing business Jimbo encounters several problems such as collecting on loans made and there is also a run against the bank then there are marriages the CLD way where the husband and wife exchange their lives here they are warned that one of them may be left hanging at the altar if the love of any one of them is not genuine Then there is the question of using the CLD on lions and tigers all belonging to the cat family Finally the story ends when the CLD gets lost and how it is recovered using the services of ace cat detective Merlock Jones India Rubber World ,1921
