Mysterious Stranger Manuscripts:

Mysterious Stranger Manuscripts Mark Twain.1963 Mark Twain's Mysterious stranger manuscripts Samuel Langhorne Clemens, 1969 The Mysterious Stranger Manuscripts Mark Twain, 1963 Six years after Mark Twain s death Albert Bigelow Paine the author's literary executor brought out a bowdlerized edition of The Mysterious Stranger which he patched together from Mark Twain's three unfinished manuscripts produced Paine asserted during a period of supposed creative paralysis Scholars have since discovered that Paine's edition of the book was largely based on the earliest of those three versions onto which Paine then grafted the final chapter of the last version Indeed Paine changed so many of the book s essentials that it cannot be said to accurately reflect the author's mood and thought at all Gibson's volume first published in 1969 and now back in print presented the manuscripts for the first time exactly as Mark Twain wrote them Here the reader is offered a glimpse of Mark Twain's creative process on what many critics consider the finest fiction of his later years While the work was begun in 1897 and revised first in 1902 and then in 1908 the third version was the only manuscript actually titled The Mysterious Stranger These texts provide a rare opportunity to observe Mark Twain's sustained literary struggle with a central theme Mark Twain's Mysterious Stranger Manuscripts Mark Twain, William M. Gibson, 1969-04-01 Six years after Mark Twain's death Albert Bigelow Paine the author's literary executor brought out a bowdlerized edition of The Mysterious Stranger silently cut and cobbled from three unfinished manuscripts This volume presents those manuscripts for the first time exactly as mark Twain wrote them Paine's disingenuous account of the history of his edition has until recently misled critics into believing that Mark Twain's creative abilities deserted him for a time only to be recovered in the composition of The Mysterious Stranger By writing this tale said Bernard DeVoto Mark Twain saved himself in the end and came back from the edge of insanity and found as much peace as any man may find in his last years and brought his talent into fruition and made it whole again Although most critics have praised the work as the finest fiction of Mark Twain's later years Paine and his collaborator Frederick A Duneka so changed many of the book s essentials that it does not fully or accurately reflect the author's mood and thought Paine's edition of the book was based for the most part on the earliest of the three versions written during the time of Mark Twain's supposed creative paralysis. He and Duneka suppressed a quarter of the text of this manuscript and grafted onto it the last chapter of the latest version Mark Twain began the first manuscript The Chronicle of Young Satan in 1897 late in 1898 he tried to recast the story in a Hannibal setting then returned to his first version only to abandon it permanently in 1900 Between 1902 and 1908 he worked on the third and longest version the only one the author called The Mysterious Stranger The publication of these texts therefore offers an opportunity to observe Mark Twain's sustained literary struggle with a central theme and to reevaluate the tantalizing question of the author's late work
