of My Life CeCe Penne,2012-04-28 One of the most precious and priceless gifts in the world is the heart of a woman A beautiful kaleidoscope of raw emotions experiences and memories a womans heart knows no boundaries or limitations regarding her cherished and sacred love Whether old young rich poor black or whitewe have all craved love from another We are ordinary women but possess extraordinary love At one period in time we each have loved whether or not love actually decided to pay us a visit stay around for a while or unselfishly love us back It may not always reciprocate or manifest itself how we desire Sometimes it may be followed by hurt disappointment loss or death but we still keep on loving When permitted to give wholly and freely a womans satiable heart is unadulterated and her love is both timeless and unconditional Her love is naked and pure resilient and determined patient and forgiving In the quest to find her destiny every woman will inevitably experience powerful and unpredictable seasons on her journey called Life as love etches indelible lines of poetry across her impressionable heart I invite you to enter into my heart and share my poetry from the seasons of my life

Bitter/Sweet Brenda Stubbs Lawrence,2023-03-08 Bitter Sweet Surviving the Struggle Within describes my efforts to face the fears and pain of love and self love sickness and health death and spirituality and forgiveness It also expresses my hope to find the answers to life s questions First I had to acknowledge self because without self acknowledgement every obstacle will magnify In understanding what makes me tick and how my past could hold me back I learned to love myself which allowed me to find true love Bitter poisons that once flowed through my veins are now replaced with the sweet taste of honey My agonies frustrations and pain took me on one excursion after another The only true journey toward growth and fulfillment is tunneling through the many avenues of self I had to go within before I could move forward I had to master this expedition No matter what I seek everything I need is already inside me Am I important enough to myself to go within and search for what I want and need It is what I choose to accept about my life that will make it Bitter or Sweet And I realize that I am not alone Everyone experiences pain and discord I hope my words reach others so they too can rejoice I have learned to celebrate the child within to overcome past hurts and all the old Bitter Sweet experiences This chronicles where I have been where I am today and what I have accomplished
