**Crossing My Jordan** P.J. Taylor, 2011-07-28 My life begun hard and it seemed to just become more and more difficult throughout the years I once lived a life like J C Dougard and Elizabeth Smart but instead of one sexual predator I had many They had families to go home to where I had none I was forgotten about years and years ago and pretty much raised myself with only God s guidance since the age of thirteen I ve been exploited trafficked raped held hostage kidnapped and more Then God stepped in when death was almost beating at my door He stepped in Sometimes I feel as if my life wasn t planned by me but by God Once you read my story I m sure you ll understand You see all of my hopes dreams and plans for my life became sidetracked long ago due to many factors that took away so many of my plans my dreams for the future Through it all I ve become an amazing woman Able to stand tall and strong finding my inspirations along the way and praising God for all of His Angels Saints and Prophets who ve come along and saved me rescued me carried me and blessed my life so profoundly with their kind gentle caring ways Do you view human beings as just people or are you able to experience such a close relationship with God that you can view people as the little Gods they are Aren t we all supposed to be reflections of Our Lord and Savior Then why aren t you able to view those people for the Gifts they are Or are you able to see yourself and others how God sees you I hope you enjoy the journey of my life my story my testimony as much as I enjoyed writing it My story is a story of tragedy but yet it is also one full of inspiration hope strength courage family and love But mainly my story is about Life s Lesson s Learned Enjoy P J Taylor

her with a job as a personal assistant it's an offer she can't refuse. She's sure it won't be so bad. After all, her friend Lacey ended up with a cushy job vacationing with her billionaire boss in a ski resort and jet setting around on his private plane. If only she wasn't assigned to work for the most notoriously cruel werewolf CEO in Huntington Harbor. Reeve is a monster with a temper in the boardroom and with his staff. At least that's what the whispers on the streets say. With high stakes negotiations on the line and his personal life in ruins, the last thing Reeve needs is a distraction in the form of a sassy new assistant. When she's around, all he can think about is biting and claiming her. Unless he wants another scandal on his hands, she's completely off limits. But the wolf in him recognizes his mate, and he will hunt her until she belongs to him. Forever.

**BOOK 3 Billionaire Wolf Needs a Fake Girlfriend** He's jaded arrogance. She's cheerful sunshine. He made a deal to save his empire. She made a deal with the devil. Denver Roberts has a reputation as a hotheaded playboy billionaire. His lifestyle hasn't been a problem until now. If he can't prove that he's stable enough to lead his company, the board will vote him out. Denver handles this problem like everything else with a mutually beneficial business arrangement. Enter Sasha Bennett, the recently hired assistant designer at Denver's company. She's talented, stunning, and annoyingly cheerful, which means she's definitely not his type. Sasha has her own reasons for agreeing to his plan. After showcasing her designs on social media, she's gained an obsessive internet stalker who's been sending her threatening messages. To throw the stalker off her trail, she needs a fake boyfriend who can make her look untouchable. What better choice than Denver with his wealth, power, and intimidating presence? It's the perfect plan. Fake date for six months until the board thinks he's changed his wild ways, and the stalker has lost interest, then they can part ways and never speak again. But as they spend time together, sparks fly, and chemistry ignites. With pressure from all sides, their fake relationship becomes a lifeline, and it becomes impossible to pretend it's all a charade. When the stakes rise and Denver's wolf scents Sasha as his mate, he will risk it all and tear the world apart to keep her. Forever.

**Distant Relations** Carlos Fuentes, 2025-08-22 During a long, lingering lunch at the Automobile Club de France, the elderly Comte de Branly tells a story to a friend unnamed until the closing pages who is in fact the first person narrator of the novel. Branly's story is of a family named Heredia. Hugo, a noted Mexican archaeologist, and his young son Victor, whom Branly met in Cuernavaca and who became his house guest in Paris. There, they are gradually drawn into a mysterious connection with the French Victor Heredia and his son, known as Andre. There is a hard-edged emphasis on the theme of relations between the Old World and the New, as Branly's twilight Proustian existence is invaded and overcome by the hot, chaotic, and baroque proliferation of the Caribbean jungle. **Distant Relations** is a classic novel by Carlos Fuentes, translated by Margaret Sayers Peden.

**Becoming** Ty Singleton, 2013-12-09 I Am. Have you ever felt you are meant for some great purpose? That perhaps no one can see what you are truly worth? I am not talking about money or talents or cutting the grade. Being able to change your future through the past. Greatly affecting the past to

where you will be remembered I have thoughts that make me believe I am truly different My bequest to search for magical powers and special talents What I do with myself in a dream will affect my future Faced with making my own reality by growing from my past I must protect value and preserve something most precious How do I know this In the way they look at me even how they do not look at me I read their eyes knowing they rely on me to make the cut That final cut for the play That last chess move checkmate That final step across home plate the winning score I look into the guardian eyes I must not back down My purpose is much greater than life itself I am In the dimension between a dream world and reality there is magic that can only be learned by those predestined Special powers given at birth come with a price stronger and more powerful than any human can handle on their own There is a test for each power but unknown to each individual they must earn that gift and share it unselfishly with others instead of losing it to greater powers To the human eye these powers are hidden to those trained in the arts no power goes unnoticed Elise is of age to earn her special powers ones that she is unaware she holds Obstacles come into her path Who can she trust Will she be able to stop the evil following her and fulfill her prophecy
