My Uncle Sam:

My Uncle Sam Len Jenkin, 1984 Uncle Sam was a novelties salesman who died one night alone and broke in a Pittsburgh hotel But he was also a larger than life figure a mythic hero to his nephew who now seeks to discover his uncle's true story His quest is a quixotic and picaresque one involving a seductive nightclub singer who promises to marry Sam if he can locate his never do well brother who absconded with the proceeds from a robbery and developing into a series of sometimes funny sometimes hair raising episodes as the nephew becomes his uncle in his youth and journeys to a remote lighthouse a rather sinister university laboratory an opium den the clinic of a Mexican quack and a very odd miniature golf course all intriguingly distorted as though viewed through a funhouse mirror In the end it is really the landscape of the mind that is explored and illuminated as the trail leads back to Old Sam and the disquieting knowledge that dreams and reality are in the final essence often one and the same with the truth still remaining tantalizingly out of reach Uncle Sam, My Story Uncle Sam, 2000

Ragamo Today Paul Massiet, 2015-04-02 The book is all about the

challenges in life the story starts with Lee Goodmans 1st day as a CEO of the Goodman Metropolitan advertising agency Sitting at his desk reminiscing the past **Once Upon a Yugoslavia** Surya Green, 2015-11-17 It is 1968 Across America citizens march for social reform and an end to the Vietnam War Amid all this Surya Green a New York born self absorbed modern young woman is a student at Stanford University blithely pursuing a graduate degree in communication Her view of life's purpose unexpectedly starts to expand when she says Yes when her Stanford film mentor selects her for a writing job at Zagreb Film in Yugoslavia Family and friends marvel at her courage or foolishness The Zagreb studio may be the renowned producer of the first non American animated film to win an Oscar but it is in a country most Americans fear and reject as communist Green has no idea that her stay in Yugoslavia will ultimately take her beyond national borders to the outermost limits of her mind Although penned in the first person against the backdrop of Tito's Yugoslavia in historic 1968 Once Upon a Yugoslavia is paradoxically most timely The global economic crisis has compelled people to question excessive consumption and redefine success and the good life while embracing new lifestyle priorities just as Yugoslavia required of Surya Green decades ago Once Upon a Yugoslavia addresses this present day longing while also offering a lively history lesson History books have objectively described the former Yugoslavia but Once Upon a Yugoslavia gives personalized look at the everyday lives of people in pre 1989 Eastern Europe that shows how the experience transformed one young woman's American Dream Chronicling the sights sounds and ups and downs of the everyday Yugoslav existence Green speaks to both the positive and negative aspects of the contemporary phenomenon known as Yugo nostalgia The pros and cons of the American and Yugoslav societies fly to and fro during Surya's conversations with a host of colorful characters some of whom she lodges with and travels the countryside with others of whom she dates In this strange Big Brotherish country of perplexing language culture

and customs which gives Surya an early experience of living a monitored life without privacy in a land where paranoia is contagious more than once readers will hear her sobbing at night Ultimately the Yugoslav social experiment its plus points at least were to give Surya Green a considerably altered view of the American values with which she was raised And it is what led to that perspective a personal transformation that started for her in explosive memorable life changing 1968 in Tito s Yugoslavia and continues to this day which makes *Once Upon a Yugoslavia* such a unique and remarkable book From the Trade Paperback edition

I'm a Yankee Doodle Danny Mary-Helen S. Foxx, 2018-06-28 A book that upholds the old American values of truth love of country and patriotism In a time when many seem to consider it slightly reprehensible to be openly patriotic and to proudly acclaim America s great achievements this book unapologetically endorses the higher ideals and principles of our nation s calling The author wasn t born on the Fourth of July but he was born under the Stars and Stripes *I m a Yankee Doodle Danny* speaks of his love of country and loyalty to the principles of freedom wherever they exist These stories of patriotism illustrate his sense of patriotism and range from poignant to humorous to bittersweet There are lessons gently taught and a welcome sense of nostalgia for the patriotism of earlier times Foxx believes that those who honor the unalienable human rights that Jefferson and other Founders wrote about those who love freedom and justice and truth are patriots to the same cause this book unashamedly endorses

Len Jenkin's Theatre Robert J. Andreach, 2011 Early in his career Len Jenkin identified two qualities that theatre should have wonder and heart Imagination creates wonder by transforming nature to suggest more than nature Love engages the heart on the quest to experience the wonder for though Jenkin is an experimental playwright his plays are not abstruse symbols They are tales that take salesmen and actresses historical figures and fictional characters through a Stein landscape and a Kafka story pop culture and recreated scenes from the Bible and *The Canterbury Tales* *The Aeneid* and *Headlong Hall* to an amusement park ride and a penal colony a flophouse and a garden Bodacious verbal and visual images build in power until they soar as pilgrims tell tales to pass the night while waiting to cross the river Hawthorne Sophie and Melville on the beach hear the ever encroaching kraken and Margo Veil essays the roles that all questing mortals play in life
