Tithing to Giving to Kingdom Living Apostle D. Sampson, 2022-11-03 What are the true kingdom principles that Jesus Christ taught Why are so many churches failing our communities and the world If you are searching for the answer to these questions this book has them Many churches have abandoned the true principles of the Kingdom So many religious leaders today have become lovers of money the world and of themselves rather than of the people that they are supposed to be helping Because of this people have lost faith in the Church This book was written to address and to correct those issues It teaches the true principles of the Kingdom of God while exposing the error ignorance and many false teachings of the Church particularly tithing It reveals the truth about what the Lord's will is concerning his true Church and your life This book highlights many issues that the Church has created by not teaching the truth to the people while giving you the keys to living a full and blessed life God's Kingdom Principles are what the world needs not more scandals not more church politics not more organizations and certainly not more traditions God knows what he's doing So if you apply his principles to your life they will work And he will show you exactly what Kingdom Living is all about It doesn't matter if you worship God in a building or in your home What matters is what he sees when he looks into your heart And that is what this book is designed to do change your heart But it will also change your life For you shall know the truth and the truth will set you free The Christian Century ,1928 The Monthly welcome and parish visitor ,1883
