Elly Celendis is not like the other elves in the realm of Alendria. She is insecure, has unruly hair, loathes pink, lacks musical aptitude, and hates going to school where she is tormented by the Three Flamingos, the meanest clique at Arvellon Academy. To top it off, she is dreading her twelfth birthday party and is now experiencing puzzling dreams and visions. Elly aspires to become an explorer like her grandpapa and heroine Larabeth Goldberry so she can venture into different realms, especially the human realm of Gaya, which has been sealed off for a hundred years. But her wish comes true much sooner than expected after she is fooled by a goblin and pushed through a portal into Gaya, where she becomes stranded. Desperate to find her way back home, Elly masquerades as a human as she attempts to track down an elusive blue amber that she hopes will repair the damaged portal. Along the way, Elly forges friendships and discovers secrets about her homeland with the potential to change her life forever. In this fantasy tale, a unique elf on the adventure of her life is about to realize powerful forces are at play in Alendria that are far more sinister than she ever imagined. **The Solution-focused Parent** Ben Furman, 2023-12-05

This practical book presents readers with a skills-based child-rearing approach to supporting a child's growth and helping them overcome both minor and major developmental challenges. In contrast to conventional approaches to child psychology, this innovative approach focuses on developing children's abilities rather than concentrating on and trying to fix their problems. Additionally, instead of blaming caretakers for their child's challenges, the skills approach offers them the keys with which they can coach and motivate their children to overcome challenges by learning required skills. Readers will find it easy to grasp the idea of the skills mindset through the book's wealth of eye-opening stories, case examples, and the author's personal insights as a psychotherapist, parent, and creator of the Kids Skills method. Clear, detailed instructions will help readers immediately put the ideas into everyday practice with their own children and families. This book is a must-have, hope-instilling toolbox for anyone involved in the task of raising a child. Parents, grandparents, teachers, mental health professionals, and more will find this a valuable resource in ensuring the future success of the children in their lives. **Just Because of You** Isla Chiu, 2020-12-11

Hilarie Walsh just wants to lay low during her senior year after being branded the class tramp by her loathsome ex. Unfortunately for her, she doesn't escape the notice of the new kid, Eric Lawington, the arrogant but incredibly sexy son of a billionaire who makes the rich heirs and heiresses at her school look middle class in comparison. At first, she wants nothing to do with him, but Eric is nothing if not persistent, and evident sparks fly between them. However, jealousy, the past, and a drama-making twin with a history of wrecking his sibling's happiness threaten their relationship. Excerpt: All the hardness left her face. Her eyes turned wide, her mouth stopped glowering. She looked vulnerable like she could fall into pieces at any moment.
