Experience the Mystery David Regan, 1994 A Liturgical Press book Revision of the author's thesis doctoral Pontifical Gregorian University at Rome 1992 Includes bibliographical references and index      **A Quintology: "Ask, and Ye Shall Receive."** Walter Clemow Lanyon, 1970      *The Mystagogical Catechesis of Narsai of Nisibis* Jordan Ryan Turney, 2022 This thesis is a study of Narsai of Nisibis's m m r on the sacraments of the baptismal liturgy that situates these m m r in their Syriac theological context and presents them as an important witness to Late Antique Christian mystagogy Narsai is a significant figure in the Syriac Christian tradition yet he has received comparatively little scholarly attention especially in the West However an increase in editions and studies of Narsai's work over the last century has led to a further awareness of his influence on Syriac Christianity Several scholars have pointed out that these m m r bear a resemblance to other Late Antique Christian mystagogical texts which presents the question as to what contributions his m m r make to our understanding of Late Antique Christian mystagogy Chapter 1 presents an introduction to Christian mystagogy in Late Antiquity and an introduction to Narsai and his mystagogical m m r Chapter 2 constructs an approach to Syriac symbolic theology by analyzing various images employed for the sacraments in the writings of two prominent Late Antique Syriac authors Ephrem the Syrian and Jacob of Serugh Chapters 3 and 4 employ the framework of chapter 2 to analyze the imagery Narsai employs to explain the function and significance of the sacraments and the persons involved in the sacraments respectively Chapter 5 brings the analysis of Narsai's m m r into a cohesive whole to present his contributions to the task of Late Antique Christian mystagogy and suggests further avenues of research      To Extend the Sight of the Soul Hanna J. Lucas, 2015 Mystagogy a bishop's instruction to the newly baptized on the meaning of the Sacraments emerged as a form of fourth century Christian catechesis which involved the experience of the liturgy the explanation of the mysteries through typological interpretation and it included the tacit conveyance of an articulated worldview This worldview was that of the Platonist Christian synthesis This

patristic worldview hinged upon a foundational assumption of the sacramental participation of the created world in the eternal it hinged upon a sacramental ontology This thesis seeks to highlight the ways in which this sacramental ontology is expressed and imparted to the catechumens throughout Theodore of Mopsuestia's mystagogical teachings This investigation will explore examples from within Theodore's general Christology and from his mystagogy which reveal the dynamic presence of this ontology and also the unique emphases towards which Theodore as a fourth century Antiochene thinker is inclined
