My Tired Father:

My Tired Father Gellu Naum,1986 The first English language publication of one of the major works of the great Romanian Surrealist poet and novelist Gellu Naum **My Father's Cabin** Mark Phillips,2025-05-06 In the Rust Belt of the 1960s a blue collar father works double shifts chasing elusive dreams a good night s sleep eternal life a cabin in the Allegheny Mountains where he can hunt and fish His son is a child of the times chasing his own dreams girls long hair politics and independence And both chase the same dream each other s elusive love This is a familiar story uniquely told in a voice that perfectly captures America at its most turbulent an era that continues to define the largest generation in American history My Father s Cabin chronicles life in America as the Greatest Generation gives way to the Me Decade as responsibility gives way to self fulfillment and then back again as responsibility becomes self fulfillment *Wottaplot!* Santosh Vishwanath,2017-05-01 Raj with the help of his high spirited father sets out to conquer a piece of land around the Bangalore city Through some humorous and some hopeless misadventures he realizes that it isn t as easy as it sounded The closer he thinks he is to acquiring the land the more it seems to drift away from him What he believes to be a level playing field stoops down to many levels during his journey While the earlier trigger was to prove a point to someone else it slowly dawns upon him that he needs to prove things to himself first Will he be able to own a piece of land that he can be proud of *Wottaplot* is the story of an average Bangalorean s plight to own a small piece of land and the adventures that follow My Father's Love David R. Bray,2011-08-11 David Bray lives in Chicago in a Christian community called Jesus People USA His first book *Marduk* a science fiction story was co authored with Tom Fulghum His second book *My Father s Love* records the struggles and blessings of growing up and dealing with the loss of his dad John Bray a pastor teacher and dean of North Park Seminary in Chicago Illinois This story of a father s love for his son will encourage anyone struggling with the loss of a loved one especially the loss of a father It offers concrete examples of positive relationships for anyone and especially for families with a disabled child David s memories of his dad demonstrate the power of love and radiate hope for those who grieve those with disabilities families of the disabled and any parent or child needing reassurance of God s love David s desire is that the reader will find hope and blessing by reading his story *My Father's Land* Josie Sturgeon,2007-08 Set during the Civil War this novel is the story of a couple who move from Pennsylvania to a plantation in North Carolina Belle a very self righteous Christian woman loves to be waited on and her faults go on and on At the lowest point in her life she drops to her knees crying out to God to change her Erema: My Father's Sin Sir Richard Doddridge Blackmore,2020-09-28 The sins of the fathers upon the children unto the third and fourth generation of them that hate me These are the words that have followed me always This is the curse which has fallen on my life If I had not known my father if I had not loved him if I had not closed his eyes in desert silence deeper than the silence of the grave even if I could have buried and bewailed him duly the common business of this world and the universal carelessness might have led me down the general track that leads to nothing Until

my father fell and died I never dreamed that he could die I knew that his mind was quite made up to see me safe in my new home and then himself to start again for still remoter solitudes And when his mind was thus made up who had ever known him fail of it If ever a resolute man there was that very man was my father And he showed it now in this the last and fatal act of his fatal life Captain here I leave you all he shouted to the leader of our wagon train at a place where a dark narrow gorge departed from the moilsome mountain track My reasons are my own let no man trouble himself about them All my baggage I leave with you I have paid my share of the venture and shall claim it at Sacramento My little girl and I will take this short cut through the mountains General answered the leader of our train standing up on his board in amazement Forgive and forget Sir forgive and forget What is a hot word spoken hotly If not for your own sake at least come back for the sake of your young daughter A fair haven to you replied my father He offered me his hand and we were out of sight of all that wearisome drearish uncompanionable company with whom for eight long weeks at least we had been dragging our rough way I had known in a moment that it must be so for my father never argued Argument to his mind was a very nice amusement for the weak My spirits rose as he swung his bear skin bag upon his shoulder and the last sound of the laboring caravan groaned in the distance and the fresh air and the freedom of the mountains moved around us It was the 29th of May Oak apple Day in England and to my silly youth this vast extent of snowy mountains was a nice place for a cool excursion Moreover from day to day I had been in most wretched anxiety so long as we remained with people who could not allow for us My father by his calm reserve and dignity and largeness had always among European people kept himself secluded but now in this rough life so pent in trackless tracts and pressed together by perpetual peril every body s manners had been growing free and easy Every man had been compelled to tell as truly as he could the story of his life thus far to amuse his fellow creatures every man I mean of course except my own poor father Some told their stories every evening until we were quite tired although they were never the same twice over but my father could never be coaxed to say a syllable more than I was born and I shall die
