

The scholarship is surpassing —
brave, original, full of surprise, — and in the hands
of so gifted a writer it fairly lights up the sky.
— David McCullough

the mysterious William Shakespeare

The Myth & the Reality

CHARLTON OGBURN

"This brilliant, powerful book is a major event
for anyone who cares about Shakespeare."¹

"Count me a convert."²

"The definitive book on the man
behind the name Shakespeare."³

¹ NY Times ² NYT ³ Continued on front flap.

Mysterious William Shakespeare The Myth And The Reality

Paul Hemenway Altrocchi, MD

Mysterious William Shakespeare The Myth And The Reality:

The Mysterious William Shakespeare Charlton Ogburn,1984 Contains the material gathered by the author s investigation into the identity of the real Shakespeare Edward de Vere the 17th Earl of Oxford **The Mysterious William Shakespeare** Charlton Ogburn,1984-01-01 **The Mysterious William Shakespeare** Charlton Ogburn,1992 Presents evidence to support the theory that Shakespeare s work is actually that of the 17th Earl of Oxford Edward De Vere **The Man who was Shakespeare** Charlton Ogburn,1995 Shakespeare and the Editorial Tradition Stephen Orgel,Sean Keilen,1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally **Shakespeare Was a Woman and Other Heresies** Elizabeth Winkler,2024-04-23 A delightful romp through the Shakespeare authorship question exploring how doubting that William Shakespeare wrote the plays attributed to him became an act of blasphemy and who the Bard might really be *Shakespeare in America* Alden T. Vaughan, Virginia Mason Vaughan,2012-04-05 This book is a lively account of how American culture has embraced the English playwright and poet from colonial times to the present It ranges widely following the story of Shakespeare s reception in America from the scholarly criticism editions of the plays and curricula to the light hearted burlesques musical comedies and kitsch **Avalanche of Falsity** Paul Hemenway Altrocchi, MD,2014-08-21 The greatest cultural mystery in the Western World is Who wrote the superb plays and sonnets published under the pen name of William Shakespeare Conventional wisdom so often proved wrong as cultures evolve currently favors William Shakspere of Stratford on Avon a butcher s apprentice grain speculator and real estate investor who never went to school never owned a book never traveled abroad knew no foreign languages and never wrote anything except his crudely scrawled signature Because of the raptorian grip of guild mythology and the threat of professional punishment professors of English cling tenaciously to their Stratford Man refusing to believe any data in favor of Edward de Vere 17th Earl of Oxford

Avalanche of Falsity documents impressive discoveries in favor of de Vere and describes the questionable methods professors use as they try desperately to counteract massive accumulating evidence against their illiterate candidate In Shakespeare's Shadow Michael Blanding, 2021-03-30 The true story of a self taught sleuth's quest to prove his eye opening theory about the source of the world's most famous plays taking readers inside the vibrant era of Elizabethan England as well as the contemporary scene of Shakespeare scholars and obsessives What if Shakespeare wrote Shakespeare but someone else wrote him first Acclaimed author of The Map Thief Michael Blanding presents the twinning narratives of renegade scholar Dennis McCarthy and Elizabethan courtier Sir Thomas North Unlike those who believe someone else secretly wrote Shakespeare McCarthy argues that Shakespeare wrote the plays but he adapted them from source plays written by North decades before In Shakespeare's Shadow alternates between the enigmatic life of North the intrigues of the Tudor court the rivalries of English Renaissance theater and academic outsider McCarthy's attempts to air his provocative ideas in the clubby world of Shakespearean scholarship Through it all Blanding employs his keen journalistic eye to craft a captivating drama upending our understanding of the beloved playwright and his singular genius Winner of the 2021 International Book Award in Narrative Non Fiction

