Mysteries And Christianity:

Removing the Mysteries of Christianity Tony Murray, 2007-09 God has always been the same Though people change human nature remains the same from the time of Adam and Eve Forces that include angels and evil spirits have been in existence for ages and have built barriers between God and His creation Scripture explains much of the associated mysterious evidence that has been uncovered by science God's plan is to reconcile to Himself as many as would be willing He revealed and confirmed this plan and continues to do so by the work of His Spirit through the lives of many This plan is framed and executed by love In order to participate in God's plan exposure to this largely misunderstood love is required Since the plan is communicated through imperfect people it is often misunderstood and rejected This book is for assisting God's people to obtain an improved understanding of both His love and His plan TONY MURRAY Raised in denominational churches the author helped start and served for years as assistant pastor in non denominational churches in Ohio He then served as pastor for a period of time For over twenty years he worked in the training profession while observing the reactions and tendencies of people as they dealt with various circumstances He recognized first in himself but in others also that these reactions and tendencies varied very little regardless of someone's abandonment to a church person or cause He sees that while it is a decent gesture to commit to one's concept of Christianity Christ often is not served Misconceptions about God abound He resolved to stress that the responsibility of the Christian is to abandon themselves completely to the person and teaching of Christ Jesus Anything less will result in falling short of impacting the world the way that God desires

The Mysteries of Christianity Matthias Joseph Scheeben, 2023-03-17 The Mysteries of Christianity is Matthias Joseph Scheeben's youthful magnum opus a logically rigorous and spiritually profound dogmatic theology In its pages he explores the intelligibility of Christianity's supernatural mysteries and their deep connectedness ultimately demonstrating that Christian theology constitutes a science before the court of human reason even as its object transcends human comprehension Scheeben's task is to present a unified view of the whole panorama of revealed truth and he pursues this by considering nine key Christian mysteries the Trinity creation sin the Incarnation the Eucharist the Church and its sacraments justification eschatological glory and predestination Since the mystery of the Trinity is the root of the supernatural order Scheeben begins here showing that the foundation of the salvific economy lies in the eternal processions of persons in God the begetting of the Son and the spiration of the Spirit being in different ways the cause of the life of grace in the human soul When the Son and the Spirit are sent into the world in the Incarnation and through the bestowal of grace they provide the way for human beings to see God face to face in the beatific vision the end for which God created humans Among the means of return to God Scheeben particularly emphasizes the Eucharist on account of its close connection with the mystery of the Incarnation By placing his treatment of the Eucharist before that of the Church he signals that his is a genuinely Eucharistic ecclesiology centered on the abiding presence of the incarnate divine Son

 Christianity as Mystical Fact and the Mysteries of Antiquity by Dr Rudolf Steiner Author of *Mystics of the Renaissance The Gates of Knowledge* etc Edited by H Collison CONTENTS include Points of View The Mysteries and their Wisdom The Greek Sages before Plato in the Light of the Wisdom of the Mysteries Plato as a Mystic The Wisdom of the Mysteries and the Myth The Mystery Wisdom of Egypt The Gospels The Lazarus Miracle The Apocalypse of St John Jesus and His Historical Background The Nature of Christianity Christianity and Heathen Wisdom St Augustine and the Church Notes Reproduction of 1914 Edition **ACCOUNT OF REASON AND FAITH** JOHN. NORRIS,2018 The Mass and its Mysteries Compared to the Ancient Mysteries Jean-Marie Ragon,2014-08-11 This book demonstrates conclusively the identity of the solar and lunar rites of the Greeks Romans and other peoples ancient and modern to the rites of Freemasonry and Christianity a complete demonstration of the incorporation of the Solar and Phallic Mysteries in Christianity Aleister Crowley *Greek Myths and Christian Mystery* Hugo Rahner,1971 **The Jesus Mysteries** Timothy Freke,Peter Gandy,2001-09-25 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable

