**My Very Own Room: Mi Propio Cuartito**, 2019      **My Very Own Room/ Mi Propio Cuartito** Amada Irma Pérez, 2008-10-20 With the help of her family a resourceful Mexican American girl realizes her dream of having a space of her own to read and to think      **Multicultural Literature for Latino Bilingual Children** Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro González, 2015-11-25 While there are volumes that fall into the category of children's literature there appears to be relatively few that explore the needs of bilingual learners and the linguistic and sociocultural context of Latino children's literature This volume makes a needed contribution by addressing the social cultural academic and linguistic needs of Latino bilingual learners who are still underserved through current school practices We aim to conceptualize different forms of social knowledge so that they can serve as cultural resources for learning acquiring knowledge and transforming self and identity This volume presents a balance of theory research and practice that speak to authentic multicultural Latino literature and helps ensure its availability for all students The intended outcome of this volume then is to create a heightened awareness of the cultural and linguistic capital held by the Latino community to increase Latino students social capital through the design of critical pedagogical practices and for the formulation of a new perspective that of Latino multicultural literature for children      **Celebrating Cuentos** Jamie Campbell Naidoo, 2010-11-18 More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature Latinos are the fastest growing and largest ethnic minority in the United States The number of Latino children is at a historic high As a result librarians and teachers in the United States must know how to meet the informational cultural and traditional literacy needs of this student demographic group An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures Much more than simply a topical bibliography this book details both historical and current practices in educating Latino children explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children and offers a historical overview of Latino children's literature in America Web resources of interest to educators working with Latino children are also included      **It's Not "One More Thing"** Anne Swenson Ticknor, Christy Howard, Mikkaka Overstreet, 2021-07-01 Ticknor Howard and Overstreet offer educators insights into the how tos of culturally responsive pedagogy They build on their experiences and research of CRP to offer vignettes of literacy instruction that may be common in K 12 classrooms These examples are offered as a way to situate how teachers may use research based and effective literacy practices while ignoring the identities and experiences of their students They disrupt the vignettes using theories and concepts presented in the chapter to make visible how each practice could be reimaged to integrate more culturally responsive strategies Example lessons and activities are provided in each chapter that offer readers glimpses into CRP thinking and decision making Guiding prompts are also included for readers to use the

chapter topic and example lessons to consider ways to be more culturally responsive teachers for their students and in their local communities

**Understanding Diversity Through Novels and Picture Books** Liz Knowles, Martha Smith, 2007-05-30 Understanding Diversity Through Novels and Picture Books goes beyond the usual multicultural lists and looks at the wide expanse of the diversity of cultures and lifestyles impacting children's lives in America today and identifies good books to have in library collections for them to read Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher librarian resources print and Web based as well as an excellent list of topical annotated journal articles Grades 4-8 Knowles and Smith examine current research on diversity and multiculturalism They move away from the traditional aspects of multicultural education food fashion folktales festivals and famous people to a focus on novels and picture books and realistic fiction to show children with diversity issues that there are others in similar positions The issue of authenticity whether the author of the book should be of that culture or merely familiar with the culture is discussed Topics include Ethnicities Asian Latino Hispanic African Black Native American White European Bi Multiracial Exceptionalities Ageism Socioeconomic Status Sexual Orientation Gender and Religion The authors provide this valuable resource for libraries schools and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance Grades 4-8

**Reclaiming Reading** Richard J. Meyer, Kathryn F. Whitmore, 2012-03-22 Inviting teachers back to the role of reflective advocates for thoughtful reading instruction this book presents theory and pedagogical possibilities to reclaim and build upon the knowledge base that was growing when government mandates scripted commercial programs and high stakes tests took over as the dominant agenda for reading instruction in U.S. public schools Focusing on literacy learners and their teachers lives as literate souls it examines how the teaching of reading can be reclaimed via an intensive reconsideration of five pillars as central to the teaching and learning of reading learning teaching curriculum language and sociocultural contexts Reclaiming Reading articulates the knowledge base that was marginalized or disrupted by legislated and policy intrusions into classrooms and provides practical examples for taking good reading instruction out of the cracks and moving it back to the center of the classroom Explaining what happens in readers' minds as they read and how teachers can design practices to support that process this book encourages teachers to initiate pedagogy that will help them begin or return to the stance of reflective knowledgeable professional decision makers
