With One Hand Tied behind My Brain Avrel Seale, 2020-11-17 Most would not expect a book about a stroke to be entertaining but this memoir will force you to laugh through a tragedy then cry then laugh again. Avrel Seale was fifty did not smoke or drink had low blood pressure and had hiked more than two hundred miles the year a stroke nearly ended his life. In an instant he was teleported into the body of an old man unbalanced shaky spastic and half paralyzed. Overnight he was plunged into a world of brain surgeons nurses insurance case managers and an abundance of therapists. Beginning three weeks before his stroke to set the stage Seale leads us through the harrowing day of his stroke and emergency brain surgery with minute by minute intensity. We then follow him through ICU a rehab hospital and a neuro recovery group living center where we meet a memorable cast of other stroke survivors and also those recovering from auto accidents and gunshots. Finally home Seale leads us through a new life of firsts including returning to work to driving to playing guitar to camping and even to writing a book all with one hand. What emerges from his humor elegant but devastating is a revealing critique of the hospital experience the insurance industry and rehab culture. And his nothing off the

table quest for recovery shows both the sobering struggles and inspiring possibilities of life after a stroke in twenty first century America

Identity Theft Debra Meyerson, Danny Zuckerman, 2019-05-14 Winner of the 2019 Silver Nautilus Book Award Identity Theft centers on Debra's experience her stroke her extraordinary efforts to recover and her journey to redefine herself But she also draws on her skills as a social scientist sharing stories from several dozen fellow survivors family members friends colleagues therapists and doctors she has met and interviewed By sharing this diversity of experiences Debra highlights how every person is different every stroke is different and every recovery is different She provides a valuable look at the broad possibilities for successfully navigating the challenging physical recovery and the equally difficult emotional journey toward rebuilding one's identity and a rewarding life after a trauma like stroke

From Stroke to Recovery My Walk with God Ms. Kim Blackwell, 2019-03-29 From Stroke to Recovery My Walk with God is the story about a 51 year old active independent healthy Christian woman who was doing what she loved She was running an art business and working with a travel company On October 8 2008 she suffered a massive stroke and her life would change forever The word recovery represents not just getting back her physical body but obtaining the things she would need to get her life back She tells of her miraculous recovery and her faith and trust in God knowing that he would get her through the many challenges she would face to get the aid and assistance that she had worked many years for It was through her determination and perseverance that she continued to endure until she obtained everything she needed to make her whole again This book will provide insight into the process of recovery and help others avoid the unnecessary pit falls that kept her from obtaining what she needed to get her life back The key to a successful recovery is you You must have the desire courage and will to get better Your attitude must always be of gratefulness You must be motivated to do what you are told to do You must accept your new life always remembering how blessed you are to be alive Finally recovery can not be done alone you must believe in God and stay in his word daily

A Stroke of Genius Sandy Simon, 2014-05 This book's first edition was written after my six year odyssey following my stroke The doctors said if I did not die I would be completely incapacitated physically mentally and emotionally They said I had lost 45% of my brain and was declared 100% disabled for life Somehow I found a way to healing and thriving as a human being This extended second edition has added information on my eleven additional years of successful therapies which have helped me fulfill my life beyond my dreams This edition includes my mentoring with other stroke survivors who have contacted me after they read the first edition