Esoteric Christianity, or The Lesser Mysteries Annie Besant,2022-05-28 In *Esoteric Christianity or The Lesser Mysteries* Annie Besant explores the deeper spiritual meanings and hidden truths of Christian doctrine offering a provocative interpretation that bridges Eastern and Western religious thought Drawing from a rich tapestry of philosophies including Theosophy and ancient mysticism Besant employs a discourse that is both enlightening and contemplative urging readers to transcend the superficial tenets of Christianity to grasp its more profound esoteric teachings The book challenges

conventional religious paradigms positioning itself within the literary context of early 20th century spiritual revivalism where a quest for deeper truth was prevalent Annie Besant was a prominent Theosophist social reformer and advocate for mental and spiritual awakening Her lifelong journey through various ideologies including atheism social activism and mysticism shaped her views on religion particularly Christianity which she regarded as a foundational yet often misinterpreted spiritual path Besant s intellectual and spiritual pursuits led her to view the esoteric as a vital aspect of personal and collective transformation culminating in the creation of this thought provoking work This book is highly recommended for those seeking to deepen their understanding of Christianity beyond its dogmatic boundaries It provides readers with a unique framework for considering the interplay of spirituality morality and mystery within a familiar faith tradition Whether you are a scholar of religion or a seeker on a spiritual path Besant s insights will provoke critical thought and inspire a richer comprehension of the sacred

Christianity as Mystical Fact Rudolf Steiner, 1997-05 Written 1902 CW 8 As simultaneously mysticism and fact Christianity is a breakthrough in the historical development of humanity for which the mysteries with the results that they brought about form a prior evolutionary stage Rudolf Steiner During the fall and winter of 1901-02 Steiner gave a series of lectures called Christianity as Mystical Fact to members of the Theosophical Society The lectures were rewritten and issued as a book later that year They mark a watershed in the development of Western esotericism Steiner wrote of the idea behind his book The title Christianity as Mystical Fact was one I gave to this work eight years ago when I gathered together the content of lectures given in 1902 It was meant to indicate the special approach adopted in the book Its theme is not just the mystical side of Christianity in a historical presentation It was meant to show from the standpoint of a mystical awareness how Christianity came into being Behind this was the idea that spiritual happenings were factors in the emergence of Christianity which could only be observed from such a point of view It is for the book itself to demonstrate that by mystical I do not in any way imply a vague intuition rather than strict scientific argument In many circles mysticism is understood as just that and therefore it is distinguished from the concerns of all genuine science In this book however I use the term to mean a presentation of spiritual reality a reality accessible only to a knowledge drawn from the sources of spiritual life itself Anyone who denies the possibility of such knowledge in principle will find its contents hard to comprehend any reader who accepts the idea that mysticism may coexist with the clarity of the natural sciences may acknowledge that the mystical aspect of Christianity must be described mystically This is a significant book for Steiner s own development that of Western esotericism and our own understanding of the Christ event Readers will find the evolutionary development from the ancient Mysteries through the great Greek philosophers to the events portrayed in the Gospels Included are an informative introduction and annotated notes by Andrew Welburn and an afterword by Michael Debus a priest of The Christian Community who summarizes the book and places it in context This book is a translation from German of *Das Christentum als mystische Tatsache und die Mysterien des Altertums* GA 8 Cover image Photo of Bordeaux Cathedral

