## **Myanmar Government And Politics:**

Myanmar Verinder Grover,2000      **Democratisation of Myanmar** Nehginpao Kipgen,2015-12-22 This topical book studies the process of democratic transition in Myanmar It outlines the factors that contributed to the political transition in the country and the circumstances in which the transition from military rule of nearly five decades to democracy took place The author shows how political groups especially Aung San Suu Kyi s National League for Democracy and the military that had been hostile to the idea and practice of democracy came to work together paving the way for the political change after protracted struggle The volume also examines the role of the civil society elites external agencies and institutions in the process of democratic change Bringing together a balance of primary ethnographic fieldwork and nuanced analyses this book will be of great interest to scholars and researchers of Asian and Southeast Asian Studies politics and political processes democratization process and democratic transitions international relations peace and conflict studies especially those concerned with Myanmar

**The Politics of Federalization in Myanmar** Dulyapak Preecharush,2023-02-24 This book examines the trajectory of federalization in Myanmar s political development evaluating the attitudes of different political actors toward and negotiation strategies for designing federalism It argues that three factors drive federalization in Myanmar namely constitutionalization conflict management and democratization The confluence of these forces arrived at a critical juncture in 2011 the start of Myanmar s political transition leading to significant changes in Myanmar s federation process By analyzing the changes and continuities in federalism building the book charts the dynamic pathway toward Myanmar s current federalization revealing how periods of progress and stagnation reflect varying world views and the individual strategies of prominent political actors Offering a systematic conceptual framework on federalism in Myanmar this will be a useful resource for students and scholars of Political Science Comparative Politics and Southeast Asian Politics

*Myanmar* Adam Simpson,Nicholas Farrelly,2020-09-14 This book provides a sophisticated yet accessible overview of the key political economic and social challenges facing contemporary Myanmar and explains the complex historical and ethnic dynamics that have shaped the country With clear and incisive contributions from the world s leading Myanmar scholars this book assesses the policies and political reforms that have provoked contestation in Myanmar s recent history and driven both economic and social change In this context questions of economic ownership and control and the distribution of natural resources are shown to be deeply informed by long standing fractures among ethnic and civil military relations The chapters analyse the key issues that constrain or expedite societal development in Myanmar and place recent events of national and international significance in the context of its complex history and social relations In doing so the book demonstrates that ethnic and cultural diversity is at the core of Myanmar s society and heavily influences all aspects of life in the country Filling a gap in the market this research textbook and primer will be of interest to upper undergraduates postgraduates and scholars of Southeast Asian politics economics and society and to journalists and professionals working within governments

companies and other organisations      **Government and Politics in Southeast Asia** N. John Funston, 2001 In this substantial and referenced study nine leading scholars present from inside the history society geography economy and governmental institutions of each of the 10 ASEAN countries Brunei Cambodia Indonesia Laos Malaysia Myanmar Philippines Singapore Thailand and Vietnam      **Conflict in Myanmar** Nick Cheesman, 2017-03-09 As Myanmar's military adjusts to life with its former opponents holding elected office Conflict in Myanmar showcases innovative research by a rising generation of scholars analysts and practitioners about the past five years of political transformation Each of its seventeen chapters from participants in the 2015 Myanmar Update conference held at the Australian National University builds on theoretically informed evidence based research to grapple with significant questions about ongoing violence and political contention The authors offer a variety of fresh views on the most intractable and controversial aspects of Myanmar's long running civil wars fractious politics and religious tensions This latest volume in the Myanmar Update Series from the ANU College of Asia and the Pacific continues and deepens a tradition of intense critical engagement with political economic and social questions that matter to both the inhabitants and neighbours of one of Southeast Asia's most complicated and fascinating countries

