A Pinch of Pure Cunning Jane Finnis,2020-07-28 This is a collection of mystery short stories a variety of traditional whodunnits all with an Ancient Roman background The tales take us to the turbulent frontier province of Britannia the showy luxury of Rome itself and right inside the glittering and dangerous court of Nero These make dramatic settings for crime and mystery and show us a little of life and death two thousand years ago The Roman world had its share of crime because human nature was much the same then as it is now Greed vengeance and jealousy were motives for theft fraud and murder and where there were crimes there were also investigators The sleuths in these stories are not professional detectives in the modern sense Innkeeper Aurelia Marcella heroine of the Aurelia Marcella series of mystery novels just wants to get on with running a successful business Rufus the bodyguard becomes an investigator when he is present at a fashionable banquet where celebration turns to tragedy and elite guardsman Marius learns how criticising Caesar s singing can have deadly consequences And of course they all lack the elaborate tools for crime solving that modern detectives take for granted But they share an over riding determination to seek out truth and bring justice even when that puts them in danger These stories show how they can succeed using intelligence courage and of course a pinch of pure cunning

The Time of the End II: The 7 Heads of the Dragon and the Nation-Beasts of the Last Days Matthew S Crane,2022-09-01 A key factor in comprehending the prophetic landscape of the end times is to recognize the specific prominent nations that will be involved In the Scriptures these nations are depicted in allegorical form and for literally thousands of years students of the word of God have labored to discern the identity and meaning of the four beasts Daniel 7 the elements of Nebuchadnezzar s image Daniel 2 and the seven heads of the Dragon Revelation 17 Many speculations and interpretations continue to be made yet to this day there is still a great amount of uncertainty regarding these prophecies The Time of the End I provided the Scriptural foundation for a 10 year timeline of the last days and like the border pieces of a puzzle this new

perspective has provided new insight into the broader picture of prophecy The Time of the End II sheds light upon and unlocks the concealed identifications of the Lion the Bear and the Leopard Daniel 7 the feet and toes of Nebuchadnezzar's image Daniel 2 the seven heads of the Dragon and how those nations relate to the four horns Zechariah 1 the four carpenters Zechariah 1 the four horsemen of the Apocalypse Revelation 6 and the movements throughout history of Mystery Babylon Revelation 17 Like its predecessor The Time of the End II confidently rearranges some of the more popular and accepted puzzle pieces of prophecy and emerges with a notably different picture one that is far more consistent with a literal interpretation of the Scriptures