by James Nicholls The Mysteries, Resurrection, and 1 Corinthians 15 Terri Moore, 2018-09-15 Often ignored misunderstood or compared with Christian belief in a haphazard or inconsistent manner the Mysteries of the Graeco Roman world when handled carefully and consistently can aid in elucidating the context of New Testament texts By closely examining the Eleusinian Mysteries and the Mysteries of Isis and particularly their promises of a pleasant afterlife in Hades for those initiated into the cults this work offers insight into difficult interpretational issues in First Corinthians 15 The work proceeds from a methodological commitment to understanding the Mysteries in their own right and without an overlay of Christian belief The book includes a broad overview of the Eleusinian Mysteries and the Mysteries of Isis and their place in Graeco Roman culture taking a deep and careful dive into conceptions of the afterlife in these cults In each instance available historical data is considered from works of mythology to dramas to archeological fragments all with a focus on afterlife beliefs With an ultimate goal to better understand Paul s writing in First Corinthians 15 the study includes an overview of Corinthian society and a particular examination of the available evidence concerning the impact of the Mysteries on Corinthians expectation of the afterlife Having considered the Mysteries independently the work turns to First Corinthians 15 with a brief exegetical overview before drawing careful comparisons between Paul s teaching and the afterlife beliefs of the Mysteries The book concludes with suggestions for interpretational issues on Paul s teaching in first Corinthians 15 regarding death and resurrection and baptism for the dead Esoteric Christianity Annie Besant, 2020-07-18 Reproduction of the original Esoteric Christianity by Annie Besant **The Greater and Lesser Mysteries of Christianity** Ron MacFarlane, 2015-12-16 CONTEMPORARY CHRISTIANITY the world religion established by the God Man Christ Jesus and founded on the revelatory principle that God is love is hardly the shining example of ideological unity and universal brotherhood that it was intended to be There are approximately 41 000 different Christian denominations in the world today many of which are fervently hostile to each other Atheistic and anti Christian polemicists have concluded that there is something inherently wrong with Christianity itself and in consequence it is doomed to failure and eventual extinction Discerning Christian advocates however know that any apparent failure to realize the high ideals of Christianity is not due to the profound teachings and the illustrious life example of Christ Jesus but instead to the limitations of wounded human nature Corrupt power hungry destructive and evil minded human beings have twisted distorted and fragmented true Christianity for the past two thousand years and continue to do so today Moreover on a much deeper spiritual level since Christianity is indeed a divinely initiated endeavor to help restore fallen humanity powerful and demonic beings have attempted to destroy nascent Christianity from its very inception But thankfully according to Christ Jesus himself the powers of hell will not prevail against it Christianity Matt 16 18 Sadly contributing to the injurious fragmentation of Christianity the religion of divine love is the sectarian hostility between certain proponents of anthroposophy and select members of the Catholic Church In both cases this is largely due to ignorance that is an almost complete lack of understanding about the true

significance and mission of the other anthroposophical critics know almost nothing of Catholicism and Catholic critics know almost nothing about anthroposophy The wonderful reconciliatory fact is that anthroposophy and Catholicism are not conflicting polar opposites but are instead like two sides of the same golden coin different but complementary Instead of only one side or the other being the only true approach to Christ Jesus both are uniquely necessary and both positively contribute to the complete truth of Christianity Since this author is happily and harmoniously both an anthroposophist and a Catholic The Greater and Lesser Mysteries of Christianity The Complementary Paths of Anthroposophy and Catholicism earnestly seeks to correct the misinformation and lack of understanding that each partisan critic has for the other As in almost every significant dispute increased knowledge and familiarity about each other will in time bring both sides closer together for mutual growth and benefit

