Mystery Of The Ages:

Mystery of the Ages Herbert W. Armstrong, 2007 *Mystery of the Ages* Mel Bond, 2010-07-10 *Drama of the Age* John Carroll Brown, 2005-10 Drama of the Age is a fresh look at Revelations Beginning with the initial vision and letters it presents both the preparation and action of the divine drama The Holy Word for Morning Revival - The Christian Life, the Church Life, the Consummation of the Age, and the Coming of the Lord Witness Lee, 2020-10-10 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones webcast from Anaheim California on October 24 2020 The general subject of the training was The Christian Life the Church Life the Consummation of the Age and the Coming of the Lord Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Mystery of the Ages** B. N. Switzer, 1914 **The End of the Ages Explained** Terry Swift, 2022-11-09 The author of Revelation Explained has written a new book The new book is a companion book to his first book His first book Revelation Explained was a verse by verse commentary of the Book of Revelation His second book started as the original research that the author Terry used to understand what the New Testament taught about that mysterious book of Revelation Then Terry wrote Revelation Explained This second book The End of the Ages Explained has 26 chapters covering 26 different topics that relate to things in Revelation This book grew into an in depth study and explanation of things we often hear about Revelation These topics are often tossed around in conversations in our world today Imagine a book in which you can read an in depth study of topics such as Armageddon Gog and Magog the thousand years reign the second coming of Christ the judgment the resurrection Israel 2 Pet 3 the end of the ages and many more such topics Can one really understand what he is reading in Revelation Can the things that are mentioned in visions make sense Is an understanding of Revelation attainable The answer is yes The parts of scripture all fit together perfectly Can you know it Yes God can help you Terry has tried to help by taking each topic and carefully explaining scripture with scripture He goes into in depth explanations of the various topics This book is not an easy chair read It is intended for those who study diligently and want to know truly what God has meant by what he has revealed What is the reward More than anything it is to understand God and to see with spiritual eyes the wonderful grandeur of the completion of God's plan in Christ Jesus The end blessing is truly spiritually awesome fantastic and amazing beyond man's capability and imagination But our wonderful God has indeed revealed himself to us This new book The End of the Ages Explained is well worth the read every page is helpful It is good for pastors seminary students elders leaders and every Christian It will challenge everyone who reads it and can offer many insights into scripture The goal of the author has always been to understand what one is reading The wise man Solomon emphasized getting understanding to his son in Proverbs There he said Trust in the Lord with all your heart and lean not on your own understanding In all your ways acknowledge him

