The Gnostic Bible: The Pistis Sophia Unveiled Samael Aun Weor,2025-02-01 The words of Jesus unedited and clearly explained It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them The Pistis Sophia The Apostles wrote down what Jesus taught them during those eleven years resulting in The Pistis Sophia the most important Gnostic scripture This edition includes an extensive commentary by Samael Aun Weor The Pistis Sophia is a sophisticated and deeply mystical teaching given by Jesus about the suffering of Sophia as she attempts to ascend to the highest spiritual truth This scripture is remarkable for its profound mysticism its clear rebuke of unethical behavior and its perspective on the spiritual role of women Having read this text it becomes very clear why the established religious powers attempted to obliterate the Gnostics but failed Study of this teaching also inspires a re evaluation of how the Christian Gospels have been interpreted for centuries Most importantly the teachings presented here provide a remarkable insight into the true requirements for genuine spiritual development About this scripture the commentary author Samael Aun Weor said The

Hebrew Bible clearly connotes the Word of the Eternal One However we the Gnostics also have our very special Bible I want to emphatically declare that this is The Pistis Sophia whose original is in Coptic It was found underground in Egypt the land of the Pharaohs The Pistis Sophia contains all the words of the adorable Savior of the world It was written by the Apostles Thus all the Esoteric Christic instructions that Jesus Christ gave to his disciples on the Mount of the Olives and other holy places is written within this book This book had been conserved in secret for many centuries In this book the Adorable One left an extraordinary formidable body of doctrine The Pistis Sophia Unveiled is a message for all humankind in every corner of the world *DIE(T) TRYING* Kenneth Schwarz,2017-12-05 **Treatise of Revolutionary Psychology** Samael Aun Weor,2025-01-01 Even if one is the most sinful of all sinners one shall yet cross over the ocean of sin by the raft of self knowledge alone As the blazing fire reduces wood to ashes similarly the fire of self knowledge reduces all bonds of karma to ashes Krishna Bhagavad gita 4 36 37 This book begins by asking the questions Who are we Where do we come from Where are we going What are we living for Why are we living The answers to these questions can be discovered if one knows where and how to look No matter who we are we feel fulfillment happiness and purpose inside of ourselves These qualities are not felt outside of ourselves and cannot be found in external things or circumstances Similarly knowledge of ourselves and our purpose cannot be found in external things but are found inside By knowing what is in our hearts and minds by seeing what we usually ignore we learn not only what we are capable of but also what prevents us from developing our full potential That knowledge shows us the way to genuine change All things all circumstances that occur outside ourselves on the stage of this world are exclusively the reflection of what we carry within With good reason then we can solemnly declare that the exterior is the reflection of the interior When someone changes internally and if that change is radical then circumstances life and the external also change Samael Aun Weor *A Funny Thing Happened on the Way to Heaven* Corey Taylor,2013-07-16 Slipknot and Stone Sour singer Corey Taylor s New York Times bestselling journey into the world of ghosts and the supernatural Corey Taylor has seen a lot of unbelievable things However many of his most incredible experiences might just shock you For much of his life the Grammy Award winning singer of Slipknot and Stone Sour and New York Times bestselling author of *Seven Deadly Sins* has brushed up against the supernatural world Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100 000 people at Download Festival or debuting at 1 on the Billboard Top 200 Since growing up in Iowa his own curiosity drew him into situations that would ve sent most people screaming scared and running for the hills He s ballsy enough to go into the darkness and deal with the consequences though As a result he s seen ghosts up close and personal whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion He s also got the memories and scars to prove it For some reason he can t seem to shake these spectral stories and that brings us to this little tome right here At the same time being an erudite tattooed modern Renaissance Man he was never one for Sunday Service Simply put he s seen ghosts

but he hasn't seen Jesus Taylor especially can't find a reason why people do the insane things they do in HIS name That's where everything gets really interesting His second book A Funny Thing Happened on the Way to Heaven compiles Taylor's most intimate incredible and insane moments with the supernatural His memories are as vivid as they are vicious As he recounts these stories he questions the validity of religious belief systems and two thousand year old dogma As always his rapid fire writing razor sharp sense of humor unbridled honesty and cozy anecdotes make quite the case for his point You might end up believing him or not That's up to you of course Either way you're in for a hell of a ride **Movie Magick**
David Huckvale, 2018-11-07 Magick as defined by Aleister Crowley is the Science and Art of causing Change to occur in conformity with Will This book explores expressions of movie magick in classic occult films like Hammer's adaptation of Dennis Wheatley's The Devil Rides Out and modern occult revival movies These films are inspired by the aesthetics of fin de siècle decadence the symbolist writings of Villiers de l'Isle Adam Wagnerian music drama the Faust legend the pseudo science of theosophy 1960s occult psychedelia occult conspiracy theories and obscure aspects of animation **Books in Print**, 1991