Shakespeare's Ghost Writers Marjorie Garber, 2020-11-25 The plays of Shakespeare are filled with ghosts and ghost writing Shakespeare's Ghost Writers is an examination of the authorship controversy surrounding Shakespeare the claim made repeatedly that the plays were ghost written Ghosts take the form of absences erasures even forgeries and signatures metaphors extended to include Shakespeare himself and his haunting of us and in particular theorists such as Derrida Marx Nietzsche and Freud the figure of Shakespeare constantly made and remade by contemporary culture Marjorie Garber one of the most eminent Shakespearean theorists writing today asks what is at stake in the imputation that Shakespeare did not write the plays and shows that the plays themselves both thematize and theorize that controversy This Routledge Classics edition contains a new preface and new chapter by the author

Shakespeare's Lost Kingdom Charles Beauclerk, 2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare's Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch's indulgence shielded from repression in an unstable time of armada and reformation But the author's identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare's Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age

Beauclerk's learned deep scholarship compelling research engaging style and convincing interpretation won me completely. He has made me view the whole Elizabethan world afresh. The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance. Sir Derek Jacobi *The Shakespeare Authorship Question and Philosophy* Michael Quinn Dudley, 2023-10-17. For nearly 200 years people have questioned the identity of Shakespeare however this debate is often dismissed by most scholars as just a conspiracy theory with the life of the poet playwright being beyond doubt. And yet the documented facts related to the man from Stratford are meagre where they exist at all forcing biographers to rely heavily on their own imaginations. What does it mean to say that the traditional stance on Shakespeare's authorship is a belief as opposed to a search for knowledge? What are the ethical implications of declaring that some history is beyond doubt and that no debate about it may be permitted? What can theories of knowledge truth and rhetoric tell us about how knowledge of Shakespeare has been constructed and justified? To the extent that this belief has consequences for society can it then be said to be an ethical one? Finally what difference does it actually make from a pragmatic perspective who the Author was? Highly original in its scope *The Shakespeare Authorship Question and Philosophy* sets out the debate's many profound philosophical dimensions concerning knowledge historiography truth and academic freedom implications that transcend the debate itself.

Shakespeare Bacon Conundrum Russell Storrs Hall, 2012-03-06. Since this book is being published posthumously please allow me to share what I remember about my dad the author Russell Storrs Hall. He was the third son born to Olive Agar Hall and Bertine Anderson Hall on February 4th 1917 on the south side of Chicago Illinois. I believe he was a very serious sensitive studious young man growing up who was constantly reading and searching for answers. He possessed a high intellect and a profound curiosity. He attended college in Chicago but soon after the Pearl Harbor attack enlisted in the Army. At some point in time his Company was sent to serve in Panama Central America where he became ill from the effects of the jungle. He received a medical discharge in 1943 and returned home to convalesce. On August 5th 1945 he married my mother Hildegard H. Bergt. When I was young my father worked as an insurance underwriter for George F. Brown Insurance and Lloyds of London. In 1960 after sitting for a civil service exam he changed careers and became a Postal Carrier. My parents divorced in 1968 and dad later remarried in 1971 to Lorraine R. Lawler. In 1982 he retired from the downtown Chicago Post Office as supervisor. My father's lifetime passion and hobby was researching for this manuscript and he dedicated his retirement years to writing this book. His wife Lorraine was his source of encouragement. He finally completed his book only a few months before his death February 10th 1998. I am very proud to be his daughter yours truly Janice Gold Orland. *Shakespeare's Lives* Samuel Schoenbaum, 1991. This volume presents a study of the changing images and differing ways that the life of English poet and playwright William Shakespeare 1564-1616 has been interpreted throughout history. The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work bringing the story right up to 1989. He reconstructs as much of the elusive author's life as possible considering his family