**International Norms and Local Politics in Myanmar** Yukiko Nishikawa, 2022-03-07 Nishikawa explores how international norms have been adopted in the local context in Myanmar to project a certain international image while in fact the authorities are exploiting these norms to protect their own interests In the liberal international world order promoted since the end of the Cold War democracy rule of law and human rights have become key components in state and peace building around the world Many donor governments and international organisations have promoted them in their aid and assistance However the promotion of these international norms is based on a flawed understanding of sovereignty and the world For this reason the enforcement of these international norms in Myanmar not only fails to protect vulnerable people but also in some instances exacerbates the situation thereby generating critical insecurity to the most vulnerable people A vital resource for scholars of Myanmar's politics as well as a valuable case study for International Relations scholars more broadly      **Myanmar's Changing Political Landscape** Makiko Takeda, Chosein Yamahata, 2023-04-05 Myanmar has faced numerous divisions that hinder its democratization and peacebuilding processes since emerging out of decades of military dictatorship The coup d'état in 2021 terminated Myanmar's limited and nascent democratization under the civilian leadership of the National League for Democracy NLD not only did the coup regime resurface old struggles but also created new ones Against the backdrop of Myanmar's changing political landscapes from military to quasi civilian to civilian rule in 2016 and back to military rule in 2021 the book discusses the various forms of interconnected struggles both old and new In this process the contributed chapters come together to highlight the changing dynamics of stakeholders relations between agents and beneficiaries and the generated evolutionary processes in Myanmar's democratization and its reversal This book brings an even mix of researchers both within and outside of Myanmar to critically discuss how different agents and their

interactions in the form of center periphery as well as state non state relations continuously shape today s political landscape Its interdisciplinary composition also invites readers from various backgrounds to grasp with engaged research that identifies the various challenges and addresses ways in which to facilitate change from local and international perspectives

Myanmar's Fragmented Democracy: Transition Or Illusion? Felix Thiam Kim Tan, 2022-07-14 The recent military coup in Myanmar perpetrated by the Tatmadaw has set the country back to the days of political uncertainty and military authoritarianism This book examines how far the country has come since its nascent attempt at democratic reforms and democratisation in 2010 Each chapter considers some of the more prominent issues that have plagued Myanmar since political reforms started First there have been debates about the extent to which democratic reforms have been achieved since the Constitution was formalised in 2008 Second what has been the significance of the three elections in 2010 2015 and 2020 Third how has the National League for Democracy transformed in the past decade How far has the Union Solidarity and Development Party changed the political landscape What roles did the Tatmadaw play in the last decade Fourth questions surrounding how the ethnic crisis not least the Rohingya issue have continued to dominate the country's political landscape in the last decade thereby overshadowing its democratisation process Finally how far have these efforts at democracy demonstrated Myanmar's futile attempts at appeasing the domestic and international audience Myanmar's relations with the global and regional community vis vis the US China and the Association of Southeast Asian Nations have also taken a toll in the last decade There is already a shift in power politics especially with China determining the direction of Myanmar Myanmar has been locked in a perpetual cycle transitioning between military authoritarianism and democratisation These prevailing issues have led to a fragmented democracy and a lost opportunity to demonstrate its foray into a genuine democracy

**Energy, Governance and Security in Thailand and Myanmar (Burma)** Adam Simpson, 2016-04-29 Across the world states are seeking out new and secure supplies of energy but this search is manifesting itself most visibly in Asia where rapid industrialisation in states such as China and India is fomenting a frantic scramble for energy resources Due to entrenched societal inequities and widespread

authoritarian governance however the pursuit of national energy security through transnational energy projects has resulted in devastating impacts on the human and environmental security of local populations These effects are particularly evident in both Thailand and Myanmar Burma which located at the crossroads of Asia are increasingly engaged in the cross border energy trade Based on extensive fieldwork and theoretical analysis this ground breaking book proposes a new critical approach to energy and environmental security and explores the important role that both local and transnational environmental movements are playing in the absence of effective and democratic governments in providing activist environmental governance for energy projects throughout the region By comparing the nature of this activism under two very different political regimes it delivers crucial theoretical insights with both academic and policy implications for the sustainable and equitable development of the South s natural resources

**Myanmar's Political Transition and Lost Opportunities (2010-2016)** Ye Htut, 2019-09-17 This book is about the politics of Myanmar under the reformist president Thein Sein After taking office in March 2011 Thein Sein initiated the bloodless Myanmar Spring He was able to transform Myanmar into a more transparent and dynamic society bring Aung San Suu Kyi and other opposition activists into the political process initiate a peace process with the ethnic armed organizations reintegrate Myanmar into the international community after five decades of isolation and most importantly for the first time since the country regained independence in 1948 he was able to enact the peaceful transfer of power from one elected government to another But Thein Sein also lost opportunities to deliver what the people anticipated and he failed to bring his USDP party to victory in the 2015 election This book is not about the successes of the Thein Sein administration Rather it examines the reasons behind the lost opportunities in the transition to democracy It draws on the author s experiences as a member of Thein Sein s cabinet as well as on extensive interviews with other cabinet members and politicians involved in the crucial events that took place between 2010 and 2016 The book is a must read for anyone interested in this critical period of change for Myanmar

