

This brilliant, powerful book is a major event.
The scholarship is surpassing —
brave, original, full of surprise, — and in the hands
of so gifted a writer it fairly lights up the sky.
— David McCullough

the mysterious^d William Shakespeare

The Myth & the Reality

CHARLTON OGBURN

Mysterious William Shakespeare

Peter Sammartino

Mysterious William Shakespeare:

The Mysterious William Shakespeare Charlton Ogburn,1984 Contains the material gathered by the author s investigation into the identity of the real Shakespeare Edward de Vere the 17th Earl of Oxford **The Mysterious William Shakespeare** Charlton Ogburn,1992 Presents evidence to support the theory that Shakespeare s work is actually that of the 17th Earl of Oxford Edward De Vere **The Man who was Shakespeare** Charlton Ogburn,1995 **Players** Bertram Fields,2005 **Shakespeare Was a Woman and Other Heresies** Elizabeth Winkler,2024-04-23 A delightful romp through the Shakespeare authorship question exploring how doubting that William Shakespeare wrote the plays attributed to him became an act of blasphemy and who the Bard might really be [The Apocryphal William Shakespeare](#) Sabrina Feldman,2011-10 Sabrina Feldman manages the Planetary Science Instrument Development Office at the NASA Jet Propulsion Laboratory Born and raised in Riverside California she attended college and graduate school at the University of California at Berkeley where she enjoyed the wonderful performances of the Berkeley Shakespeare Company studied Shakespeare s works for a semester with Professor Stephen Booth and received a Ph D in experimental physics in 1996 She has worked on many different instrument development projects for NASA and is the former deputy director of JPL s Center for Life Detection Her scientific training combined with a lifelong love of literature and all things Shakespearean gives her a unique perspective on the Shakespeare authorship mystery Dr Feldman lives in Pasadena California with her husband and two children This is her first book If William Shakespeare wrote the Bard s works Who wrote the Shakespeare Apocrypha During his lifetime and for many years afterwards William Shakespeare was credited with writing not only the Bard s canonical works but also a series of apocryphal Shakespeare plays Stylistic threads linking these lesser works suggest they shared a common author or co author who wrote in a coarse breezy style and created very funny clown scenes He was also prone to pilfering lines from other dramatists consistent with Robert Greene s 1592 attack on William Shakespeare as an upstart crow The anomalous existence of two bodies of work exhibiting distinct poetic voices printed under one man s name suggests a fascinating possibility Could William Shakespeare have written the apocryphal plays while serving as a front man for the poet in purple robes a hidden court poet who was much admired by a literary coterie in the 1590s And could the poet in purple robes have been the great poet and statesman Thomas Sackville 1536 1608 a previously overlooked authorship candidate who is an excellent fit to the Shakespearean glass slipper Both of these scenarios are well supported by literary and historical records many of which have not been previously considered in the context of the Shakespeare authorship debate **The Dark Side of Shakespeare** W. Ron Hess,2002 Plunging into the complexities of Elizabethan history Hess raises a host of provocative questions about Shakespeare s identity and the controversial character of the 17th earl of Oxford the leading candidate for authorship honors Wide reading informs his answers and he doesn t shy from proposing linkages motivations and ingenious theories to make sense of the historical records and answer the many questions about Oxford s life

