**My Brother's Wife** Toni Breland,2010-09 Meet Freddie Glass bold outspoken 25 year old African American who thinks she has the world figured out A vain young woman who loves to dress stylishly Freddie boasts that her only use for men occurs when she get s the urge to go out or just get s the urge and she insists on buying five hundred dollar outfits when she doesn t have money to keep food in the fridge Standing at the threshold of the nineties Freddie holds racial views that were more popular in the seventies And as a transplanted Philadelphian she doesn t realize that her contempt for the South reflects her own ignorance more than it does that of the inarticulate Southern blacks she despises But Freddie s prejudicial rush through life comes to a halt when she meets Amanda the new wife of Freddie s twin brother Fred An Alabamian living in Georgia Amanda s gentle nurturing selfless ways as well as her disciplined dietary and housekeeping habits jolt Freddie into something she has never experienced before an actual unselfish friendship with another woman And when erotic images about Amanda begin to seep into Freddie s thinking she must reevaluate not only her sexuality but also her feelings about the South and the contentious relationship she has with her twin brother **AUTHOR S WARNING** Coarse language strong sexual content not suitable for all readers      **My Brother's Wife** Amelia Ann Blanford Edwards,188?      **My Brother's Wife**

Mona Altidort,2016-12-24 Urban Romance      **Brothers, Sisters, Strangers** Fern Schumer Chapman,2021-04-06 A warm empathetic guide to understanding coping with and healing from the unique pain of sibling estrangement Whenever I tell people that I am working on a book about sibling estrangement they sit up a little straighter and lean in as if I ve tapped into a dark secret Fern Schumer Chapman understands the pain of sibling estrangement firsthand For the better part of forty years she had nearly no relationship with her only brother despite many attempts at reconnection Her grief and shame were devastating and isolating But when she tried to turn to others for help she found that a profound stigma still surrounded estrangement and that very little statistical and psychological research existed to help her better understand the rift that had broken up her family So she decided to conduct her own research interviewing psychologists and estranged siblings as well as recording the extraordinary story of her own rift with her brother and subsequent reconciliation **Brothers Sisters Strangers** is the result a thoughtfully researched memoir that illuminates both the author s own story and the greater phenomenon of estrangement Chapman helps readers work through the challenges of rebuilding a sibling relationship that seems damaged beyond repair as well as understand when estrangement is the best option It is at once a detailed framework for understanding sibling estrangement a beacon of solidarity and comfort for the estranged and a moving memoir about family trauma addiction grief and recovery      **My Brother's Wife** Harry Davis,1956      **Forced to Be Family** Cheryl Dellasega,2007-09-28 You can survive the kitchen wars and live in peace with your family My sisters in law couldn t stand me I was really hurt when my kids weren t mentioned in their grandmother s obituary because they weren t full blooded family

My mom is always giving advice always telling me to do such and such when she doesn't do it herself. If my husband and I have a fight she takes his side. My sister did call me a week later to apologize but proceeded to tell me everything that was wrong with me, my husband and my children. Sound familiar? There's nothing new or unusual about conflict between mothers, sisters and other female family members but that doesn't make it any less painful or destructive. Adding to the hurt of relational abuse within the family is the permanent nature of the relationship: you can sever relations with an abusive friend but you can't stop being the sister, daughter, niece of an abusive relative. Does that mean that there's no way out? In *Forced to Be Family* you'll discover how to determine whether a female family member is being abusive, recognize the sources of that abuse and break the vicious cycle that keeps the abuse alive. You don't have to choose between accepting abuse and making a scene. This insightful, reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you. **Farley Brothers Drugs and Sundries** Kathryn
