The Desperate Dater's

Intervention Maureen Reil, 2017-05-06 Lacey Stanmore breaks up with her controlling boyfriend. Only he insists that they are merely on a break and not broken up for good at all. However, Lacey is determined to find herself another dude to replace him instead. This idea finds Lacey falling back into old habits and she becomes a desperate dater once more. When she goes out with men that are hardly the cashmere jumper of marriage material and more like a cheap suit made of polyester since they hardly measure up to her neighbour. Unfortunately for Lacey, the man she secretly loves from afar has a long-term girlfriend so that is never going to happen. Hence Lacey asks for advice from her flatmate when she needs a Plus One for the party she is going to the following weekend so her friend sets up a dating intervention for her. Where she enlists the help of certain people close to Lacey so they will choose her next dates for the week ahead and by the end of it Lacey might have found love you never know or at least something that resembles a decent date at least. Well, if you go on a series of consecutive blind dates in a row, then one of them is surely going to turn into a second date, right? This, of course, sees Lacey having more hilarious and some might say disastrous dates, then she knows what to do with. While nobody would believe her if she wrote them all down and put them in a book, but it's true. Will Lacey get the man of her dreams or just end up with a nightmare and a headache, not to mention the heartache? This laugh-out-loud story is a British romantic comedy novel and it contains a few swear words too. So if it sounds like your cup of tea, then please enjoy it sensibly.

October Fest Jess Lourey, 2011-05-08 Beer and polka music reign supreme at Oktoberfest Battle Lake's premier fall festival. To kick off the celebrations, the town hosts a public debate between the two congressional candidates: straight-laced Arnold Swydecker and slippery incumbent Sarah Glokkmann. As a reporter for the Battle Lake Recall, Mira James is roped into writing up the word war. But the festive mood sours when a well-known Glokkmann-bashing blogger is found dead and the congresswoman herself meets a gruesome fate. To keep the heat off her best friend's fiancé, an ex-con reporter Mira wades through the candidates' dirty laundry, their unsavory secrets, and some murderous mudslinging to expose the killer. Praise! With snappy jokes and edgy dialog, Lourey brings a Gen X tone to a traditional mystery. The classic romance setup and her effective handling of eldercare issues enhance a clever plot. More spunky than sweet, get started on this Lefty-nominated series if you've previously missed it. Library Journal starred review. Lourey has cleverly created an entertaining murder mystery with the most unlikely murder accomplice ever. Her latest is loaded with humor and many of the descriptions are downright poetic. Booklist starred review. The story is funny, ribald, and brimming with small-town eccentrics. Kirkus Reviews. I loved Lourey's quirky, appealing sleuth and her wry yet affectionate look at small-town life. No gimmicks, just an intriguing plot with oddball characters. I hope Mira's misfortune of stumbling over a dead body every month lasts for many years. Donna Andrews. New York Times bestselling author of *Stork Raving Mad*.