history his economic standing and his reputation with his peers the Shakespeare who emerges may not always be the familiar one **Spearing the Wild Blue Boar** Frederick Keller, 2009-06-29 Is William Shakespeare of Stratford Upon Avon the true author of the poems and plays attributed to him This book once and for all silences those critics who say he isn't It takes particular aim at those who champion Edward de Vere the 17th Earl of Oxford whose crest was a wild blue boar Who are these heretics who would strip Shakespeare of his laurels and drape them on a nobler brow Foremost are John Thomas Looney the Charlton Ogburn family and the latter day anti Stratfordians Richard Whalen John Michell David McCullough Lewis H Lapham Mark Anderson and others Using their own words against them this book meticulously examines the claims of these Naysayers and destroys them In addition you'll learn about Shakespeare's early decline and fall as a literary giant why so little is known of Shakespeare's life and why his closest colleagues Ben Jonson and the Shakespeare Folio editors Heminges and Condell have been branded fools or liars Whether you are a teacher student or simply someone interested in one of the foremost literary questions of the day it's important to read **Spearing the Wild Blue Boar**

Love's Labour's Lost Felicia Hardison Londré, 1997 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

Love's Labour's Lost Felicia Hardison Londre, 2015-07-17 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

Wonder of Our Stage Paul Hemenway Altrocchi, MD, 2014-08 Few are aware that the actual identity of William Shakespeare a pseudonym represents our culture's greatest literary mystery Even fewer realize that William Shaksper of Stratford on Avon the person anointed by most Professors of English as the Great Playwright was an uneducated illiterate businessman who never wrote a single word of prose or poetry In fact Will Shaksper was the front man of a conspiracy perpetrated by England's leading politician Robert Cecil who for reasons of greed and power forced Edward de Vere 17th Earl of Oxford the true genius playwright into anonymity The astonishing power of Conventional Wisdom has kept the ruse going since the early 1600s Outstanding authorship research in the past century however has shown convincingly that de Vere was indeed Shakespeare The best of that research is now assembled in the present anthology series **Building the Case for Edward de Vere as Shakespeare** It's an exciting story dramatically presenting powerful evidence

of murder of the name of the world's greatest writing genius Edward de Vere and substituting a fraudulent impostor **The Complete Idiot's Guide to Shakespeare** Laurie Rozakis, 1999 Introduces Shakespeare's plays sonnets and narrative poems and discusses major themes characters and dramatic techniques *To All The World Must Die* Paul Hemenway Altrocchi, MD, 2014-08-21 Few are aware that the actual identity of William Shakespeare a pen name represents our greatest cultural mystery Even fewer realize that Will Shakspeare of Stratford on Avon was an uneducated businessman who never owned a book knew no foreign languages never traveled and never wrote a word of poetry or prose Shakspeare was a front for a complete fraud perpetrated by England's leading politician Robert Cecil for reasons of power and greed The astonishing strength of Conventional Wisdom has kept the ruse going for 400 years perpetrated by professors of English who blinded by traditional dogma refuse to accept the remarkable and growing body of evidence in favor of Edward de Vere Volume 8 of the Anthology Series Building the Case for Edward de Vere As Shakespeare documents the quickening pace of Oxfordian discoveries in the late 1990s and early 2000s These present massive problems for professors of English to combat in a convincing manner Supreme Court Justice John Paul Stevens 1991 For present purposes I shall confine my analysis to the Sherlock Holmes principle that sometimes the fact that a watchdog did not bark may provide a significant clue about the identity of a murderous intruder This concern directs our attention to three items of the Shakespeare authorship controversy First it is of interest that there is no mention of any library or of any books at all in his will and no evidence that his house in Stratford ever contained a library Second his son in law's detailed medical journals contain no mention of the doctor's illustrious father in law Finally is the fact that is most puzzling to me the seven year period of silence that followed Shakespeare's Shakspeare's death in 1616 Until the First Folio was published in 1623 there seems to have been no public comment in any part of England on the passing of the greatest literary genius in the country's history It does seem odd that not even a cocker spaniel or a dachshund made any noise at all when he passed from the scene

Unveiling the Magic of Words: A Review of "**Mysterious William Shakespeare The Myth And The Reality**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Mysterious William Shakespeare The Myth And The Reality**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