and he will make your paths straight Prov 3 5 6 NIV May your understanding greatly increase when you read this book and seek to know God better *The Closing Drama at The End of The Age* M Dean Koontz,2011-11 The book of Revelation is a fascinating book It claims to be a divine revelation of the Sovereign soon returning Christ given by God to His servants Furthermore one of several triads that appear in this first chapter of the Revelation promises special blessing to the one who reads this book those who hear it and those who obey or take it to heart And it adds at the end solemn warnings about those who tamper with its contents either adding to or detracting from its message This surely means that you and I can not afford to either ignore it or neglect it I believe that Christ will return as He promised and that we need to be eagerly and watchfully waiting for His arrival After careful study comparing Scripture with Scripture I want to take you through this book and help hopefully with your greater understanding of its wonderful contents **God's Blueprint of the Ages** Jim Foster,2020-11-12 God's Blueprint of the Ages developed as lesson plans through several years of Bible study and sermon preparation To show a visual presentation of Biblical Chronology a graphic chart was drawn step by step that showed how God worked with His created earth from eternity past to eternity future Various time periods called ages or dispensations is shown graphically as a timeline How Satan tried unsuccessfully to thwart God's plan throughout history is also presented Old Testament prophecy and New Testament Grace is expanded within the chapters that reference and explain the symbols on the chart Many references to the Word of God are noted within each chapter to verify each explanation **The Promise of the Ages** Charles Keeler,1896 **The Mystery of the Ages** Roger King,2017-10-20 The Mystery of the Ages God the father told Daniel to seal the words till the time of the end Daniel chapter 12 4 9 What did Daniel seal You will be amazed **The United States Catalog** George Flavel Danforth,Marion Effie Potter,1900 **The Mystery of the Ages** Catherine Marshall,Peter Marshall,Presbyterian Church in the U.S.A. TASTING THE POWERS OF THE AGE TO COME Elvis Mbonye, 2012 In August 2007 something extraordinary happened in the life of Mrs Jennifer Isabirye not her real name a short slender middle aged career teacher whom I had not met until that day It was at a conference organized annually in Kamuli a small town district in the eastern region of Uganda The conference was held at Bethel Church It was the first time I attended this prophetic event upon invitation to speak Seated in the crowded room were people from the surrounding area and beyond about 200 of them This was not your usual event strange things were happening as I singled out individuals uncannily describing facts about their lives with amazing accuracy Mrs Isabirye happened to be one of them You are angry at a certain man for financial reasons I said to her Forgive him for if you don't you will hold back your progress I also see a problem with your fibroids I added I see you had an operation about them but it wasn't successful I see a swelling around your lower abdomen that part of her body was fully covered by her dress and it's because of those fibroids I was not through with Mrs Isabirye Today you will experience a strange discharge from your body but have no fear about it for it will be God dealing with you However make sure you neither let your doctor nor your daughter know about it If you do this if you keenly follow my revelatory directions you will receive a miraculous healing shortly In her subsequent testimony a day later Mrs Isabirye verified everything Astounded at how I could know these things she said The man I was bitter with was my employer because for six months I had not received my salary Also I have fibroids and a few months ago I had an operation about them that wasn't successful However what surprised me even more was when he implying me said I should neither tell my doctor nor my daughter after the strange discharge from my body I only see one doctor and I only have one daughter for a child how he could have known that is beyond any earthly explanation I experienced the strange discharge from my body that day but unfortunately I told my doctor and daughter about it Because she did not keenly follow the revelatory directions Mrs Isabirye did not receive her miraculous healing However the following year I was back there and I was taken to her house where I prayed for her I called the experience extraordinary because that is what it was for Mrs Isabirye and for several other people who got to witness or experience the mystical for the first time But to me such uncanny comprehension and the supernatural world are for the lack of a better word commonplace And they can be for you too if you are daring enough to read through Atheist or agnostics may dismiss Mrs Isabirye's story as spiritual mumbo jumbo They will undoubtedly have a perfectly logical argument why such supernatural occurrences are not possible Denominational

Christians who think of faith as nothing more than a set of dos and don'ts might similarly dismiss it perhaps with less fervour. They too would have sound arguments in support of their positions. What I am presenting in this book however are experiences. The world abounds with arguments every man or woman has one to back their position and most of them make good sense. But in her time of need Mrs Isabirye didn't need an argument she needed an experience. Someone with an experience is never at the mercy of someone with just an argument. So whatever your disposition believer agnostic atheist or anything in between I dare you to read this with an open mind you will undoubtedly find this text eerily challenging. Early experiences. The mysterious world of the supernatural is not a reality I discovered in my latter years. Growing up as a child in Bugolobi a middle class suburb of Kampala I frequently experienced close encounters with the supernatural.

Studies in the Scriptures: The plan of the ages Charles Taze Russell, 1886

Revelations of the Divine Plan of the Ages Basil Hewitt, 2007-12

Chalk is a fictional story about a young man born in the coalmine country of rural Kentucky. He was born in 1863 to an English father and Cherokee Indian mother. Hard time and hard work filled his younger years. When his parents were both gone he followed a life of managing horses doing blacksmith work and eventually found a good job on a Mississippi river boat. His experience led him to become a trail boss on a Texas bound wagon train. In Texas he found his life's calling got married and became a local peace officer. At the same time he started ranching. His love and skills with horses and his honest life style he practiced found favor with the Military and he became a horse supplier for the Calvary. He was later drafted into military duty and rose rapidly in rank mustering out as a decorated Colonel. As an author I used information to write the story that was handed down by my father and my wife's family. My family had Cherokee roots and the stories my grandmother told me were very real. She was born in 1847 endured the Civil war aftermath and saw the First World War take the lives of many fine young men. My father and his brothers were in Pershing's Army and the stories they brought home were never forgotten. These times were difficult for everyone and need to be remembered. The lessons they contain are the real essence of how our country was able to grow to a major work power and leader in the cause for peace. As a first time author this work is an attempt to remind everyone that our nation has learned a lot but still has a lot more to learn. A great nation will always see another opportunity to improve. This is the American tradition.
