Chicago by the Book The Caxton Club, 2018-11-20 Despite its rough and tumble image Chicago has long been identified as a city where books take center stage In fact a volume by A J Liebling gave the Second City its nickname Upton Sinclair's *The Jungle* arose from the midwestern capital's most infamous industry The great Chicago Fire led to the founding of the Chicago Public Library The city has fostered writers such as Nelson Algren Saul Bellow and Gwendolyn Brooks Chicago's literary magazines *The Little Review* and *Poetry* introduced the world to Eliot Hemingway Joyce and Pound The city's robust commercial printing industry supported a flourishing culture of the book With this beautifully produced collection Chicago's rich literary tradition finally gets its due *Chicago by the Book* profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image Each title carefully selected by the Caxton Club a venerable Chicago bibliophilic organization is the focus of an illustrated essay by a leading scholar writer or bibliophile Arranged chronologically to show the history of both the city and its books the essays can be read in order from Mrs John H Kinzie's 1844 Narrative of the Massacre of Chicago to Sara Paretsky's 2015 crime novel *Brush Back* Or one can dip in and out savoring reflections on the arts sports crime race relations urban planning politics and even Mrs O Leary's legendary cow The selections do not shy from the underside of the city recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism As Neil Harris observes in his introduction Even when Chicagoans celebrate their hearth and home they do so while acknowledging deep seated flaws At the same time this collection heartily reminds us all of what makes Chicago as Norman Mailer called it the great American city With essays from among others Ira Berkow Thomas Dyja Ann Durkin Keating Alex Kotlowitz Toni Preckwinkle Frank Rich Don Share Carl Smith Regina Taylor Garry Wills and William Julius Wilson and featuring works by Saul Bellow Gwendolyn Brooks Sandra Cisneros Clarence Darrow Erik Larson David Mamet Studs Terkel Ida B Wells Barnett Frank Lloyd Wright and many more

Baroness Elsa Irene Gammel, 2003-08-29 The first biography of the enigmatic dadaist known as the Baroness Elsa von Freytag Loringhoven Elsa von Freytag Loringhoven 1874 1927 is considered by many to be the first American dadaist as well as the mother of dada An innovator in poetic form and an early creator of junk sculpture the Baroness was best known for her sexually charged often controversial performances Some thought her merely crazed others thought her a genius The editor Margaret Anderson called her perhaps the only figure of our generation who deserves the epithet extraordinary Yet despite her great notoriety and influence until recently her story and work have been little known outside the circle of modernist scholars In *Baroness Elsa* Irene Gammel traces the extraordinary life and work of this daring woman viewing her in the context of female dada and the historical battles fought by women in the early twentieth century Striding through the streets of Berlin Munich New York and Paris wearing such adornments as a tomato soup can bra teaspoon

earrings and black lipstick the Baroness erased the boundaries between life and art between the everyday and the outrageous between the creative and the dangerous Her art objects were precursors to dada objects of the teens and twenties her sound and visual poetry were far more daring than those of the male modernists of her time and her performances prefigured feminist body art and performance art by nearly half a century [The Secret Treachery of Words](#) Elizabeth Francis,2002

Mellow, 2003-05-01 The renowned writer Gertrude Stein her peers and avant garde Paris come to life in this meticulous and loving reconstruction of the period The New York Times Book Review On almost every Saturday of the first half of the twentieth century Gertrude Stein would open her door to the likes of Picasso and Matisse Hemingway and Fitzgerald Cocteau and Apollinaire welcoming them into a salon alive with vivid avant garde paintings and sparkling intellectual conversation In *Charmed Circle* James R Mellow has recreated this fascinating world and the complex woman who dominated it His engaging narrative illuminates Stein's writing now celebrated along with the work of such literary giants as Joyce and Woolf including her difficult early periods which adapted cubism and abstraction to the written word Rich with detail and insight it conveys both the serene rhythms of daily life with her devoted partner Alice B Toklas and the radical pulse and dramatic upheavals of her exciting era Spanning the years from 1903 when Stein first arrived in Paris to her final days at the end of the Second World War *Charmed Circle* is a penetrating and lively account of a writer at the heart of modernity A rich and compelling portrait of an extraordinary personage and a mural of the people in her life She has been given a biographer worthy of her Los Angeles Times Entertaining and comprehensive a delightful book The New Yorker A beautifully achieved work of biography one which superbly captures its eccentric subject Reason **Women Editing Modernism** Jayne Marek, 2021-10-21 For many years young writers experimenting with forms and aesthetics in the early decades of this century small journals known collectively

as little magazines were the key to recognition Joyce Stein Eliot Pound Hemingway and scores of other iconoclastic writers now considered central to modernism received little encouragement from the established publishers It was the avant garde magazines many of them headed by women that fostered new talent and found a readership for it Jayne Marek examines the work of seven women editors Harriet Monroe Alice Corbin Henderson Margaret Anderson Jane Heap H D Bryher Winifred Ellerman and Marianne Moore whose varied activities often behind the scenes and in collaboration with other women contributed substantially to the development of modernist literature Through such publications as Poetry The Little Review The Dial and Close Up these women had a profound influence that has been largely overlooked by literary historians Marek devotes a chapter as well to the interactions of these editors with Ezra Pound who depended upon but also derided their literary tastes and accomplishments Pound s opinions have had lasting influence in shaping critical responses to women editors of the early twentieth century In the current reevaluation of modernism this important book long overdue offers an indispensable introduction to the formative influence of women editors both individually and in their collaborative efforts

Misinformation, Content Moderation, and Epistemology Keith Raymond Harris, 2024-04-19 This book argues that misinformation poses a multifaceted threat to knowledge while arguing that some forms of content moderation risk exacerbating these threats It proposes alternative forms of content moderation that aim to address this complexity while enhancing human epistemic agency The proliferation of fake news false conspiracy theories and other forms of misinformation on the internet and especially social media is widely recognized as a threat to individual knowledge and consequently to collective deliberation and democracy itself This book argues that misinformation presents a three pronged threat to knowledge While researchers often focus on the role of misinformation in causing false beliefs this deceptive potential of misinformation exists alongside the potential to suppress trust and to distort the perception of evidence Recognizing the multifaceted nature of this threat is essential to the development of effective measures to mitigate the harms associated with misinformation The book weaves together work in analytic epistemology with emerging empirical work in other disciplines to offer novel insights into the threats posed by misinformation Additionally it breaks new ground by systematically assessing different forms of content moderation from the perspective of epistemology Misinformation Content Moderation and Epistemology will appeal to philosophers working in applied and social epistemology as well as scholars and advanced students in disciplines such as communication studies political science and social psychology who are researching misinformation The Introduction and Chapter 1 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