His work on Don Juan of Austria may well prove to have opened a new perspective on that military leader's connection to Shakespeare. Richard F. Whalen, author of *Shakespeare: Who Was He? The Dark Side of Shakespeare*, is an original and stimulating book that takes the authorship debate in unexpected new directions. Even those who reject its conclusions will find plenty to think about. Joseph Sobran, author of *Alias Shakespeare: The Man who was William Shakespeare*, Peter Sammartino, 1990. This book was written for high school seniors or college students who want to know more about who Shakespeare really was. Many experts are intrigued by the notion that Shakespeare's works were written by a man who penned the items as Edward de Vere. This book looks into those theories. *William Shakespeare, The Real Shakespeare*, Marilyn Savage Gray, 2001-07-18. This book proves that Edward de Vere, the 17th Earl of Oxford, wrote the plays we know as Shakespearean. In the play *Hamlet*, in a very special coded way, he signed his name. Over hundreds of times. These clues in *Hamlet* provide the stamp of his authorship. All of the Shakespearean plays and sonnets reflect incidents in the life of Edward de Vere. The real events in his life involved violence, intrigue, and love, and some of them were shocking. In a web of conjecture, those incidents have been tied together in a novel about de Vere. This novel is one of the main parts of this book. The other two parts are the proof. *The Sweet Swan of Oxford?* E. A. J. Honigmann, 1985. **The Dark Side of Shakespeare: an Elizabethan Courtier, Diplomat, Spymaster, & Epic Hero** W. Ron Hess, 2003-10-29. The Dark Side of Shakespeare trilogy by W. Ron Hess has been his 20-year undertaking to try to fill in many of the gaps in knowledge of Shakespeare's personality and times. The first two volumes investigated wide-ranging topics including the key intellectual attributes that Shakespeare exhibited in his works, including the social and political events of the 1570s to early 1600s. This was when Hess believes the Bard's works were being originated, the earliest phases of artistry from conception or inspiration to the first of multiple iterations of writing. Hess highlights a peculiar fascination that the Bard had with the half brother of Spain's Philip II, the heroic Don Juan of Austria, or in 1571, the Victor of Lepanto. From that fascination, as determined by characters based on Don Juan in the plays, e.g., the villain Don John in *Much Ado*, and other matters, Hess even made so bold as to propose a series of phases from the mid 1570s to mid 80s in which he feels each Shakespeare play had been originated or some early form of each play then existed, if not in writing, at least in the Bard's imagination. Thus, the creative process Hess describes is a vastly more protracted one than most Shakespeare scholars would admit to, the absurd notion that the Bard would jot off the lines of a work in a few days or weeks and then immediately have it performed on the public stage or published shortly thereafter still dominates orthodox dating systems for the canon. Hess draws on the works of many other scholars for using topical allusions within each work in order to set practical limits for when the origination and subsequent alterations of each play occurred. In the trilogy's Volume III, Hess continues to amplify a heroic knight-errant personality type that Shakespeare's very pen name may have been drawn from, a type which envied and transcended the brutal chivalry of Don Juan. This was channeled into a patriotic anti-Spanish and pro-British imperial spirit, particularly with regard to reforming

and improving the English language so that it could rival the Greco Roman Italian and French poetic traditions one upping the best that the greats of antiquity and the Renaissance had achieved in literature In fact as vast as the story is that Hess tells in his three volumes there is a huge volume of material he is making available out of print on his webpage at <http://home.earthlink.net/~beornshall/index.html> and via a Volume IV that he plans to offer on CD for a nominal cost via his e mail BeornsHall.earthlink.net Among this added material is a searchable 1 000 page Chronological listing of Everything that Hess deems relevant to Shakespeare and his age or to the providing of the canon to modern times Hess feels that discernable patterns can be detected through that chronology that help to illuminate the roles of others in the Bard's circle such as Anthony Munday and Thomas Heywood The network of 16th and 17th century Stationers printers publishers and book sellers and their often curious doings provide many of those patterns Hess invites his readers to help to continuously update the Chronology and other materials so that those can remain worthwhile research resources for all to use For the mysteries of Shakespeare and his age can only be unraveled through fully understanding the patterns within Shakespeare's Ghost Writers Marjorie Garber, 2020-11-25 The plays of Shakespeare are filled with ghosts and ghost writing Shakespeare's Ghost Writers is an examination of the authorship controversy surrounding Shakespeare the claim made repeatedly that the plays were ghost written Ghosts take the form of absences erasures even forgeries and signatures metaphors extended to include Shakespeare himself and his haunting of us and in particular theorists such as Derrida Marx Nietzsche and Freud the figure of Shakespeare constantly made and remade by contemporary culture Marjorie Garber one of the most eminent Shakespearean theorists writing today asks what is at stake in the imputation that Shakespeare did not write the plays and shows that the plays themselves both thematize and theorize that controversy This Routledge Classics edition contains a new preface and new chapter by the author *The Shakespeare Game, Or, The Mystery of the Great Phoenix* Il'ia Gililov, 2003 Who was Shakespeare In an intellectual sensation that went through three printings in the first year a Moscow scholar presents a solidly documented work showing how and why the 5th Earl of Rutland wrote most of the Shakespeare oeuvre Gililov has studied watermarks and printer's type registration dates and documented biographical details of Shakespeare contemporaries considering the physical evidence as well as the personalities and motives of the suspects Shakespeare: The Evidence Ian Wilson, 1999-01-15 This book takes on all of the famous Shakespearean debates from whether or not Shakespeare actually wrote his plays to speculation regarding his sexuality to the mysterious curse he set upon his own grave Publisher Sexual Shakespeare Michael Keevak, 2001 Shakespeare's sexuality has always been an ambiguous concept despite the pleasant fictions of Shakespeare in Love Now Michael Keevak examines such sources as anecdotes imitations forgeries spurious works and portraits to show that this ambiguity has a long and twisted history Avalanche of Falsity Paul Hemenway Altrocchi, MD, 2014-08-21 The greatest cultural mystery in the Western World is Who wrote the superb plays and sonnets published under the pen name of William Shakespeare Conventional wisdom so often proved wrong