The Star of Higher Knowledge Ron MacFarlane, 2015-02-06 When Christ Jesus walked the earth over two thousand years ago he established a two fold division in his teaching that has continued to this day To the general public he simplified his teaching and presented it in pictorial allegorical and figurative imagery in the form of stories parables and lessons that could be imaginatively and intuitively understood To his inner circle of disciples who were sufficiently prepared however he taught more plainly and directly in the form of intellectual concepts clear ideas and logical reasoning that could be understood on a much deeper and wider level of comprehension As biblically explained Then the disciples came and said to him Why do you speak to them the general public in parables And he answered them To you it has been given to know the secrets of the kingdom of heaven but to them it has not been given This is why I speak to them in parables because seeing they do not see and hearing they do not hear nor do they understand Matt 13 10 13 Moreover in union with the divine Our Saviour was able to reveal sacred knowledge that had never been previously presented in the entire history of mankind I will explain mysteries hidden since the creation of the world Matt 13 35 This sacred and revealed knowledge has been termed Christ mysteries or mysteries of the Son After his glorious resurrection and ascension Christ Jesus institutionalized his two fold mystery teachings through St Peter and St John the Evangelist not the apostle Through St Peter Our Saviour instituted a universal Christian religion and theology to preserve promote and convey the more basic and simplified mystery teachings that are intended for the general public Through St John Christ Jesus instituted a universal Christian philosophy and theosophy to preserve promote and convey the more comprehensive and complex mystery teachings that are intended for the more advanced disciples Christian initiates In esoteric terminology the institutionalized teachings through St Peter are known as the lesser mysteries of exoteric Christianity The institutionalized teachings through St John are known as the greater mysteries of esoteric Christianity While both mystery teaching approaches are equally sacred profound and intended to complement each other corrupt and intolerant authorities within the universal institution Church of St Peter for many centuries persecuted and attacked any public expressions of esoteric Christianity Consequently genuine historical forms of esoteric Christianity such as the Knights of the Holy Grail and the Fraternity of the Rose Cross

were forced to be secretive and publicly hidden during the past two thousand years Thankfully today the social political and intellectual climate has progressed to the point where the greater mystery teachings of esoteric Christianity can begin to be publicly revealed for the first time This modern day outpouring really began with the twentieth century establishment of anthroposophy by Rudolf Steiner 1861 1925 The information and approach presented in The Star of Knowledge The Five Guiding Mysteries of Esoteric Christianity is intended to augment and continue the mystery teachings of Christ Jesus as safeguarded by the Rosicrucian Fraternity and publicized through anthroposophy Consequently this particular discourse delves much more deeply and comprehensively into the cosmos changing salvational achievement of Christ Jesus the historical and cosmic preparations as well as his birth life death resurrection and ascension While much of this mystery information may be unfamiliar unknown and unexpected to mainstream exoteric Christianity it in no way is meant to criticize denigrate or displace the profound teachings of the universal Church but rather to complement to enhance and to enlarge for the betterment of true Christianity and thereby the betterment of all mankind **The Christian Mystery** Lois

Lang-Sims,2020-12-17 First published in 1980 The Christian Mystery presents a new approach to considering the Mysteries of the Faith The book examines the doctrines of Christianity analysing them closely and showing how together they constitute an invisible whole It argues that churches should turn back to the esoteric teachings known by the first Christians and explores how Christianity has developed the primal Tradition of which Jesus was Representative The Christian Mystery will appeal to those with an interest in theology the philosophy of religion and the history of Christianity **Mysterion**

Donald S. Crankshaw,Kristin Janz,Daniel Southwell,2016-07-20 The Christian faith is filled with mystery from the Trinity and the Incarnation to the smaller mysteries found in some of the strange and unexplained passages of the Bible Behemoth and Leviathan nephilim and seraphim heroes and giants and more There is no reason for fiction engaging with Christianity to be more tidy and theologically precise than the faith itself Here you will find challenging fantasy science fiction and horror stories that wrestle with tough questions and refuse to provide easy answers or censored depictions of a broken world characters whose deeds are as obscene as their words and people who meet bad ends sometimes deserved and sometimes not But there are also hope grace and redemption though even they can burn like fire Join us as we rediscover the mysteries of the Christian faith Featuring stories by Daniel Southwell Stephen Case Bret Carter H L Fullerton David Tallerman James Beamon Robert B Finegold MD Pauline J Alama J S Bangs Kenneth Schneyer Christian Leithart F R Michaels Rachael K Jones S Q Eries Beth Cato G Scott Huggins Laurel Amberdine Joanna Michal Hoyt Mike Barretta Sarah Ellen Rogers Publisher s Note Mysterion does not adhere to CBA content guidelines