**International Pressures, Strategic Preference, and Myanmar's China Policy since 1988** Nian Peng, 2020-09-08 This book mainly explored the driving forces and evolution of Myanmar s China policy since 1988 by adopting a neo classical realist approach an emerging theoretical paradigm aiming at analyzing state s foreign behaviour by connecting systemic and unit variables which refers to external environments and domestic restraints respectively It is the first book that seeks to give a theoretical explanation of Myanmar s diplomacy thereby bridging the gap from basic research to the deep one with theories It also introduced the concept of strategic preference and argued that the competing strategic preference that the Burmese leaders have namely integration and isolation determines Myanmar s responses to China in the Post Cold War era which not only demonstrates the neo classical realism as an useful instrument of looking into state s foreign policy and deepens the understanding on Myanmar China relations The main content of this book is divided into seven parts in which the first chapter introduces the background the present study on Myanmar s China policy and China s Myanmar policy the analytical

framework and the arrangement of the content Chapter 2 focuses on the roots and changes of Myanmar's competing strategic preference as well as its influences on Myanmar's foreign policy The following four chapters examine the international pressures and benefits imposed by systemic imperatives and Burmese leaders specific strategic preference since 1988 and investigate Myanmar's policy towards China in different periods Finally it provides a comprehensive conclusion that outlines and reviews the origins and evolution of Myanmar's China policy and predicts its future directions This book is suitable for the graduates and experts who are interested in international relations the Asian studies and neo classical realism in particular and Myanmar politics and foreign relations as well as China's relation with neighboring countries

Myanmar's Transition Nick Cheesman, Monique Skidmore, Trevor Wilson, 2012 With the world watching closely Myanmar began a process of political administrative and institutional transition from 30 January 2011 After convening the parliament elected in November 2010 the former military regime transferred power to a new government headed by former Prime Minister and retired general U Thein Sein With parliamentary processes restored in Myanmar's new capital of Naypyitaw Thein Sein's government announced a wide ranging reform agenda and began releasing political prisoners and easing press censorship Pivotal meetings between Thein Sein and Aung San Suu Kyi led to amendment of the Election Law and the National League for Democracy contesting by elections in April 2012 The 2011 Myanmar Burma update conference considered the openings offered by these political changes and media reforms and the potential opportunities for international assistance Obstacles covered include impediments to the rule of law the continuation of human rights abuses the impunity of the Army and the failure to end ethnic insurgency

**Myanmar's Mountain and Maritime Borderscapes** Su-Ann Oh, 2016-08-16 This edited volume adds to the literature on Myanmar and its borders by drawing attention to the significance of geography history politics and society in the construction of the border regions and the country First it alerts us to the fact that the border regions are situated in the mountainous and maritime domains of the country highlighting the commonalities that arise from shared geography Second the book foregrounds socio spatio practices e economic intimate spiritual virtuale of border and boundary making in their local context This demonstrates how state defined notions of territory borders and identity are enacted or challenged Third despite sharing common features Myanmar's borderscapes also possess unique configurations of ethnic political and economic attributes producing social formations and figured worlds that are more cohesive or militant in some border areas than in others Understanding and comparing these social practices and their corresponding life worlds allows us to re examine the connections from the borderlands back to the hinterland and to consider the value of border and boundary studies in problematizing and conceptualizing recent changes in Myanmar

**Encyclopaedia of Indian Government and Politics: Indian foreign policy**, 2000 **International Politics and National Political Regimes** Peter Burnell, Oliver Schlumberger, 2014-06-11 There is much speculation about whether democracy is still advancing around the world and the influence that leading authoritarian or semi authoritarian regimes

such as Russia are starting to have on the trends This collection assesses global trends in democratisation reviews the condition of international democracy promotion and enquires into whether serious competition in the form of autocracy promotion is now a major possibility The influence of international politics on national political regimes is explored in more detail for Russia s resistance to democracy promotion and Russian influence on regimes in Central Asia in particular along with an Indian perspective on India s reluctance to push for democracy abroad and concerns that democracy promotion itself should be considered more critically if it undermines democratisation in foreign aid dependent states The book concludes by briefly addressing the potential significance of the 2011 Arab spring for these themes This book was published as a special issue of Contemporary Politics