as cultures evolve currently favors William Shakspere of Stratford on Avon a butcher s apprentice grain speculator and real estate investor who never went to school never owned a book never traveled abroad knew no foreign languages and never wrote anything except his crudely scrawled signature Because of the raptorian grip of guild mythology and the threat of professional punishment professors of English cling tenaciously to their Stratford Man refusing to believe any data in favor of Edward de Vere 17th Earl of Oxford Avalanche of Falsity documents impressive discoveries in favor of de Vere and describes the questionable methods professors use as they try desperately to counteract massive accumulating evidence against their illiterate candidate

Aemilia Lanyer Marshall Grossman,2021-05-11 Aemilia Lanyer was a Londoner of Jewish Italian descent and the mistress of Queen Elizabeth s Lord Chamberlain But in 1611 she did something extraordinary for a middle class woman of the seventeenth century she published a volume of original poems Using standard genres to address distinctly feminine concerns Lanyer s work is varied subtle provocative and witty Her religious poem Salve Deus Rex Judaeorum repeatedly projects a female subject for a female reader and casts the Passion in terms of gender conflict Lanyer also carried this concern with gender into the very structure of the poem whereas a work of praise usually held up the superiority of its patrons the good women in Lanyer s poem exemplify worth women in general The essays in this volume establish the facts of Lanyer s life and use her poetry to interrogate that of her male contemporaries Donne Jonson and Shakespeare Lanyer s work sheds light on views of gender and class identities in early modern society By using Lanyer to look at the larger issues of women writers working within a patriarchal system the authors go beyond the explication of Lanyer s writing to address the dynamics of canonization and the construction of literary history

Shakespeare, Marlowe, Jonson J.R. Mulryne,Takashi Kozuka,2016-04-01 A remarkable resurgence of interest has taken place over recent years in a biographical approach to the work of early modern poets and dramatists in particular to the plays and poems of Shakespeare Marlowe and Jonson The contributors to this volume approach the topic in a manner that is at once critically and historically alert They acknowledge that the biographical evidence for all three authors is limited thus throwing the emphasis acutely on interpretation In addition to new scholarship the essays are valuable for their awareness of the challenges posed by recent redirections of critical methodology Scepticism and self criticism are marked features of the writing gathered here

Who Wrote Shakespeare's Plays? William D. Rubinstein,2012-02-15 A fascinating look at one of English literature s greatest mysteries

Reviewing **Mysterious William Shakespeare**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Mysterious William Shakespeare**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
