Adrienne E. Gavin, Christopher Routledge, 2001-02-20 The first book to assess critically mystery in children's literature this collection charts a development from religious mystery through rationally solved detective fictions to insoluble supernatural and horror mysteries Written by internationally recognised scholars in the field these thirteen original essays offer challenging and innovative readings of both classic and popular mysteries for children This volume will be essential and stimulating reading for anyone with an interest in children's literature or in mystery fiction When Writing Workshop Isn't Working Mark Overmeyer, 2023-10-10 Writing is hard work Teaching it can be even harder As most teachers know writer's workshop doesn't always go as planned and many find there are obstacles that they consistently struggle with In his role as a literacy coordinator and teacher Mark Overmeyer has heard the same issues raised again and again by both new and experienced colleagues When Writing Workshop Isn't Working Answers to Ten Tough Questions Grades 2-5 provides practical advice to overcome these common problems and get your writing workshop back on track Acknowledging the process-based nature of the writing workshop this book does not offer formulaic program-based one-size-fits-all answers but presents multiple suggestions based on what works in real classrooms The ten key questions this book addresses include How do I help students who don't know what to write about How do I help students develop stronger vocabulary and word choice How do I prepare my students for standardized tests without compromising my writing program How should I assess student writing How can I help my students use revision effectively This book is a handy reference tool for answering specific questions as they pop up during the year Overmeyer uses student examples throughout to help teachers envision these solutions in their own classes and he includes an array of classroom-tested ideas for helping primary and intermediate English language learners There may not be any easy answers to the complexities of writer's workshop but by identifying and providing advice on the most common stumbling blocks one encounters When Writing Workshop Isn't Working provides a solid groundwork freeing up time and creativity for teachers to address the specific needs of their students *Reading Power, Revised & Expanded Edition* Adrienne Gear, 2015-10-06 Ten years ago Reading Power was launched in an elementary school in Vancouver It has since evolved into a recognized approach to comprehension instruction being implemented across Canada in the United States United Kingdom Sweden and China This ground-breaking approach showed teachers how to help students think while they read connect question visualize infer and transform Since the publication of the first edition of Reading Power Adrienne Gear has continued to reflect on and refine her ideas about metacognition comprehension instruction and the Reading Power strategies This revised and expanded edition shares these new understandings and offers teachers new ideas new lessons and of course new anchor books to support the Reading Power principles An ideal resource for teachers familiar to this strategic approach to teaching reading or for those looking for new ways to connect thinking with

reading **The Avant-garde and American Postmodernity** , An evaluation that tracks American culture s shift from modernism into postmodernism *The Morals of Monster Stories* Leslie Ormandy,2017-08-07 The simplicity of children s picture books stories told with illustrations and a few well chosen words or none at all makes them powerful tools for teaching morals and personal integrity Children follow the story and see the characters behaviors on the page and interpret them in the context of their own lives But unlike many picture books most children s lives don t feature monsters This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters Topics include monsters as instructors the normalization of strangers or the other fostering gender norms and therapeutic monsters among others *Writing Mysteries in the Classroom* Cheryl Garrett,2007-05 Students naturally love the thrill of solving crimes and cracking mysteries Why not allow them to learn to write their own suspenseful stories *Writing Mysteries in the Classroom* takes students step by step through the process of creating a good mystery story Lessons include creating believable settings writing suspenseful plots detailing a crime scene implementing mysterious tones and moods describing suspicious characters and writing realistic dialogue Each lesson includes examples for students to follow and contains exercises that allow students to progressively complete their own detective stories Grades 5 8
